नई दिल्ली, 7 सितम्बर, 2017

का.आ. 2101.— केन्द्रीय सरकार को ऐसा प्रतीत होता है कि लोकहित में यह आवश्यक है कि आंध्र प्रदेश राज्य में पेट्रोलियम उत्पादों के परिवहन के लिए पारादीप-हैदराबाद पाइपलाइन परियोजना के क्रियान्वयन हेतु इंडियन ऑयल कॉर्पोरेशन लिमिटेड द्वारा पाइपलाइन बिछाई जानी चाहिए;

कोई भी व्यक्ति, जो उक्त अनुसूची में वर्णित भूमि में हितबद्ध है, उस तारीख से, जिसको इस अधिसूचना से युक्त भारत के राजपत्र की प्रतियाँ साधारण जनता को उपलब्ध करा दी जाती हैं, इक्कीस (21) दिन के भीतर भूमि के नीचे पाइपलाइन बिछाए जाने के लिए उसमें उपयोग के अधिकार के अर्जन के सम्बन्ध में श्री एम.आर.सी. शेणु, सक्षम प्राधिकारी (आंध्र प्रदेश) इंडियन ऑयल कॉर्पोरेशन लिमिटेड (पाइपलाइन्स प्रभाग), पारादीप-हैदराबाद पाइपलाइन परियोजना, चौथी मंजिल, एल.आई.सी. एनेक्सी भवन, थिक्कना (डायमंड पार्क) रोड, आर.टी. कॉम्प्लेक्स के पास, विशाखापटनम-530004, आंध्र प्रदेश राज्य को लिखित रूप में आक्षेप भेज सकेगा।

AWARD

The Central Government, Ministry of Labour & Employment, vide its Order No. L-41011/68/2015-IR (B.I) dated 30.12.2015 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is:

“Whether the service of 78 contract workmen of Southern Railway Contract Mazdoor Union to be regularized or not in view of job of perennial nature, they perform continuously in the Railway establishment without any statutory benefits? If not, what are the relief they are entitled?”

2. On receipt of the Industrial Dispute this Tribunal has numbered it as ID 6/2016 and issued notices to both sides. Both sides entered appearance through their counsel and filed Claim and Counter Statement respectively. The petitioner has filed rejoinder in reply to the Counter Statement. R4 who was subsequently impleaded remained ex-parte.

3. The averments in the Claim Statement filed by the petitioner in brief are as below:

The petitioner is a registered trade union representing the contract workmen employed in the Railway Hospital, Trichy and Railway Junction, Trichy. The workmen represented by the petitioner are engaged in sweeping and scavenging in Trichy Railway Junction. They had been employed for several years. Their service ranged from 5-10 years. They were working for Second and Third Respondents through various Contractors. Even though Respondents 2 and 3 had been changing the Contractors year after year, the members of the Petitioner Union continued in the work without any break. The work in which the members of the Union are involved is of perennial and permanent nature. Instead of employing workers directly to do the work Respondents 2 and 3 engaged workmen through Contractors in order to deny them the status of permanent workmen. This is against the provisions of Contract Labour (Regulation & Abolition) Act. The so-called contract entered into between the Contractors and the Respondents 2 and 3 are sham and nominal. The Contractors were not supervising the work of the members of the Petitioner Union. The officials of Respondents 2 and 3 were directly supervising the work. The Contractor was only a name lender. The concerned workmen have been repeatedly requesting Respondents 2 and 3 to absorb them in the rolls of the Railways and to regularize their services. Most of the workers are members of the Scheduled Caste and Scheduled Tribes Community. The dispute is raised as the attempt of the concerned workmen to get regularized in the Railways failed. An Award may be passed regularizing the concerned workmen in the service of the Railway with all attendant benefits.

4. The First Respondent has filed Counter Statement contending as below:

The First Respondent is a Contractor for doing the work of cleaning and sweeping of Trichy Junction Railway premises by employing contract workers. The contract of the First Respondent under the Second and Third Respondent was for the period from 01.05.2013 to 17.11.2015. There was no complaint from the workers during the contract period. Contract work has been awarded to the First Respondent, it being the lowest tenderer. Regularization of the concerned workers is a matter for Respondents 2 and 3. The First Respondent may be discharged from the case.

5. Respondents 2 and 3 have filed Counter Statement contending as below:

The petitioner is not entitled to invoke the jurisdiction of this Tribunal for the claim made. Matters like employment, promotion, fixation of pay, etc. are governed by the Administrative Tribunals Act. All dispute related to employment in Railways are to be dealt by the Central Administrative Tribunal. There is no employer-employee relationship between the Railway establishment and the concerned workmen. The Railways had entered into contract with the First Respondent for environment cleaning work. The workers are not performing scavenging work as alleged. The contract with the First Respondent states that the Contractor or the staff are not eligible and shall not be granted any privileges due to Railway employees in connection with the work. The Railway Administration has ensured that the contract workers are made payment as per the Minimum Wages Act. Statutory payments such as EPF, ESI and Bonus were also assured. The petitioner is not entitled to any relief.

6. The petitioner has filed rejoinder denying the allegations in the Counter Statement and reiterating the case in the Claim Statement.

7. The evidence in the case consists of oral evidence of WW1 to WW3 and MW1 and documentary evidence consisting of Ext.W1 to Ext.W32 and Ext.M1 to Ext.M5.

8. **The point for consideration is:**

Whether the concerned workmen are entitled to be regularized in the service of Respondents 2 and 3?

The Point

9. The Petitioner Union has raised the dispute on behalf of the workmen who are doing sweeping and scavenging in Trichy Railway Junction. At the time when the dispute was raised the workmen were working through the First Respondent as contract workers. It is stated that Railways had been entrusting the work to different Contractors every year but the concerned workmen have been continuously doing the work for several years. The works done by them is said to be perennial in nature. According to the petitioner the contract between Respondents 2 and 3 and the First Respondent and also the contracts with previous Contractors are all sham and nominal. Such contracts were entered into only to deny the benefits due to the concerned workmen. According to the petitioner the workmen are to be treated as the workers of the Railways establishment and are entitled to be regularized in the establishment.

10. The petitioner had examined three witnesses to substantiate the case. WW1 who is the Branch Secretary of the Union has stated in the Proof Affidavit filed by him that the work done by the concerned workmen are perennial and permanent in nature, that Respondents 2 and 3 have been engaging them through Contractors instead of employing them directly. He has repeated the case in the Claim Statements that the contracts are sham and nominal. WW2 who is the President of the Union has also given evidence in tune with the evidence of WW1. She has stated that all the workmen are still in employment in three shifts.

11. There is also the evidence given by WW3 regarding the employment of the workers. This witness was the Contractor of the Second Respondent from 2004 to 2013. He had stated that he knows the concerned workmen. He was doing the work of sweeping, mopping, dusting, etc. for the Railway. The work used to be done in three shifts. His representative and the departmental health inspector used to supervise the work. He has further stated that though he was maintaining the wage register, attendance register, etc. all those were destroyed in the flood that occurred in 2004. He has stated that all those workmen who worked under him are working for the First Respondent.

12. MW1 is the Assistant Health Officer of Southern Railway. This witness has reiterated the case of Respondents 2 and 3 that there is no employer – employee relationship between the Railway establishment and the concerned workmen. However, during cross-examination the witness has admitted that the workmen involved in the dispute are doing sanitation work and that the officials under him will be giving instruction to the Supervisors regarding sanitation work and they in turn would be giving instruction to the concerned workmen. He has further stated the Supervisors who are giving instructions are officials of the Railway. He has also stated that sanitation work is work of permanent nature. The Wage Register maintained by the Contractor used to be countersigned by the Railway official. This witness further admitted that WW3 was the Contractor for the work for a long period from 2004 to 2013 and that the workers under him were working continuously.

13. Now it is to be seen what are the documents available on the side of the petitioner. It could be seen from Ext.W1 to Ext.W5 that several representations were made to the authorities by the concerned workmen to regularize them in their job. Ext.W5 is a reply received from the concerned Minister stating that he will take up the matter with the authorities. Copies of Muster Rolls, Wage Registers, etc. available with Respondents 2 and 3 have been produced at the instance of the petitioner. These were produced based on an application filed by the petitioner. These documents marked as Ext.M2 to Ext.M5 are of the period from 2013 to 2016. Apart from these are the Muster Rolls and Wage Registers produced by the petitioner, of the period from 2013 to 2015 produced by the petitioner. A perusal of the Muster Rolls and Wage Registers marked on either side would reveal that the workmen involved have been working continuously for Respondents 2 and 3. Their name appears in these registers in continuity. The number of days they have worked in each month are shown in the registers. This would show that workmen have been doing the work continuously on all days throughout the year.

14. It is the case of the petitioner that the concerned workmen have been working for several years continuously and some of them have been there almost for 15 years. The documents during the period from 2013 only are available. However, evidence given by the witnesses, especially that of MW1 make up for the dearth of documents. MW1 has stated that the nature of work done by these workmen are continuous and perennial. Respondents 2 and 3 have put forth an extraordinary case in the Counter Statement that the workmen are only environment cleaners and not Sweepers and Scavengers. It is not clear what is the distinction attempted to be made out by Respondents 2 and 3. It has been admitted by MW1 that these workers are doing sanitation work such as scavenging, sweeping, etc. He has further stated that sanitation work in the Railways is a work which is permanent in nature. Even without the evidence of MW1 it is a matter of assumption that the Railway will require the help of workers for doing cleaning works such as sweeping,

scavenging, etc. on a daily basis. It is apparent from the evidence of MW1 and the documents available that the concerned workmen have been continuously working at least from the year 2013. It is clear from the evidence of WW3, the previous Contractor that he had been engaging the concerned workmen throughout and they have continued under the First Respondent also when she became the Contractor. WW3 has been the Contractor for the Second Respondent for a very long period starting from 2004 and was there until 2013. He has stated that in spite of the change of Contractor the same workmen continued to do the work throughout. He has further stated that those workmen who had been working under him are now working under the First Respondent also. This witness has stated that he used to maintain the required registers but those were destroyed in the flood that occurred in the year 2014. MW1 has admitted that WW3 was holding the contract from the year 2004 to 2014. He has further stated that it is only after 2013 the Railway had started to retain a copy of the Wage Register and Muster Roll prepared by the Contractor. Thus it is clear from the evidence of WW3 considered alongwith the evidence of MW1 that the same workmen continued to work in the establishment in the area of sanitation. This is the evidence given by WWs 1 and 2 as well. If the same names which find a place in the Wage Registers and Muster Rolls produced is taken into account the case that the same persons were doing work even earlier need not be doubted.

15. As admitted by MW1 and deposed by WWs 1 to 3 the concerned workmen were doing work which is continuous and perennial in nature. The Contractors used to be changed but the same workers continued. Certainly it is unfair labour practice on the part of the Respondents 2 and 3 in engaging the workmen for a long period without giving any benefits due to them if they had been employed on permanent basis.

15. It has been contended on behalf of the petitioner that the contract in the name of the First Respondent as well as other Contractors were only a camouflage so as to deny the benefits to the concerned workmen. According to WWs 1 and 2 the workmen were being supervised by the officials of Respondents 2 and 3 directly and they were directly under the control of those officials. This case is found proved by the admission of MW1 also. He has stated during his cross-examination that the officials under him used to give instructions to the Supervisor regarding sanitation work. This Supervisor who in turn will give instructions to the concerned workmen is also official of the Railway. Referring to Ext.W9 a copy of the Muster Roll of the period 2013-2014 MW1 has stated that it contains the signature of the Chief Health Inspector. A perusal of the other Muster Rolls would show that those also contain the signature of the officials of the Second or Third Respondents. Thus it is clear that the concerned workmen are directly being supervised by the Railway officials themselves. Of course, the evidence is that the Contractors were paying wages to the workers. These amounts used to be reimbursed by the Railways. The Contractor has been disbursing only the amount that was fixed by the Railway establishment. In such circumstance, the case of the petitioner that the contract with the First Respondents and other Respondents are sham and nominal is to be accepted.

16. The counsel for Respondents 2 and 3 have referred to the decision of the Apex Court in STEEL AUTHORITY OF INDIA LTD. AND OTHERS VS. NATIONAL UNION WATERFRONT WORKERS reported in 2001 7 SCC 1 to argue for the position that the contract labourers cannot claim regular absorption in Principal Employer's establishment. However, the same decision had laid down that if the contract is only a camouflage the workmen are to be treated as the workmen of the Principal Employer. In this respect the counsel for the petitioner has referred to the decision of the Apex Court in BHARAT HEAVY ELECTRICALS LTD. VS. STATE OF UP AND OTHERS reported in 2003 6 SCC 528. In this the Apex Court had upheld the finding of the High Court that the concerned contract workmen were under the direct employment and control of the Principal Employer and had directed reinstatement. The counsel has also referred to the decision of the Madras High Court in GENERAL MANAGER, BHARAT HEAVY ELECTRICALS LTD., RANIPET VS. CANTEEN WORKERS OF BHEL represented by Union reported in 2015 2 LLJ 12. Here it was found that BHEL Management is having complete and effective administrative control and supervision over the employees. The direction to absorb the workers had been upheld by the Hon'ble High Court. The High Court has relied upon the decision of the Apex Court reported in 2014 6 SCC 756 regarding the manner in which it is to be ascertained whether the establishment is having control and supervision over the workers. It has been reiterated that matters such as who appoints the workers, who pays the salary, who has the authority to dismiss, who can take disciplinary action, whether there is continuity of service, the extent of control and supervision, etc. are matters to be considered. In the present case it is very much clear that the concerned workmen have been in continuous service. They have been sweating for Respondents 2 and 3 though under the guise of a contract. The control and supervision was always with Respondents 2 and 3. So it is to be assumed that employer-employee relationship existed between the concerned the workmen and the Respondents 2 and 3. The contracts through which they were working were only camouflage meant to deny rights and benefits due to them. The concerned workmen are entitled to be regularized with Respondents 2 and 3.

17. WW2 has stated in the Proof Affidavit though the dispute is raised on behalf of 78 workmen, some of them are now not interested in pursuing the dispute. Ext.W7 contains the names of those workmen who wants regularization. Respondents 2 and 3 are to regularize them in service.

Accordingly an Award is passed as below:

The concerned workmen shall be deemed to have been in the service of Respondents 2 and 3.

The workers named in Ext.W7 shall be regularized in the service of Respondents 2 and 3 w.e.f. the date on which the dispute was raised before the Assistant Labour Commissioner.

Arrears of salary and other benefits due to them shall be paid within two months of publication of the Award. In default interest at the rate of 7.5% per annum is payable on the amount.

The reference is answered accordingly.

AWARD

This is an Industrial Dispute taken on file under 2(A) of the Industrial Disputes Act, 1947.

The averments in the Claim Statement filed by the petitioner are as below:

The petitioner joined the service of the Respondent Bank as Clerk-cum-Cashier in 1981. During the entire tenure of service the petitioner has an excellent record of service. Not even a single charge memo has been issued to him nor punishment given. The petitioner was holding the post of Senior Assistant when a Charge Memo has been issued to him. Eight charges were leveled against the petitioner alleging various misconducts. As per the Charge Memo, while working in West Tower Branch, Madurai the petitioner allegedly canvassed deposits for Non-Banking Finance Company (NBFC), had received a cheque for Rs. 35,000/- from an account holder for getting his housing loan sanctioned, had received a cheque for Rs. 1,18,230/- in favour of one Vignesh Marketing Company intended for purchase of machinery against a fabricated proforma invoice in the loan account of M/s Ayyappan Appalam and Chips but machinery was not supplied nor was money refunded, had prevailed upon one Subramaniam and opened account in the name of Vignesh Marketing at Pandian Grama Bank to encash the above cheque, had paid Rs. 5,000/- as commission to one Manrajan for encashing the cheque, had constructed a house at a cost of Rs. 41.00 lakhs without

availing housing loan from the Bank, had introduced a borrower by name Mahendra Varman and had made the bank authorities credit the loan amount to his account before creating equitable mortgage, resulting in the loan becoming NPA, and had transacted extraneous credits in his Savings Bank Account. The petitioner had submitted his explanation to the Charge Memo, but this was not accepted and domestic enquiry was conducted against the petitioner. The Enquiry Officer has found Charges 2 & 5 not proved, Charges 1 & 7 partly proved and Charges 3, 4, 6 & 8 proved. The petitioner had submitted his explanation on the enquiry report to the Disciplinary Authority. The Disciplinary Authority has accepted the findings of the Enquiry Officer and had dismissed the petitioner from service after a personal hearing. The domestic enquiry against the petitioner was conducted not in accordance with the principles of natural justice. There is no justification for the findings of the Enquiry Officer against the petitioner. There is no justification in dismissing the petitioner from service also. An Award may be passed setting aside the order of dismissal and ordering reinstatement of the petitioner in service with backwages and attendant benefits.

2. The Respondent has filed Counter Statement contending as below:

The petitioner was working as Special Assistant at West Tower Branch of the Respondent at Madurai. In the year 2010 it was noticed that the petitioner was not in the habit of working properly during the working hours. He was found to be talking on his cell phone and receiving a lot of visitors with whom he was transacting business totally unrelated to the business of the Bank. In December 2010 an anonymous complaint was received against the petitioner; Investigation was ordered in the matter and a report of investigation was given. While interrogating the concerned persons several irregularities resorted to by the petitioner surfaced. The allegations against the petitioner were that he was canvassing deposits for Non-Banking Finance Companies, he was taking illegal gratification for securing loans and was influencing the borrowers in misuse of the loans taken from the Bank. A Show Cause Notice was issued to the petitioner on 28.04.2011 leveling 8 charges and calling for his explanation. He gave reply denying the charges. On 15.06.2011 a Charge Sheet was issued to the petitioner and he was asked to submit his explanation. He has given his explanation reiterating his pleas in the earlier explanation. An enquiry was held into the charges. The Enquiry Officer has found that Charges 3, 4, 6 & 8 are fully proved and Charges 1 and 7 are partly proved. On 27.12.2012 the Disciplinary Authority passed orders dismissing the petitioner from service. The appeal filed by the petitioner against the dismissal was rejected. The petitioner had fully participated in the domestic enquiry and had availed all the opportunities given to him to defend his case. The enquiry was conducted in a fair and proper manner, in accordance with the principles of natural justice. Without prejudice to the stand of the Respondent that the enquiry is fair and proper, the Respondent may be permitted to lead evidence on the merits of the charges. The charges proved against the petitioner warranted punishment of dismissal. The Bank has lost confidence in the integrity and honesty of the petitioner. The petitioner is not entitled to any relief.

3. The petitioner has filed a rejoinder in answer to the Counter Statement, denying the allegations in the Counter Statement and reiterating his case in the Claim Statement.

4. Though the petitioner has raised a contention in the Claim Statement that domestic enquiry was not conducted in accordance with the principles of natural justice, the petitioner had later withdrawn this contention. He wanted the matter to be decided based on the materials that were brought in the enquiry proceedings. On the other hand the Respondent who has taken the stand that domestic enquiry was conducted in a fair and proper manner wanted to adduce evidence before this Tribunal to prove the charges against the petitioner. The petitioner filed IA 10/2015 before this Tribunal seeking to reject the request of the Respondent to lead evidence before this Tribunal and decide the ID. This Tribunal had rejected the request and had dismissed the IA. The Respondent has let in evidence before this Tribunal to establish its case on the charges leveled against the petitioner. The petitioner has also given evidence.

5. The evidence before this Tribunal is considered for adjudication of the dispute. The available evidence consists of oral evidence of MWs 1 to 3 and WW1 and Ext.M1 to Exts.M33 and Exts.W1 to Ext.W55.

6. **The points for consideration are:**

- (i) Whether the charges against the petitioner are established?
- (ii) Whether the action of the Respondent in dismissing the petitioner from service is justified?
- (iii) What, if any is the relief to which the petitioner is entitled?

The Points

7. The petitioner had been working as Special Assistant at West Tower Branch of the Respondent in Madurai in the year 2010 when disciplinary proceedings had been initiated against him for the alleged misconducts. The petitioner had joined the service of the Respondent in 1981. He has claimed at the outset of the Claim Statement itself that during his period of his service of 28 years till proceedings resulting in his dismissal from service has been initiated against

him, not even a single Charge Memo has been served on him, nor has he met with any punishment for misconduct. This claim of the petitioner has not been countenanced by the Respondent.

8. The case of the Respondent is that an investigation was done on the work of the petitioner in the Branch consequent to an anonymous complaint. One Dr. Santhanam has been asked to investigate into the allegations against the petitioner. The case is that various malpractices by the petitioner had come out consequent to the investigation and this has resulted in a Charge Memo having been issued to the petitioner. Out of the 8 charges that were leveled against the petitioner, two charges were found not proved. So there is no necessity to probe into these charges 2 and 5 which are found not proved.

9. The Enquiry Officer has found Charge No. 1 against the petitioner to be partly proved. This first charge reads that the petitioner has indulged in canvassing deposits for Non-Banking Financial Companies within the premises of the Bank and this amounts to gross misconduct in terms of Para-5(i) of Memorandum of Settlement dated 10.04.2002.

10. Clause-5(j) of the Memorandum of Settlement states that doing any act prejudicial to the interests of the Bank or gross negligence involving or likely to involve the Bank in serious loss is gross misconduct. Charges 2 to 7 in the Charge Memo are also described as gross misconduct coming under Clause-5(j) of the Memorandum of Settlement. Charge 8 is brought under Clause-5(a) of the Memorandum of Settlement. This refers to engaging in any trade or business by an employee outside the scope of his duties except with the permission of the Bank.

11. Now it is to be seen whether the first charge alleged against the petitioner is established by the Respondent. Apart from the documents the Respondent has relied upon the evidence given by the then Managers of the Bank examined as MW1 and MW3 and also MW2 who was the then Field Officer.

12. MW1 and MW2 did not speak anything about canvassing of the deposits by the petitioner. MW3 has given the details of the alleged canvassing in the Proof Affidavit submitted by him. He has stated that one Sundaram, a retired Professor has given a complaint against the petitioner on 10.10.2010 and this complaint provided the materials to establish nexus to the deposit canvassed by the petitioner. It is stated that he canvassed on behalf of Paazee Trading Inc., Tiruppur and Sugarthi Offshore Investment Pvt. Ltd., Madurai and Eversmile Traders Marketing Pvt. Ltd., Delhi. The documents said to be proving the canvassing of deposits are also marked through this witness. He has stated that the Registration Forms of Sugarthi Offshore Investments Pvt. Ltd. for Sri Sundaram and one Rajam were filled-up by the petitioner and this was confirmed by the forensic report also. He has further stated that one Dr. Narayanan of Madurai had invested Rs. 3.00 lakhs in Pazzee Marketing Company by three cheques of Rs. 1.00 lakh each. Sri Narayanan is said to have given a statement to the Bank complaining that the petitioner was canvassing for making deposits in Pazzee Marketing Company. It is also stated that Narayanan was made to invest in a Company by name Lakshya India, Mumbai and in another Company by name Manisangalp. Narayanan is said to have lost Rs. 3.60 lakhs on account of such deposits made as canvassed by the petitioner. The forms in the name of Dr. Narayanan are said to have been filled-up by the petitioner. In the column for signature of distributor in the deposit forms the name Poornisha which is the name of the daughter of the petitioner was shown and it is stated that this also would indicate the involvement of the petitioner in the affair. It is further stated that in the column for signature of referral the petitioner has signed, though the name shown is that of his wife Vijayalakshmi. A complaint is said to have been given by one Jyothi Jayakumar also during investigation by Santhanam.

13. It is pertinent to note that the charge itself does not refer to the details that were given by MW3 in the Proof Affidavit. The charge merely states that the petitioner had canvassed deposits for Non-Banking Finance Companies within the premises of the Bank. It does not state for which Companies the petitioner had been canvassing, who were the persons canvassed upon, on which dates this was done or what was the amount involved. If the Proof Affidavit of MW3 is taken into account all these have been revealed even during the investigation by Dr. Santhanam. However, none of these details were revealed in the Charge Memo making it impossible to the petitioner to meet the charges with entire details. In this respect the counsel for the petitioner has referred to the decision of the Apex Court in RASIKLAL VAGHAJI VAHI PATEL MOGHAJI PATEL VS. AHMEDABAD MUNICIPAL CORPORATION AND ANOTHER reported in 1985 1 LLJ 602. The Apex Court has held in the above case that it is well settled canon of penal jurisprudence that the workman sought to be charged for misconduct must have adequate advance notice of what action or what conduct would constitute misconduct. The particular misconduct alleged in the case was not enumerated in the Certified Standing Orders at all. In the present case the Respondent has just made a general statement that the petitioner indulged in canvassing deposits for non-banking financial companies. It is not even stated for which financial companies he had canvassed deposits. The details of this misconduct are not given at all. This has resulted in disadvantage to the petitioner in defending his case.

14. It was only during the enquiry proceedings and in the evidence before this Court the Respondent has let out the details of the alleged misconduct. Apart from the evidence given by MW3 the Respondent has relied upon certain documents also to establish the charge that the petitioner canvassed deposits. The basis for the enquiry officer finding that the Charge No. 1 was partly proved seems to be investment forms in the hand of petitioner and four debits in the

joint account of his petitioner and his wife, marked as Ext.M27. The Enquiry Officer has referred to the remittance of Rs. 3939/- on 10.04.2009, Rs. 7,026/- on 15.05.2009, Rs. 14,563/- on 09.06.2009, Rs. 15,227/- on 15.07.2009. These are remittances made from Lakshya India which according to the Respondent is a Non-Banking Finance company. The contention of the petitioner is that his wife has made deposit in Lakshya India and the amounts were remitted to the accounts towards interest. The Respondent also relies upon certain order forms of the Company by name Sugarthi Offshore Investment (P) Ltd., said to be a non-banking finance company. The case that is advanced is that the petitioner had been canvassing deposits for this and other companies.

15. The case of the Respondent is that the petitioner committed the major misconduct coming under Para-5(j) of the Memorandum of Settlement dated 10.04.2002 by canvassing deposits. To bring a misconduct under Clause-5(j) the Act alleged shall be prejudicial to the interests of the bank or gross negligence involving or likely to involve the Bank in serious loss. There is no case of negligence or likelihood of the petitioner involving the Bank in serious loss. The misconduct alleged if proved should be one prejudicial to the interests of the Bank. According to the Counsel for the petitioner if a person canvassed deposits for a Company or an establishment he must be an agent or an employee of that. It is stated that the Respondent has not produced anything to show that the petitioner had worked as a Agent or any commission was paid to the petitioner also. In fact the evidence does not refer to the direct involvement of the petitioner in the misconduct alleged.

16. The attempt of the Respondent has been to establish with reference to certain documents that the petitioner is involved in the matter and he had been stealthily canvassing deposits for other non-banking financial institutions while he was working in the Bank. The Respondent has referred to Ext.M20, Ext.M21 and Ext.M26 said to have been complaints received at the Bank against the petitioner regarding canvassing of deposits by him. It was brought out during the cross-examination of MW3 that these documents does not bear any proof of their receipt at the Bank on the dates alleged. MW3 has stated that he did not conduct any enquiry regarding these. Ext.M20 the complaint said to have been given by one Sundaram, a Retired Professor alleges that the petitioner had approached his mother Rajam and had canvassed deposits and other investments in other private financial companies under the pretext of getting more interest than from the Banks. It is further stated that on account of this advice of the petitioner she had invested money in Paazee Trading Inc. Tiruppur, Sugarthi Offshore Investments (P) Ltd., Madurai, Eversmile Traders Marketing (P) Ltd., Delhi and Ishwaryam Agency Co. Ltd. Pudukottai and that altogether an amount of Rs. 7.2 lakhs was deposited in this manner. It is further stated that some post-dated cheques were given towards interest and principal amount but those cheques were later taken back by the petitioner. The petitioner is said to have been paying interest to his mother but had stopped it after some time and it is because of this the complaint is made, it is further stated in the complaint. There is also Ext.M21 a complaint allegedly given by one Dr. Narayanan and Ext.M26 still another complaint given by Jyothi Jayakumar in the same lines. All these complaints were marked through MW3. The Respondent has not taken any steps to examine these complainants in the enquiry proceedings. Before this Tribunal also these complainants were not examined. The interesting aspect is that Sundaram and Narayanan gave evidence in the enquiry proceedings on behalf of the petitioner stating that the petitioner had not canvassed any deposits at all. According to them they were tricked to put their signature in Ext.M20 and Ext.M21 respectively by the Bank authorities. They have also produced affidavits stating that the petitioner did not canvass deposits from them and also about the circumstances under which they have signed Ext.M20 and Ext.M21. So far as the author of Ext.M26 is concerned he was not examined at all. The concerned affidavits are marked as Ext.W9 and Ext.W10 respectively.

17. The counsel for the Respondent has referred to certain judicial pronouncements to argue for the position that the complaints of the persons can be taken into account. According to the counsel the standard of proof required in a domestic enquiry is that of preponderance of probabilities only and there is nothing wrong in relying upon these complaints. The counsel has referred to the decision in *JDJ VS. MANAGEMENT OF STATE BANK OF INDIA AND ANOTHER* reported in 1982 1 SCC 143 in this respect. In this the Apex Court has relied upon a privy counsel decision which stated under what circumstances hearsay evidence is admissible. When the object of the evidence is to establish the truth of what is contained in the statement it is inadmissible but it is admissible when it is proposed by the evidence to establish not the truth of the statement but the fact that it was made. So far as the present case is concerned it is not disputed that Ext.M20 and Ext.M21 contained the signature of the concerned persons. However, these persons have denied the contents of these documents and have explained the circumstances under which these documents came into existence. When there are two contradictory statements regarding the same aspect it is a question to be considered which is the true one. When the authors of the statement themselves have stated that Ext.M20 and Ext.M21 are not based on facts the contents of the statements could not be relied upon, in the absence of some other evidence, to come to a conclusion that the facts stated in these statements are correct.

18. The counsel for the Respondent has also referred to the decision in *FOOD CORPORATION OF INDIA WORKERS UNION VS. FOOD CORPORATION OF INDIA AND ANOTHER* reported in 1996 9 SCC 439 in this respect. Here the Apex Court has held that the only question to be considered by the Industrial Tribunal was whether on weighing the probabilities the material placed was acceptable or rendered probable. It was a case where the Apex Court

had directed the Tribunal to identify the workmen who were to be benefited by the judgment. The Tribunal had gone beyond that and had entered a finding that the case of the petitioner is not “legally proved”. The observation was made in this context. The counsel for the Respondent has also referred to the decision in *STATE BANK OF INDIA AND OTHERS VS. TARUN KUMAR BANERJEE AND OTHERS* reported in 2000 8 SCC 12 where it was held that a customer of the Bank need not be involved in the domestic enquiry conducted as such a course would not be conducive to proper banker-customer relationship. The decision was referred to justify the non-examination of the complainants. Reference was also made to the decision of the Apex Court in *G.M. (OPERATIONS) STATE BANK OF INDIA AND ANOTHER VS. PERIASAMI AND ANOTHER* in Civil Appeal No. 10942/2014 where it was again held that standard of proof that must be employed in domestic enquiries is in fact that of preponderance of probabilities.

19. In answer the petitioner has referred to a set of legal pronouncements. In the decision in *HARDWARI LAL VS. STATE OF UTTAR PRADESH AND OTHERS* reported in 2000 2 LLN 69 (SC) it was held that the non-examination of the complainants was not proper. Reference was also made to the decision in *ROOP SINGH NEGI VS. PUNJAB NATIONAL BANK AND OTHERS* reported in 2009 2 SCC 570 wherein it was held that purported evidence collected during investigation by the Investigation Officer against all the accused by itself could not be treated to be evidence in the disciplinary proceedings. The witnesses having not been examined to prove the documents but the Management having merely tendered the documents those documents could not be treated as evidence, it was held. In the absence of proof of the complaints through the concerned persons the contents of these documents could not be accepted.

20. Reference was also made to the decision in *LIFE INSURANCE COPORATION OF INDIA AND ANOTHER VS. RAMPAL SINGH BISEN* reported in 2010 2 LLN 581 where it was held by the Apex Court that mere marking of exhibit on a document does not dispense with its proof, even in a departmental enquiry. In the decision in *M.A. SUBRAMANIAN VS. DY. GENERAL MANAGER, CANARA BANK* reported in 2000 2 LLN 308 the Madras High Court has held that statements of persons marked in evidence without examining the concerned persons should not have been acted upon. There is also the decision in *PADMAIAH VS. UNION OF INDIA* represented by Ministry of Home Affairs reported in 2006 1 CTCOL 306 (MAD) that failure to examine the person who made the complaint has prejudiced the petitioner.

21. In the present case the Respondent has not examined the complainants. Apart from this is the fact that the complainants themselves have stated that they did not make any statement to the effect that the petitioner had canvassed deposits.

22. It is to seen whether the attempt of the Respondent to pinpoint the petitioner with the first charge based on certain investment forms has succeeded. Ext.M22 to Ext.M25 were referred to by the counsel for the Respondent in this respect. These are order forms in the name of Paazee Marketing Company, in the name of Vimala Narayanan and Narayanan. It was brought out during cross-examination of the petitioner that the name of his daughter is Poornisha. The order forms contain the name of Poornisha in the column for signature of the distributor. The argument that is advanced is that this is signature put by the petitioner and that he is the one who has canvassed deposits as per these forms. It is difficult to accept the contention that on the basis of this name alone the petitioner is to be found to be the one who has canvassed deposit on the basis of these order forms.

23. Ext.W33 is another document that was relied upon by the Respondent. This contains a copy of registration forms filled up in the name of Rajam and Sundaram. The petitioner has admitted during his cross-examination that these forms are filled up in his hand. According to the petitioner these were filled up at the instance of Rajam. In these forms the referral agency is shown as Poorni Associates. The address of this agency is shown as in the same lane as that in which the petitioner is residing. It is the definite case of the petitioner that he has nothing to do with Poorni Associates. Merely because he has filled up the form is it possible to come to the conclusion that it is as canvassed by him that these deposits were made? The material available on the part of the Respondent is not sufficient to come to the conclusion that the petitioner had been canvassing deposits.

24. The third charge against the petitioner is that he had received the banker's cheque for Rs. 1,18,230/- in favour of Vignesh Marketing issued towards purchase of machinery against fabricated proforma invoice in the loan account of Iyyappan Appalam and Chips. Machinery was not supplied nor was money refunded. The fourth charge is in fact is a continuation of Charge No. 3. This states that with a view to encash the cheque in favour of Vignesh Marketing the petitioner prevailed upon one Subramanian and obtained his introduction and opened an account in the name of Vignesh Marketing in Pandian Grama Bank. It has been pointed out on behalf of the petitioner with reference to Charge No. 3 that this also is vague in so far as it does not mention from whom the petitioner had received the banker's cheque, how the petitioner, an employee of the bank was to supply the machinery, etc. The Enquiry Officer has found the charges proved on the basis of the complaint letters given by Sundararajan, the Proprietor of Iyyappan Appalam and Chips marked as Ext.M14 and Ext.M16 and the complaint letters of Manrajan, the Proprietor of Vignesh Marketing marked as Ext.M18 and Ext.M19. Neither Sundararajan nor Manrajan were examined by the Respondent. MW1 who was the then Manager has stated that the original of Ext.M16 allegedly given by Sundararajan was taken back by him but she has obtained Ext.M16 photocopy before it was taken back. MW3 has stated that Ext.M14, a complaint showing

the year 2010 was obtained not by him but by somebody else. The complaint which was allegedly taken back was given in 2008. Ext.W12 was produced on the side of the petitioner as the denial letter of Manrajan. What is stated in this is that he himself has received the cheque in person from Sundararajan. This fact is found true from the evidence of MW3. He has state during the cross-examination that the banker's cheque issued by the Bank was credited to the account of Vignesh Marketing on 15.06.2007 the amount was withdrawn in three spells and the withdrawals were by cheque. He further stated that the cheques have been of Vignesh Marketing. Sundararajan has not been repaying the loan and the bank has filed a civil suit against him for the recovery of the amount. The Enquiry Officer has entered a finding against the petitioner on the ground that Ext.W12 the letter given could not be acted upon and is to be ignored. However, even if Ext.W12 is not acted upon a finding could not have been given on the basis of the letters given by Sundararajan and Manrajan in the absence of examination of these persons. There is nothing to show that the petition has received the cheque or has appropriated the amount as per the cheque.

25. To come to a finding regarding Charge No. 4, Ext.M18 the complaint letter by Subramanian who is said to have introduced the account holder and Ext.M19 the letter by Manrajan are relied upon. The lacunae referred to in respect of other complaints exist regarding the complaint of Subramanian also. As could be seen from Ext.M5 the account of Vignesh Marketing at Pandian Grama Bank was opened on 22.02.2007. The cheque referred to in Charges 3 and 4 was issued only subsequently on 11.06.2007. The contention that the petitioner had received the cheque and had opened account in Pandian Grama Bank to facilitate withdrawal of the cheque amount is not established.

26. The sixth charge against the petitioner is that he had constructed a house at a cost of Rs. 41.00 lakhs without availing housing loan and without any known source of income. The petitioner has stated in his explanation to Ext.W1 the memo itself how he had constructed the house. He had stated that Rs. 15.00 lakhs came out of the proceeds of the old house, Rs. 10.00 lakhs as contribution from his three brothers, another Rs. 10.00 lakhs came from the tenants for occupying the first floor and Rs. 6.00 lakhs came from the personal savings of his spouse and from gold loans. He has further stated that the property is owned by him and his wife and that in the absence of a valid parent document he did not seek loan from the bank. It is not known in what manner the petitioner has caused prejudice to the interests of the Bank by constructing the house. The evidence reveals that at the time of his dismissal he was getting salary of more than Rs. 50,000/- a month. The petitioner has produced the Sale Deed in respect of the old house. The property in which the house the constructed is in the joint name of the petitioner as his wife, as seen from Ext.W18, the Property Tax Receipt in the name of the petitioner and his wife. Ext.W20 is the letter written by the petitioner to the Bank seeking permission to sell his old house. He has stated in this that his brother has agreed to purchase this ancestral house so that the sale proceeds could be utilized for construction of the new house. Ext.W19 is the letter by the petitioner to the Bank to release his title deeds on the basis of which he has earlier availed housing loan. Ext.W1 to Ext.W23 are the Income Tax Returns of petitioner's wife showing that she is also having some income. Ext.W48 is the copy of the Sale Deed in respect of the ancestral house. Ext.W50 shows that the petitioner's wife had obtained Gold Loan of about Rs. 4.5 lakhs. Ext.W49 is a lawyer notice addressed to the wife of the petitioner stating that she had obtained a hand loan of Rs. 1,60,000/- for construction of a building that the cheque issued for the amount has been dishonored and she is to pay the amount forthwith. In the light of the above documents and the evidence of the petitioner it is difficult to accept the case of the Respondent that the petitioner had no resources to construct the house. Charge No. 6 also is found not proved.

27. The seventh charge against the petitioners is that he had introduced one Mahendrarvarman as a Borrower and had requested to credit the balance loan amount to the borrower's account and the amount is credited but the borrower could not be traced, the loan amount has become non-performing asset and the Bank has suffered monetary loss and thereby the petitioner has committed gross misconduct.

28. There is the evidence given by MW1 who was the then Branch Manager that the Field Officer, Rajagopal had disbursed housing term loan of Rs. 5,50,972.00 by crediting to the account of the borrower Sri Mahendrarvarman at the instance of the petitioner who had introduced the borrower for opening the account. Rajagopal the Field Officer was examined as MW2. According to his Proof Affidavit there was a campaign to appraise the members of the public about various types of loans offered by the Bank. The petitioner had introduced Mahendrarvarman who wanted to avail housing loan for purchasing a house from one Velammal. Mahendrarvarman who was accompanied by the petitioner placed before him the Sale Deed executed in favour of Velammal and he advanced Rs. 2.00 lakhs payable to Velammal on the strength of this document. A pay order for Rs. 2.00 lakhs was issued in favour of Velammal. Though the normal procedure for sanction of loan is to pay the entire consideration directly in favour of the Vendor and get the Sale Deed registered and also create single mortgage regarding the property as well as obtain a Demand Promissory Note for the purpose, on the basis of assurance given by the Mahendrarvarman that he borrowed Rs. 5.80 lakhs through other sources and paid it directly to Velammal, he credited the balance loan amount to the SB Account of Mahendrarvarman. However, Mahendrarvarman repaid only Rs. 3.00 lakhs, the balance amount had become non-performing asset. On later enquiry by him and MW1 they came to know from Velammal that she had not sold the property to Mahendrarvarman.

29. As could be seen the charge is that it is the petitioner who had introduced Mahendrarvarman who had committed fraud by getting the amount remitted in his account rather than paying it to the Vendor and this is misconduct on the part of the petitioner. Ext.W34 is the account opening form of Mahendrarvarman. Admittedly the petitioner had introduced Mahendrarvarman for opening the account. The case of the petitioner is that it was at the instance of MW2 he had introduced Mahendrarvarman. According to him he has not persuaded MW2 to have the amount deposited in the account of Mahendrarvarman. It is stated in the Proof Affidavit of the petitioner that even if he had persuaded MW2 to have the amount remitted in the account of the Borrower, he should not have been carried away by this or obliged him.

30. Even from the evidence of MW2 it could be seen that a Traders' Meet was held to attract Borrowers. Ext.W11 is the Attendance Sheet showing the names of the participants of the meet. It shows that Mahendrarvarman had participated in this meet held on 07.07.2007. MW2 himself had admitted that Mahendrarvarman had participated in the meet. The case of the petitioner is that he is not the one who brought Mahendrarvarman as a Borrower but he had approached the Bank consequent to the Traders' Meet. Ext.W35 is the loan sanction letter in respect of Mahendrarvarman on 20.09.2007. Ext.W36 is the loan account statement of Mahendrarvarman and Ext.W37 is his SB Account Statement. Ext.W34 which is the account opening form is on 05.10.2007 much after the loan was sanctioned. It is not the case of the petitioner introducing Mahendrarvarman as an account holder and the Bank sanctioning loan to him subsequently. Though the case of the Respondent that everything was done at the instance of the petitioner, the documents reveal otherwise. Ext.W6 is the letter given by Mahendrarvarman on 05.10.2007 on which date the account was opened requesting to issue a draft for Rs. 2.00 lakhs against the housing loan sanctioned for Rs. 7.80 lakhs. On the basis of this the Bank has issued draft in favour of Velammal, the Vendor, as seen from Ext.W7. There is no case for the Respondent that the so-called Vendor did not receive the amount. Ext.W8 is the letter given by Mahendrarvarman to the Branch Manager requesting to credit the balance amount of Rs. 5.80 lakhs to his SB Account. It is on the basis of this letter which is given on the day immediately after the date of opening the account that the amount has been credited to the SB Account of Mahendrarvarman. This also was done on the same date. There is no case for the Respondent that the petitioner has anything to do with the physical act of remittance of the amount to the account of Mahendrarvarman. The only case is that it is on the assurance of the petitioner that the amount has been remitted.

31. The admission by MW2 regarding the entire transaction with Mahendrarvarman would show that himself and MW1, the Manager were callously negligent and had flouted the instructions while obliging Mahendrarvarman to have the amount remitted in his account. MW2 was working as Field Officer in the Bank. He has stated that he has satisfied himself that Mahendrarvarman's account was in compliance with the KYC norms. He further stated that he will not be making any recommendation to sanction loan while sending loan application to the Regional Office. His recommendation would only be regarding KYC norms. Mahendrarvarman had submitted residential proof and Income Tax Returns and he was satisfied of the resources of Mahendrarvarman. He stated that he is not the one who is to do field inspection in respect of the loan of Mahendrarvarman. That was to be taken care of by the Zonal Office. According to him the Branch will only make a formal interview of the Borrower before forwarding the application to RACPC which is to sanction the loan. It is stated that the Branch Manager had signed the loan application on the basis of the note made by him. He again stated that Branch Manager also will not be making any recommendation while forwarding the loan application. The sanction of the loan was done by RACPC and not by the Branch. The Sanction Order itself states that the loan shall be disbursed directly to the Vendor. MW2 stated that this instruction was followed on 05.10.2007 on which date draft for Rs. 2.00 lakhs has been issued in the name of Velammal. He further stated that in Ext.W8 by which Mahendrarvarman had requested to credit the balance amount to his account he has made an endorsement asking to release the amount. The Sale Deed was not registered before the amount was released. He then admitted that loan amount should not have been released before registration of the Sale Deed. The usual practice was that a representative of the Bank would follow the lender to the Registration Office and Demand Draft would be handed over immediately after the Sale Deed is registered. Again, a simple mortgage as required was not obtained also.

32. What is apparent from the evidence of MW2 and the documents is that the Respondent did not comply with the norms while sanctioning and granting loan to Mahendrarvarman. The Sale Deed was not got executed before releasing the loan, simple mortgage was not created by retaining the title deed, nor was a demand promissory note got executed. Apart from this, against the norms, a major part of the loan amount has been released to Mahendrarvarman himself rather than to the Vendor. The entire thing is put on the petitioner on the ground that he is the one who introduced Mahendrarvarman. Even assuming that the petitioner had given an assurance of the financial condition of Mahendrarvarman or his credibility, was it proper on the part of the Bank to release the amount against the norms? Neither MW1 nor MW2 were expected to oblige the petitioner even if he had suggested something out of the way in granting the loan. Again, it is not MW1 or MW2 which sanctioned loan but some other officer. So petitioner's influence on MW2 could not have been of any consequence. The petitioner has nothing to do with the sanction of the loan nor the release of the amount. So the charge by the Respondent that it is the act of the petitioner that caused loss to the Bank could not be accepted.

33. The last charge is that the petitioner has transacted certain extraneous credits in his Savings Bank which would amount to gross misconduct in terms of Para-5(a) of the Memorandum of Settlement. Though it is stated in the charge

that the details of the extraneous credit are given in the annexure enclosed, no such enclosure is seen alongwith the Charge Memo which is marked as Ext.W3. The Respondent has also not cared to produce the annexure. The Enquiry Officer has referred to four remittances. In his finding as extraneous deposits. He has stated that these deposits are credited with the narration Lakshya India Points in the Savings Account of the petitioner. It is on this basis he found that the charge is proved. Ext.W31 is the credit summation of the account of the petitioner. The transaction during the period is for Rs. 7,03,621/-. Though during cross-examination the petitioner has wrongly stated that this is for the period from 04.04.2009 to 12.12.2009 during re-examination, referring to the statement, he has stated that it is of a longer period i.e. of the period from 04.04.2009 to 09.03.2012. It could be seen from the statement that some amount had been transferred from the salary account of the petitioner. Then there are transfers from the Dena Bank Account to the joint name of the petitioner, his brother and mother. Then there is transfer by way of SBI Dividend, DD cancellation proceeds, etc. About Rs. 50,000/- are cash deposits effected on various dates. According to the counsel for the Respondent except the explanation regarding transfer from salary account, SBI dividend and IT refund order the other entries cannot be taken to be legitimate credit entries. According to the counsel the petitioner might have received illegal gratification or extraneous income through his relatives and later got it transferred in his name. However, it is for the Respondent to establish that these are remittances of such extraneous income received through relatives. Such suppositions cannot be made on account of total dearth of evidence in this respect.

34. The four entries related to Lakshya India, according to the petitioner are the earnings of his wife. Income Tax Returns of his wife marked as Ext.W21 to Ext.W23 and Ext.M52 to Ext.M54 are referred to in this respect. It is apparent from Ext.W15, bonus statement of Lakshya India that the wife of the petitioner has deposited in Lakshya India. The account in question is in the joint name of the petitioner and his wife and not in his name alone. It has been pointed out on behalf of the petitioner that the remittances of Lakshya India having come to the Bank the vouchers in respect of this would have been available in the Bank and these documents would have shown in whose names these amount were remitted to the account. There is nothing to show that these remittances have come to the account on behalf of the petitioner. So the charge on this count also is to be rejected.

35. It could be seen that the Respondent has totally failed in its attempt to establish the charges against the petitioner. In the enquiry proceedings witnesses were examined and some documents were produced. Even though the petitioner has taken the stand that he is not challenging the fairness of the enquiry, the Respondent wanted to adduce evidence before this Tribunal. In spite of getting another opportunity to establish the case, the Respondent was not able to gather the witnesses' or bring the relevant documents to support the charges. On the basis of mere surmises and conjectures finding of guilt could not be entered. The Enquiry Officer has entered a finding on the basis of unacceptable evidence and unreliable documents. The findings of the Enquiry Officer is without any basis. The petitioner is entitled to an order as prayed for.

On the basis of the above discussion an Award is passed as below:

The Respondent is directed to reinstate the petitioner in service within a month of publication of the Award, with 75% backwages and other benefits. Arrears of wages due shall be paid within a month of the publication of the Award. In default the amount will carry interest at the rate of 7.5% per annum from the date of the Award.

AND

The Chief Works Manager
Loco Motive Workshop
Charbagh
Lucknow (U.P.) 226001

AWARD

1. By order No. L-41011/31/2000-IR(B-I) dated 15.02.2001 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub section (1) and sub section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between Branch Secretary, Uttar Railway Karmchhari Union, Lucknow and the Chief Works Manager, Loco Motive Workshop, Lucknow for adjudication.

2. The reference under adjudication is:

“WHETHER THE ACTION OF THE MANAGEMENT OF THE NORTHERN RAILWAY LOCO WORKSHOP CHARBAGH, LUCKNOW IN MERGING THE SENIORITY OF ELECTRIC POH SHOP WORKER WITH OTHER SHOPS HAVING DIFFERENT NATURE OF WORKS, UNDER PRESSURE OF TWO RECOGNISED UNION I.E. NORTHERN RAILWAY MAZDOOR UNION AND UTTAR RAILWAY MAZDOOR UNION IS ILLEGAL AND UNJUSTIFIED? IF YES, WHAT RELIEF THE WORKMEN ARE ENTITLED TO?”

3. As per the claim statement w-1, the petitioner union has stated in brief that the workmen performing their duties in Electric Loco POH shop, have been working there since 1985-86 and seniority was being maintained separately, their promotional avenue was based purely on the basis of record maintained for Electric Shop only but in the year 1999 the opposite party proposed to merge the seniority of other Shops with Electric Loco POH and finally took place w.e.f. year 2000 thereby seniority of different shops (mentioned in para 2) was merged with the Electric Loco POH and it has adversely affected the prospects of the promotion of the workmen working in Electric POH Shop. It has been alleged that merger is unjust illegal and contrary of existing Railway Rules and it was done under pressure of two recognized union namely, NRMU and URMU. The said merger was materialized to extend benefits to individuals by

adopting “pick and choose policy” which resulted in supercession in disguise to the workmen. With the aforesaid pleading prayer has been made to declare the said merger is illegal and unjustified, and worker of Electric Loco POH being held entitled for promotion in higher grade from the date it was due according to the seniority position in case there would not have been any merger with others.

4. The management while strongly denying the allegations leveled in the claim statement, has filed written statement M-7 dated 14.5.2001 wherein it has been asserted that the management promote the workmen on the basis of Rules/Policy governed by the Railway Board, and the diesel and Electric POH activities were introduced in the year 1975 and 1985 respectively to redeploy the surplus staff within the unit for which instructions were issued time to time by the Head Quarter office as well as Railway Board. The opposite party has stated the seniority of workmen of different shop were ascertained on the basis of policy framed vide letter dated 29.4.2000 and POH activities of the Steam Engine has completely been stopped now, so staff has become surplus and they have to be deployed with other activities/shops, in such circumstances the Railway management deployed the surplus staff in other shops having separate seniority group and it was done keeping in view the instructions of the Railway Board.

5. The management has stressed that the applicant union is not a recognized union in the Railway Administration and it has got no right to raise the Industrial Dispute before this Tribunal moreover, Railway Administration had earlier consulted two recognized union viz. URMU and NRMU, joint meeting took place and decision was taken jointly for smooth functioning keeping in mind the promotions of the workmen. This industrial dispute has been raised by the union for his own recognition without any right/title vested. Had no point of time “Pick and Choose Policy” was ever followed by the management and the Rules were framed by the Railway Board have got legal weightage and no one can disobey the same. Joint decision was taken in accordance with the discussion held in a joint meeting on 22.6.1999 for the promotion and supervision matter of the staff. The opposite party has alleged the claim statement to be misconceived and bad in the eyes of law. With the aforesaid averments, opposite party has requested to reject the claim statement and to adjudicate the matter in its favour. The management has filed certain documents as per list M-8 dated 14.5.2001.

6. With the strong denial of the facts mentioned in the written statement, rejoinder W-3 has been filed by the petitioner union alongwith list dated 30.7.2001 enclosing there with certain documents.

7. The workmen have filed affidavit W-5 of Sri J.P. Sharma in its evidence. He has been thoroughly cross examined on behalf of the management. Further certain documents were filed by the workmen alongwith affidavit W-6.

8. Application C-31 dated 17.10.2003 has been filed by the petitioner union alongwith annexures.

9. Opposite party has again filed certain documents as per list M-10 dated 4.3.2002.

10. In evidence affidavit of Sri Siya Ram, SPO, M-11 has been filed by the management alongwith certain annexures/master circular etc. Subsequently affidavit alongwith annexures was also filed by Sri Siya Ram, SPO, The witness was cross examined on behalf of the workman.

11. Arguments of both the parties have been heard at length. Record has been scanned thoroughly.

12. The petitioner union has alleged that a legal merger was undertaken by the management, due to pressure of other Railway Employees Unions and thereby seniority in promotion of several workmen was adversely affected their promotion to higher grade could not be materialized. The management has denied this allegations, and has asserted that in order to re-deployed the surplus staff an action was initiated by the management under the guidelines and policy formulated by the Railway Board. The surplus staff was deployed in other shops having separate seniority group and as per rules recognized railway employees union were duly consulted and joint meeting also took place. The management has emphasized that “**Pick & Choose Policy**” was never followed. Rules framed by the Railway Board were adhered to.

13. The management has relied upon the following citation;

2002 SCC (L&S) MC Bhargava and others Vs Union of India and others page 1021.

Learned AR for the workman submits that the aforesaid Rulings does not apply to the effects of the present case. Reference was made by the Learned AR for the workman regarding order dated 25.01.2005 passed by Hon’ble CAT, Chandigarh in Review Application 54/2004 (OA No.512-NR/2004) Jasmer Singh Vs Union of India and others. Learned AR for the opposite party asserts that this citation does not help the version of the workman taken in the matter in issue.

14. The petitioner Sri JP Sharma in his cross examination dated 22.10.2001 has admitted that URMU is a registered union further he has admitted that NRMU is recognized and registered union under the Northern Railway and while negotiating the settlement both the recognized union were duly represented and procedure for cadre merger and

promotion was formulated accordingly. In last para he has admitted that although his union is registered but it is not recognized.

15. Letter dated 22.9.1999 and the matter considered in the presence of recognized union representatives and railway authorities, are very crucial and can not be ignored. This development is admitted to both the parties. Joint meeting held on 22.06.1999, admitted to both the parties has got legal effect on the seniority and promotional matter of the effected employees. Master Circular issued by the Northern Railway is binding on the officers of the management and employees as well. Directions given by Hon'ble Supreme Court in the M.C. Bhargava Case (Supra) is binding on both the parties and has to be followed in its true spirit.

16. After having heard both the parties at length, and perusal of the record available in the light of the pronouncement of Hon'ble Supreme Court, it is inferred that the alleged action of the management in merging the seniority of Electric POH Shop worker with other Shops can not be adjudged as illegal and unjustified. There is no evidence any undue pressure of two recognized unions, as alleged by the petitioner. Therefore the petitioner union is not entitled to any relief.

17. Award accordingly.

AWARD

This award is directed against a reference with the schedule “Whether the action of the State Bank of India management by terminating the service of Mr. Gopal Tandi after serving in the same Bank for 16 years is justified? If not, what relief the workman is entitled to?” made by Government of India in the Ministry of Labour vide its letter No. L-12012/165/99/IR(B-II), dated 05.08.1999 in exercising its authority conferred under section 2-A of Section 10 of the Industrial Disputes Act (herein-after referred to as “the Act”) in the event of a dispute arose between the Management of State Bank of India and Shri Gopal Tandi claiming to be a workman of the Management.

2. It is the claim of the disputant workman that he was engaged as a temporary Messenger on daily wage basis with effect from 1.1.1982 in the Titilagarh branch of the Management-Bank after being selected in an interview of the candidates sponsored by the Employment Exchange. He worked as such with a break of few days in between 1.1.1982 to April, 1997 when his service was refused which amounts to retrenchment as defined under the Act. According to him he was in continuous and uninterrupted service of 240 days in a 12 calendar months just prior to his alleged termination. As no notice pay and compensation as contemplated under section 25-F of the Act was paid to him, his retrenchment is not legal and justified. It has been further asserted that the Management prepared a list of such temporary Messengers working on daily wage basis and categorized them as per days of their engagement in a year. Such temporary Messengers engaged for more than 240 days in a year were categorized in Group-C. The Management-Bank invited applications from such temporary category of Messengers and others for regularization of their service against regular posts and accordingly an interview of candidates was held and being eligible for regularization he was also empanelled in the merit list prepared after the said interview held in the year 1990. Before the said list was exhausted, the Management-Bank invited fresh applications and conducted interview again in the year 1993 and regularized services of other temporary messengers junior to him and fresher. Though he worked for more than 240 days in a calendar year, the Management did not comply the provisions of Section 25-F and 25-H and 25-N of the Act while retrenching his service. Hence, prayer has been made in the statement of claim of the disputant workman that he should be reinstated with all back wages and other consequential service benefits and his service should be regularized.

3. The Management-Bank has contested the claim of the disputant workman taking a stand that he was never appointed as a temporary Messenger at any point of time. He was also never assured of regularization of such service. At times he was engaged as a daily casual labour on the need basis. In no point of time his engagement was not more than 240 days in a year. There was no relationship of “Industry” and “Workman” between the Bank and the disputant workman as defined under the Act. Hence, question does not arise for compliance of any provisions of the Act. The posts of Messengers and other same category sub-staffs are filled up in accordance to the recruitment rules and guidelines of the Management-Bank and as such there was no occasion to give any appointment in any capacity to the disputant workman. It has been further contended on behalf of the Management that the disputant workman and some others in similar footings were allowed to participate in an interview held for filling up the regular vacancies available in the various branches of the Management-Bank. Though, the disputant was empanelled in the merit list for his absorption against regular vacancy of sub-staff, he could not be absorbed as vacancies did not reach to his Sl. No. in the merit list and the validity of such merit list was lapsed on 31.3.1997. The Management-Bank has also pleaded that as per the settlements reached out between the Bank and its Employees Federation, the daily wagers engaged in various branches of the Bank were called to attend the interview held for appointment against vacancies of sub-staff. The disputant having been called to attend the interview for his absorption against regular vacancy was a party to the above settlements and having accepted the settlements he is estopped to raise a dispute for his alleged disengagement as well as regularization of his service. It is also the stand of the Management-Bank that the disputant had preferred a writ bearing O.J.C. No. 6787/1997 before the Hon’ble High Court of Orissa on the same cause of action and the said writ having been dismissed on merit, the Tribunal has no jurisdiction to adjudicate the matter. According to the Management his engagement/employment, if any, was on the basis of daily casual labour, such engagement does not confer any right on the him to claim any relief or to raise a dispute under the Act. Thus, the Management has insisted for dismissal of the statement of claim preferred by the disputant workman.

4. On the aforesaid pleadings of the parties issues mentioned below have been framed for adjudication of the dispute under reference.

ISSUES

1. Whether the action of the management in terminating the services of the second party is legal and/or justified?
2. Whether the second party rendered 16 years of service? If not, what is the extent of his continuous employment with the first party?
3. To what relief, if any, the second party is entitled?

5. The disputant workman and the Management have examined one witness each in support of their respective pleadings and filed documents like xerox copy of the notification in the year 1988, copy of the employment notice dated 26.12.1979 of Employment Office, Titilagarh, copy of the notice for interview dated 10.12.1983, copy of the notice through news paper advertisement published in the year 1988, copy of the panel prepared by the Management, copy of the letter to the workman by the Regional Manager, Bolangir, copy of the letter dated 18.1.1990 to him, copy of letter of the Management regarding recruitment of Messengers, copy of the letter dated 18.1.1990 issued to him, copy of the particulars of service rendered by the workman as Messenger in temporary capacity in the branch-Bank of Titilagarh, copy of the order passed in 6786/1997 by the Hon'ble High Court of Orissa, and copy of the norms for sanction of Messengers staff marked Ext.-1 to 12. The Management has proved and exhibited the documents like copy of the settlement dated 17.11.1997, copy of the settlement dated 16.7.1988, copy of the settlement dated 27.10.1988, copy of the settlement dated 9.1.1991 and copy of the settlement dated 30th July, 1996 marked Ext.-A to E to rebut each others claim.

FINDINGS

ISSUES NO. 1, 2 & 3

6. For the sake of convenience all the issues are taken up together.

At the outset it is to be mentioned here that the schedule of the reference made by the Government in regard to the dispute is totally silent on the regularization of service of the disputant workman, though a claim has been put-forth by him in his statement of claim on a stand that services of some other daily wagers having worked lesser period than him and engaged subsequent to him were regularized by the Management-Bank. It is well settled that Industrial Tribunal/Labour Court constituted under the Act is a creature of that statute. It acquires jurisdiction on the basis of reference made to it. Hence the Tribunal is to confine itself within the scope of the subject-matter of the reference and cannot travel beyond the same. In that view of the matter the reference being confined to the determination of legality of alleged termination of the disputant workman and the relief to which he is entitled to in case of the retrenchment being found illegal and unjustified. I do not feel it just and proper to examine the aspect of regularization of service as claimed by the disputant workman. Further, the Management-Bank has consistently pleaded that the disputant is not a "workman" of the Management-Bank as defined under the Act and as such, it is felt necessary to address the said issue first. Though, the Management has denied to have engaged the disputant as a temporary Messenger at any point of time, it has been admitted in the written statement that the disputant workman was employed by its branch as a casual daily labourer as and when required. It is also emerging from the evidence and pleadings of the parties that such casual daily wagers were categorized in three groups basing upon their length/period of engagement in different calendar years. The disputant workman having engaged/worked for more than 240 days in a year in different periods was categorized in Group-C and he was called to the interview for his permanent absorption against the regular vacancy of the Management-Bank. In order to covered by the term "workman" as defined under the Act, the disputant is only required to be employed in an "Industry" in whatever capacity may be to do manual, unskilled, skilled, technical, operational, clerical or supervisory work for hire or reward. Having been engaged in the Management-Bank either on daily wage basis or as a casual temporary Messenger on a specific remuneration and the dispute being related to his discharge, the pleadings and submissions advanced by the Management-Bank cannot be accepted. It is to be noted here that as per the settled principle a person, in order to be a "workman" is not required to be employed in a substantive capacity or on a temporary basis in the first instance or after he found suitable for the job or after a period of probation. It is well settled that every person employed in an "Industry", irrespective of his status, be it temporary, permanent or of a probation would be a "workman". In that view of the matter, the stand taken by the Management that the reference is not maintainable due to want of relationship of "employer and employee" or "industry" and "Workman" has no force.

7. The maintainability of the reference is also challenged by the Management on an assertion that there were agreements/settlements from time to time between the Management-Bank and Employees Federation of the

Management by virtue of which it was decided that regular vacancies of Messengers and other similar categories of sub-staffs would be filled up by extending opportunity to the daily wagers also to attend the interview held for appointments against such vacancies in the Bank. Such daily wagers, who were engaged for more than 240 days in a year, were categorised in "C" Group and they were called to the interview for their absorption against the regular post available with the Management-Bank and accordingly a merit list of such candidates/daily wagers was prepared. It is the case of the Management that such empanelment was valid up to 31.3.1997 as per the settlement reached out between the Management-Bank and the Federation. The disputant workman being in Sl. No. 28 in the merit list of the year 1991 could not be absorbed within the stipulated time as vacancies were not available and the merit list having been lapsed due to completion of the validity period, the service of the disputant workman could not be regularized. The disputant workman had preferred a writ before the Hon'ble High Court for his absorption vide O.J.C. No. 6786/1997 and the same having been dismissed on merit, the 2nd party-workman is debarred and estopped to raise the present dispute. It is also vehemently contended that being a party to the settlement by virtue of which the disputant workman was called to attend an interview for his absorption and being enlisted in the merit list, he is also debarred from raising a dispute for his disengagement as a casual daily wager. In this regard reliance has been placed on the settlements marked as Ext.- A to E and the certified copy of the order/judgement of the Hon'ble High Court dated 18.9.1998 passed in the O.J.C. No. 6786/1997. Mere perusal of the settlements it is emerging that the settlements were related to the rights of casual workers engaged in various branches of the Management-Bank for consideration of their claim to participate in the interview held for appointments against regular posts of Messengers and sub-staffs. Nowhere in those agreements/settlements it was agreed that daily wagers like the disputant workman would be disengaged and they cannot raise any dispute for their such disengagement. The settlements being drawn under different facts and circumstances is no way relevant to the present dispute. Besides, no evidence is brought by the Management to the record to show that the disputant workman was a member of such Federation and being a member of the Federation he is bound by those settlements and he is debarred from raising the present dispute relating to his disengagement or retrenchment as defined under section 2(oo) of the Act. Similarly on a reading of the judgement/order of the Hon'ble High Court in O.J.C. No. 6786/1997 it is apparent that disengagement/retrenchment of the disputant workman in violation of the provisions of Section 25-F of the Act was not an issue before the Hon'ble High Court. Absorption/regularization of service of the disputant workman was the subject-matter of the dispute before the Hon'ble High Court. Hence, the decision of the Hon'ble High Court in the above Writ cannot be a res-judicata to the present reference. Thus, the contention advanced by the Management regarding non-maintainability of the reference has no force to stand.

8. The next issue raised by the Management is that the disputant workman was engaged in the branch-Bank on the basis of a daily labourer as and when required. His engagement was intermittent and never exceeded for more than 240 days in a year. The workman having been failed to establish through clinching and credible evidence regarding his continuous employment/engagement for more than 240 days in a preceding calendar year is not entitled to any relief. On the other hand the workman has categorically asserted that he worked for more than 240 days continuously and uninterruptedly in several years and before his retrenchment in April, 1997 he worked for more than 240 days in the calendar year preceding to his retrenchment/termination of his service. In this regard law is well settled that the claimant-workman is to lead evidence to show that he was appointed/employed/engaged by the Management and he had infact worked for 240 days in the year preceding to his termination. Filing of an affidavit as his own statement cannot be regarded sufficient evidence for any court or Tribunal to come to a conclusion that a workman had infact worked for 240 days in a year, If no other clinching and credible evidence like proof of receipt of salary or wages for 240 days or order or record of appointment or engagement for this period was produced by the workman or any other circumstance are available to reach such conclusion. When such initial burden of proof regarding engagement of the workman for more than 240 days in a calendar year is discharged by the workman, the Management is required to rebut the same. Coming to the case at hand it is seen that the disputant-workman has categorically stated in his evidence that he was engaged temporarily on daily wage basis to discharge the duty of Messenger and he was working as such in between the year January, 1982 to April, 1997. According to him he worked for more than 240 days in several years. It is also his specific claim that he was in the job continuously and uninterruptedly for 240 days in a calendar year preceding to his alleged retrenchment/termination. His such assertion in his oral testimony is no way demolished by his cross examination and the same is found support from a chart furnished by the Bank showing particulars of service rendered by the disputant as Messengers in temporary capacity at Branch Bank of Titilagarh marked as Ext.-10. That apart, the Management-Bank has pleaded as well as advanced evidence that temporary casual/daily wagers engaged in the branches of the Bank while being called to attend interview for the posts of Messengers and sub-staffs were categorised into three groups. The daily wagers, who worked for more than 240 days in a year were included in Group-C category. It is emerging and not seriously disputed that the disputant workman was categorized in Group-C for the purpose of interview held for his absorption against regular posts of Messenger. Be that as it may, he can safely be presumed to have worked for more than 240 days continuously in a calendar year in the Management-Bank prior to his alleged retrenchment. Being engaged as a casual/daily wager to discharge the duty of Messenger, he was not expected to have been issued with any appointment letter. In the above situations, the rebuttal evidence should have been

produced by the Management-Bank to establish that the disputant workman did not work for more than 240 days in twelve months calendar year preceding to his alleged disengagement/retrenchment. Being the custodian of all papers relating to temporary and intermittent engagement of the disputant workman, the Management could have produced the papers relating to his engagement before this Tribunal and established that in no point of time the disputant workman worked for more than 240 days continuously. Hence, adverse inference can be drawn on the plea of the Management that the Management-Bank was not required to comply the provisions of Section 25-F of the Act as he had not worked for more than 240 days continuously preceding to his retrenchment.

9. There is no dispute at all from the side of the Management-Bank that the workman was refused employment as a daily wager from the month of April, 1997 and before such disengagement he was not paid any statutory dues as contemplated under section 25-F of the Act i.e. notice pay and compensation. The disengagement of the workman being covered by the term “retrenchment” as defined under section 2(oo) of the Act without compliance of statutory dues as contemplated under section 25-F of the Act would be automatically held illegal and unjustified.

10. Now coming to the relief to which the disputant workman is entitled to, it is seen from the pleadings and evidence of the parties that the workman was in service of the Management-Bank for about sixteen years and at the time of his alleged disengagement/retrenchment he was over-aged and ineligible to enter into any service either in Government organization or semi government organization. No evidence has been adduced by the Management to establish or to suggest that the disputant workman was in employment elsewhere after his alleged retrenchment. As pre-condition for a valid retrenchment has not been satisfied, the termination of service is ab-initio void, invalid and inoperative in the instant case. As a matter of principles such termination being illegal and inoperative, the workman is deemed to be in continuous service. It is well settled that if termination of service is void ab-initio, there is no question of granting of reinstatement because there is no cessation of service and a mere declaration regarding such retrenchment being void ab-initio and illegal the workman seems to be in service with all consequential service benefits. Undoubtedly it has been settled that the Tribunal/Court before granting reinstatement must weigh all the facts and exercise discretion properly whether to grant reinstatement or to grant compensation. There is also catena of decisions which rule that where the termination is illegal and ineffective, there is neither termination nor cessation of service and declaration to that effect follows that the workman concerned continues in service with all consequential benefits. Having regard to the facts and circumstances of the case and the settled principles I find that it is a fit case to reinstate the disputant workman with all back wages and other consequential benefits and the back wages is to be paid on the basis of provisions of the Minimum Wages Act. The order is to be implemented within one month from the date of its publication in the official gazette.

The Central Government, Ministry of Labour & Employment, vide its Order No. L-12012/45/2015-IR (B.I) dated 24.03.2015 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is :

“Whether the action of the Management of Karur Vysya Bank regarding the dismissal of service of the petitioner, Sri J. Srinivasan is justified or not? If not, to what relief the workman is entitled?”

2. On receipt of the Industrial Dispute this Tribunal has numbered it as ID 36/2015 and issued notices to both sides. On receipt of notice both sides entered appearance and filed Claim and Counter Statement respectively. The petitioner has filed rejoinder in answer to the Counter Statement.

3. The averments in the Claim Statement filed by the petitioner are as below:

The petitioner had joined the service of the Respondent Bank in the year 1991. He was working in Kanchipuram Branch of the Bank at the time when he was dismissed from service. The cash and cheque books received at the Branch from the Stationery Department of the Head Office would be placed in the Safe Room. The Cheque Books as well as cash and other valuable items kept in the Safe Room would be in the joint custody of two Officers. The stock of stationery items including the cheque books would be entered in the Stock Register and kept inside the Safe Room. Whenever cheque books are required for the branch the joint custodians would open the Safe Room and take out the required number of cheque books. They would hand over the cheque books to the Section Officer in the Branch after which the Section Officer would be responsible for the safe custody of the cheque books. When a request is made for cheque book by the customer he would be issued with a cheque book. Before issuing the cheque book the Section Officer would direct the Sub-Staff to affix seal showing the account number of the customer in each leaf of the cheque book. Then the cheque book would be handed over to the concerned Clerk. He would verify the account number and enter the details of the cheque leaf numbers in the computer. This would be entered in the Cheque Issue Register also. It would then be handed over to the concerned Section Officer. The Section Officer would verify and cross-cheque the entries, get the signature of the customer in the Cheque Issue Register and put his own signature before issuing the Cheque Book. The Respondent had appointed Direct Selling Agent (DSA) through an outsourcing agency to increase the number of customers and volume of business. The DSA has to bring the account opening forms and other documents and the amount to be remitted as initial deposit to the Respondent and hand over the same to the Section Officer. The Section Officer would be verifying all the papers. Account would be opened only with the approval of the

RPC. It is RPC who assign account number to the customer. One Devarajan was appointed as DSA in Kanchipuram Branch in the year 2006. The joint custodian of the cheque books for Kanchipuram Branch at this time were Srinivasan, the Deputy Manager and Murali, Officer. Sri Jayaraman was the Branch Manager. Once the cheque books were taken out and handed over to Sri Murali, the Section Officer, he would be in custody of the cheque books. DSA Devarajan was very close to Murali. He was provided a seat near the seat of Sri Murali. Utilizing his easy access with the Section Officer Devarajan seems to have taken out cheque books without any account and also without making any entry either in the system or in the Cheque Issue Register and had given them to many customers. He seems to have collected money from the customers who opened their accounts through him but had not deposited their amounts in the accounts. When swindling of customers money by Devarajan was detected he was asked to remit Rs. 2.06 lakhs. Accordingly, he had remitted the amount. The Respondent did not give any Police Complaint against Devarajan. However, he was terminated from service. The Bank did not take any action against him. The petitioner has no connection with Devarajan and is not involved in the fraud or misappropriation committed by him. The petitioner was placed under suspension on 30.04.2009 and a charge memo was issued to him on 18.06.2009 leveling 11 charges against him. As per the charges the petitioner had issued cheque books to the customers without following the rules and procedure by stealthily removing the cheque books from the Branch for monetary consideration singly and jointly with Devarajan and had cheated the Bank and helped customers to avail credits from Private Financial Institutions using the cheques. It is also alleged that the petitioner colluded with Devarajan to conceal the fraud and paid Rs. 50,000/- to Devarajan so as to be remitted in the account of customers. It was further alleged that on advise of the petitioner Devarajan had remitted Rs. 5,500/- only in the account of Venkatakrishnan rather than remitting Rs. 6,000/- which was the actual amount entrusted with him and thus misappropriated Rs. 500/-. The petitioner had submitted explanation to the charges stating that he had no role in the fraud and misappropriation committed by Devarajan. Without accepting explanation enquiry was conducted against the petitioner. Enquiry conducted was not in a fair and proper manner. On the basis of the report of the Enquiry Officer holding that the charges are proved the petitioner was dismissed from service on 01.06.2011. The appeal preferred by the petitioner against the order of the Disciplinary Authority on 15.07.2011 was disposed only on 27.02.2014, confirming the punishment of dismissal from service. The Industrial Dispute is raised accordingly. The charges leveled against the petitioner are vague and not specific. The allegations made against the petitioner are without any basis. The petitioner has not committed any misconduct as alleged. There is no justification for the dismissal of the petitioner from service. An Award may be passed holding that the dismissal is unjustified and the Respondent may be directed to reinstate the petitioner in service with continuity of service, backwages and other attendant benefits.

4. The Respondent has filed Counter Statement contending as below:

During the period from September 2008 to March 2009 the instructions to be followed on opening account and issuing cheque books were not strictly adhered to by Kancheepuram Branch. There was also the unapproved practice of debiting the cost of cheque leaf to the account and honoring the cheque when cheque from a stolen cheque book is presented. This was detected during the annual branch inspection. In January 2009 it came to light that 633 cheques were returned on the ground that the cheques were not issued. Complaints were received from account holders that there was shortage in remittance of cash which was given to DSA, Devarajan. On enquiry with Devarajan he admitted the shortage, gave a statement with details of the accounts in which there were shortage and also remitted Rs. 1.60 lakhs in two instalments towards the shortage. On enquiry with Devarajan it was noticed that he was taking illegal gratification from persons who wanted to open SB Accounts, get cheque books and avail loan from non-banking financial companies based on cheque leaves so obtained. During the course of investigation it was revealed that the petitioner had given Devarajan Rs. 50,000/- through the Jewel Appraiser. It became apparent that the petitioner had struck a deal with Devarajan so that Devarajan would approach people who wanted loans from non-banking finance companies promising them instantaneous issue of cheque books at the time of opening of SB Account for which he would demand some amount. Thus, the petitioner was arranging unauthorized issue of cheque books. A Charge Sheet was issued to the petitioner and enquiry was conducted. On the basis of the report of the enquiry the petitioner was dismissed from service. The Senior Officers of the Bank, Jayaraman, Srinivasan and Murali were also subjected to disciplinary proceedings and awarded punishment for irregularities committed by them. The petitioner is not entitled to any relief.

5. The petitioner has filed rejoinder denying the allegations in the Counter Statement and reiterating his case in the Claim Statement.

6. The evidence in the case consists of oral evidence of WW1 and documents marked as Ext.M1 to Ext.M39.

7. **The points for consideration are:**

- (i) Whether the dismissal of the petitioner from the service of the Respondent is justified?
- (ii) What, if any is the relief to which the petitioner is entitled?

The Points

8. The petitioner who was working as Sub-Staffer at Kanchipuram Branch of the Respondent Bank was dismissed from service on the basis of an enquiry report against him on 01.06.2011. The Respondent has placed 11 charges against the petitioner by the Charge Sheet which is marked as Ext.M1. The charges leveled are as below:

- (i) You have without authority issued cheque books to SB Account Holders without the knowledge of the Manager/Officers.
- (ii) You have even failed to follow the systems and procedures for issue of cheque books.
- (iii) As per the instructions from the Manager cheque books should not be issued for new account holders, opened less than 3 months, without his permission, but you have issued cheque books without authority to even account holders whose accounts were opened within 3 months.
- (iv) The cheque books were issued by you without entering the details in the cheque book issued register.
- (v) Cheque books which are taken from the safe every day in the morning for issuing to the customers are kept in the table very near to the seat usually occupied by you. You used to stealthily remove the cheque books from there and issued to customers by writing the account number manually in the cheque leaves without permission from any of the customers.
- (vi) You obtained monetary consideration from the customers for the unauthorized issue of cheque books. You used to give an amount between Rs. 100 and Rs. 200 to the Direct Selling Agent for each account out of the amount thus received by you.
- (vii) You have singly and also alongwith the then Direct Selling Agent of the branch, Mr. G. Devraj demanded and received bribe from the SB customers towards cheque books thus issued by you unauthorizdly.
- (viii) You have misutilized the Banks security cheques, issued cheque books to SB account holders who are not otherwise eligible to get the cheque books, issued cheque books without permission or authorization, issued cheque books without permission or authorization, issued cheque books without entering in the cheque book issue register and after obtaining illegal monetary consideration. You have thus cheated the Bank as well as the customers.
- (ix) The cheques were utilized by the parties for issuing to other financial institutions for availing credits from them, which were mostly returned when presented in clearing for the reason "insufficient funds". Thus your above unauthorized and illegal acts resulted in defaming our banks name among those financial institutions and Banks which presented the clearing cheques, as so many cheques of our customers were returned for the reason "insufficient funds".
- (x) Mr. G. Devarajan was the Direct Selling Agent of our Kancheepuram Branch appointed by M/s Peoples Point, Coimbatore, the service provider. He had misappropriated cash to the tune of Rs. 2.06 lakhs from those persons who opened SB accounts for the period between 12.09.2008 to 11.03.2009. You connived with him and shared the amount thus misappropriated by him. Whenever officials from our Chennai Divisional Office visited the branch to enquire about the above misappropriation, you used to contact the Direct Selling Agent and enquire whether he had revealed your involvement in the affair. You also pleaded to the Direct Selling Agent Mr. Devarajan to take full responsibility of the misappropriation. When the above DSA himself admitted to have misappropriated the amount, you have given him an amount of Rs. 50,000/- with intention to conceal your name from coming out in the fraud. You have been ensuring every time from the Direct Selling Agent that he has not revealed your part in the fraud whenever some enquiry was done by the Bank with the Direct Selling Agent Mr. Devarajan.
- (xi) Mr. S. Venkitakrishnan (A/c No. 1138.172.533) had handed over an amount of Rs. 6,000/- to the Direct Selling Agent Mr. Devarajan as advised by you on 20.02.2009 towards initial deposit in the new account at the time of giving account opening form. The Direct Selling Agent Mr. Devarajan remitted Rs. 5,500/- only in the Bank out of Rs. 6,000/- given by Mr. S. Venkitakrishnan and misappropriated the balance of Rs. 500/-. You had only advised the Direct Selling Agent Mr. Devarajan to remit less amount of Rs. 5,500/- when he asked for Rs. 500/- from you, stating that the party is well known to you.

Your aforesaid acts amount to criminal offences of misappropriation, cheating the Bank and customers, taking bribe and involve moral turpitude.

For the above said allegations 1 to 9, you are charged as per clause 5(k) of Bi-partite settlement dated 10.04.2002 on Disciplinary Action & Procedure therefor as under:

“Taking illegal gratification from customers of the bank”

If the above said allegations are proved, you are liable to be imposed with any of the punishments indicated in clause-6 of the said bi-partite settlement.

9. Though the charges are 11 in number, they are connected to each other. Charges 1 to 4 could be considered in one group and Charges 5 to 8 in another group. The other charges could be considered separately.

10. The gist of charges 1 to 4 put together is that the petitioner has issued Cheque Books to SB Account Holders without the knowledge of the Officers and without following the required procedure. As per Charges 5 to 8 the petitioner stealthily removed certain cheque books and issued them to the customers unauthorizedly by accepting illegal gratification and shared the amount with DSA, Devarajan who was in connivance with him. Charge 9 is to the effect that the cheques so issued by the petitioner were dishonored thus defaming the Bank. As per Charge 10 the petitioner had parted with Rs. 50,000/- with Devarajan so that he will not reveal the part played by the petitioner in the entire affair. Charge 11 is to the effect that Devarajan had accepted Rs. 6,000/- from a customer for opening an account but remitted only Rs. 5,500/- in the account and misappropriated the balance amount of Rs. 500/- and this was done as advised by the petitioner.

11. Ext.M2 is the explanation given by the petitioner to Ext.M1-Charge Memo served on him. As pointed out by the counsel for the Respondent the petitioner has admitted in his explanation that he used to issue cheque books which according to him was to known customers only. He has stated that though this work was not within his duty he was doing it with the consent of his superiors, at the time of pressure of work. He has added that he has not been issuing cheque books or handling them as enumerated in Charges 1 to 4.

12. In the Counter Statement it is stated that the petitioner had role in unauthorizedly issuing cheque books to new SB account holders. However, it is not specified in the Counter Statement how the alleged malpractice was carried out by the petitioner. The only statement is that during September 2008 to March 2009 the Kancheepuram Branch was not adhering to instructions regarding cheque books and there was also a practice that when cheque from a stolen cheque book is presented. If there was balance in the account, the cost of cheque leaf would be debited to the account and the cheque would be honoured. In spite of this matter having been detected during the annual branch inspection this irregularity continued. It is further stated that in January 2009 it came to light that 633 cheques were returned on the ground that cheques were not issued. There is also reference in the Counter Statement to the complaints received from the account holders regarding shortage in the remittance of cash which was given to the DSA, Devarajan. There is the further statement that the petitioner had arranged to give Rs. 50,000/- to Devarajan after short remittance by him was detected and he was asked to make good the amount. It is further stated that during investigation the petitioner had admitted to the Investigating Officer that cheque books were kept in a drawer near the Cash Officer to which the petitioner had access and the petitioner had pleaded with Devarajan not to implicate any of the staff for irregularity. It is again stated that on piecing together the circumstances it became apparent that the petitioner had struck a deal with Devarajan that he should approach people who wanted to avail vehicle and other loans from Non-Banking Finance Companies, promising them of instantaneous issue of cheque books at the time of opening SB account for which he would demand an extra price. The petitioner was thus collecting extra amount by arranging for unauthorized issue of cheque books, it is stated. As could be seen, the Counter Statement does not specify in which manner the petitioner has been issuing the cheque books unauthorizedly, without complying with the same.

13. The petitioner is only a Sub-Staff and is not expected to make entries in the Register, issue cheque books or do any work other than that of a Sub-Staff. In spite of that even as admitted by the petitioner in Ext.M2 he was issuing cheque books to the customers. However, the Counter Statement does not state whether the cheque books were put in his possession, in what manner he was issuing the cheque books, etc.

14. What is the evidence available in this respect? In the enquiry proceedings the petitioner has examined the Investigating Officer as MW1. His evidence is to the effect that he had gathered material showing involvement of the petitioner in the affair. Mostly, the material consists of statements obtained from different persons including the Officers of the Bank. The question is whether these are sufficient to prove the charge of unauthorized issue of cheque books by the petitioner.

15. The other Officers who were examined are MW2 and MW3. So far as MW2 is concerned he has joined as Manager of Kancheepuram Branch only after the incident. He was there at the time of investigation conducted by MW1. According to him, the statement of the petitioner was obtained by MW1 in his presence. MW2 is not competent to speak anything about the alleged issue of cheque books by the petitioner since he was not there at the time of the incident.

16. MW3 is the Officer who had been at the Bank at the time of the incident. This witness also is said to have witnessed the petitioner handing over his statements which are marked in the enquiry proceedings to MW1.

17. It is seen from the admission made by MW3 during his cross-examination in the enquiry proceedings that he was one of the joint custodians of the stock like Cheque Books in Kancheepuram Branch. He has stated that only the Manager can authorize opening of accounts. He has stated that the Cheque Issue Register was not updated for some time in the Bank. It is also apparent from his admission that he instructed Devarajan, the DSA who is not an employee of the Bank to all to print Pass Books for newly opened accounts. At the time he would state that he did not provide the password either to Devarajan or to the petitioner. However, even as admitted by him he was keeping the system open to facilitate issue of Pass Books to customers. According to him, this was being done under the supervision only. He was not putting his initial in the Cheque Book Issue Register though he was expected to do it. He had even provided a seat in his cabin for Devarajan, the DSA. Thus it could be seen from the admission of MW1 that he was freely allowing Devarajan to deal with his system which should have been kept under lock and key.

18. There is no evidence available at all to show that the petitioner had issued cheque books against the norms. His mere admission in his explanation that he has been issuing cheque books does not amount to an admission that he has been issuing cheque books against the norms and without the knowledge of his superior Officers. He has specifically stated in Ext.M2 that he has not committed the misconduct alleged against him.

19. Documents are produced to show that MW3 and other Officers at the Bank at the time of the incident were proceeded against the punished though nominal punishments were only given to them. Ext.M37 is the Articles of Charge against Jayaraman, the then Manager of the Bank alleging that he has failed to discharge his duties. Charge No. 7 against him is that on outsourcing the cheque books suspicious entries were seen in the Cheque Issue Register and on enquiring with Devarajan he has informed that the signatures in the Register were made by him. Charge No. 11 states that Srinivasan, the petitioner and Devarajan had confessed that they have given cheque books to various customers for pecuniary benefits. Then, as per Charge No. 12 Devarajan has confessed embezzlement of more than Rs. Q2.00 lakhs by not crediting part of the initial deposit to the newly opened Savings Account. It is pointed out by the counsel for the petitioner that in view of Charges 7 and 12 itself the petitioner is liable to be exonerated of the charge against him since the charges against him and Devarajan are contradictory. Ext.M38 is the Articles of Charge against the Deputy Manager of the period. Ext.M39 is the charge against MW3. The charge states that as a joint conclusion of the instruments he had not followed the instructions regarding their custody. It is pointed out by the counsel for the petitioner that MW3 being a co-accused alongwith the petitioner in the whole affair his evidence could not be acted upon. Certainly, the evidence of MW3 who had a part in the whole affair is to the prejudice of the petitioner and there is impropriety in relying upon this evidence to nail the petitioner with the guilt.

20. The case of the Respondent is that so many cheque books were issued unauthorizedly by the petitioner without complying with the norms. The Respondent has just give a statement of the cheques said to have been dishonoured when they were presented at the Bank. However, there is nothing in evidence to show that any of these cheque leaves were issued by the petitioner. What is stated in the Counter Statement is that Devarajan has admitted that the Cheque Issue Registers contain his signature. It is not specifically stated in the evidence which are the cheque books that were issued by the petitioner and which are the cheques that were dishonoured. The Respondent has put forth a case that the account numbers were being entered by the petitioner in his hand itself. However, there is no evidence even in this respect. Devarajan, the DSA has admitted his guilt in the whole affair and has been terminated from his position as DSA. If so, how can the responsibility be put on the petitioner? The charges remain un-established.

21. The charges enumerated as 5 to 9 are that the cheque books were stealthily removed by the petitioner, that he obtained consideration from the customers for issue of cheque books and used to share the amount with Devarajan, the DSA. The fact of issue of cheque books without complying with the norms, without entering in the Cheque Book Issue Register, etc. are referred to in these charges also. However, these are already dealt with under Charges 1 to 4. Is there any evidence to show that the petitioner had been receiving illegal gratification from the customers? There is no direct evidence from any of the Officers of the Bank regarding this. The counsel for the Respondent has been largely relying upon the different statements said to have been made by Devarajan, the DSA in this respect. Devarajan has not been examined in the enquiry proceedings. Can the statements allegedly made by him be relied upon to enter a finding against the petitioner In the absence of his being examined in the enquiry proceedings? It is to prove the authenticity of the statements also MW2 was examined. There is also the evidence given by MW1, the Investigating Officer that Devarajan had given the statements that are marked in the enquiry proceedings as his statements. It is pointed out by the counsel for the petitioner that even though Ext.M17 and Ext.M18 are said to be statements given by Devarajan, these two are in two different hands. On a perusal of these two documents it is very much apparent that Ext.M17 is in one hand while Ext.M18 is in another hand. There is also Ext.M25 marked as statement of Devarajan.

22. Can such statements be acted upon in the absence of examination of the giver of the statement? The counsel for the petitioner has referred to the decision of the Apex Court in CENTRAL BANK OF INDIA LTD. VS. PRAKASH CHAND JAIN reported in 1969 2 LLJ 377 in this respect. In the above decision the Apex Court has held:

“The principle that a fact sought to be proved must be supported by statements made in the presence of the person against whom the enquiry is held and the statements made behind the back of the person charged are not to be treated as substantive evidence is one of the basic principles which cannot be ignored on the mere ground that domestic tribunals are not bound by the technical rules or procedure contained in the Evidence Act”.

23. The counsel has also referred to the decision in KULDEEP SINGH VS. COMMISSIONER OF POLICE AND OTHERS reported in 1999 2 LLN 74 in this respect. It was a case under the Delhi Police Act. The rule under the Act stated that witnesses shall be examined direct and in the presence of the accused who shall be given opportunity to cross-examine them. It further postulates that if the presence of any witness cannot be procured without undue delay his previous statement could be brought on record. It was found that this was not complied with in bringing the statement on record. The Apex Court has held:

“Reasonable opportunity contemplated by Article-311(2) means hearing in accordance with the principles of natural justice under which one of the basic requirements is that all the witnesses in the departmental enquiry shall be examined in the presence of the delinquent who shall be given an opportunity to cross-examine them. When a statement previously made by a witness either during the course of the preliminary enquiry or investigation is proposed to be brought on record in departmental proceedings the law as laid down by this Court is that a copy of that statement should be supplied to the delinquent who should thereafter be given an opportunity to cross-examine that witness”.

24. In the present case so many statements purportedly given by Devarajan are relied upon by the Respondent. However, the said Devarajan was not brought as a witness in the enquiry proceedings. The petitioner is prejudiced to a great extent in so far as he was not able to check the genuineness of the statement or truth of the statements by cross-examining the maker of the statements.

25. The counsel for the petitioner has also referred to the decision in LIC OF INDIA AND ANOTHER VS. RAMPAL SINGH BISEN reported in 2010 3 LLJ 57 SC in this respect. In the above case it was held:

Mere admission of document in evidence does not amount to its proof. In other words mere marking of exhibit on a document does not dispense with its proof which is required to be done in accordance with law”.

No doubt the statements of Devarajan were marked through MW1 and MWs 2 and 3 also have spoken about it. But these itself do not vouchsafe the authenticity of these statements. Those documents could not be relied upon to enter a finding as the petitioner had no opportunity to challenge the contents statements by cross-examining the author of the statements.

26. What remains are the statements purportedly given by the petitioner to MW1 during investigation and marked as Exts.M19 and M24. MW2 and MW3 had stated during their evidence that these statements were given by the petitioner to MW1 in their presence. Can misconduct be fastened upon petitioner based on Exts.M19 and M24? Ext.M19 contain two statements, one is in the form of a statement itself and the other is in form of answer given by the petitioner to MW1. What the first statement mainly contains is that Devarajan had asked him to give Rs. 50,000/- and he had given the money through one Vivekanandan. It is further stated that he had told Devarajan to see that no one is caught in the affair and had advised him to admit that he had given cheques to the customers. There is the further statement that he had received Rs. 100/- from 10 customers each whose names and other details are not known to him. The statement does not contain the signature of the petitioner. In the other statement which is in the form of question and answer which is also on the same date, it is stated that the petitioner used to make entry in the Pass Book when he was asked and for this purpose the computer used to be switched on for him. He has then stated that he had received Rs. 100/- as gift from unidentified persons. Ext.M24 is mainly about payment of Rs. 50,000/- to Devarajan which is to be dealt later in detail. On a perusal of Ext.M19 nothing could be made out to show that the petitioner had received amount from the customers to whom he had issued cheque books, in connivance with Devarajan. There is also the fact that Devarajan was the one responsible for the deficits in the account and had admitted it and had made good the amount also. On the basis of the statement purportedly made by the petitioner alone the charge could not be found established. The counsel for the petitioner has referred to the decision in M.V. BIJLANI VS. UNION OF INDIA AND OTHERS reported in 2006 5 SCC 88 in this respect. In the above decision the Apex Court has held:

“Disciplinary proceedings being quasi criminal in nature there should be some evidence to prove the charge. Although the charges in a departmental proceeding are not required to be proved like a criminal trial that is beyond all reasonable doubt, it cannot lose sight of the fact that the Enquiry Officer performs a quasi judicial function who upon analyzing the documents must arrive at a conclusion that there had been preponderance of probability to prove the charges on the basis of materials on records. By doing so, he cannot take into consideration any irrelevant fact. He cannot refuse to consider the relevant facts. He cannot

shift the burden of proof. He cannot reject the relevant testimony of the witnesses only on the basis of surmises and conjectures”.

So far as Charges 5 to 8 are concerned there is absolutely no evidence other than the statements purportedly given by the petitioner. The signature of the petitioner does not appear in any of the statements. Even assuming that the statements were given by him the so-called admissions made in the statements are so vague on the basis of which finding of guilt could not be drawn. If admission of guilt is to be accepted it should be supported by some supportive evidence. Such evidence is totally lacking in the present case.

27. What is stated in Charge No. 9 is that the leaves from the cheque books given by the petitioner were utilized by the parties to issue cheques to other financial institutions for availing credits from them, that the cheques were returned due to insufficient funds and the act of the petitioner resulted in defaming the Bank among the financial institutions and banks which presented the cheques for encashment. In the absence of proof of Charges 1 to 8 there is no question of the petitioner being found guilty of this charge.

28. What is stated in Charge No. 10 is that Devarajan had misappropriated Rs. 2.06 lakhs belonging to those persons who had opened SB Accounts for the period between 12.09.2008 and 11.03.2009 and the petitioner who had connived with Devarajan had shared the amount thus misappropriated. The only reason for leveling this charge against the petitioner is that he had arranged payment of Rs. 50,000/- to Devarajan. The case of the Respondent is that this was done with the intention to conceal the part of the petitioner in the fraud.

29. In his explanation marked as Ext.M2 the petitioner has stated that he did arrange an amount of Rs. 50,000/- from one Vivekanandan, a customer with good intention. According to him, Devarajan had approached him for financial help and had agreed to repay the amount within a short time and he had helped him on humanitarian grounds.

30. MW5 who is the loan appraiser of the Bank has been examined in the attempt to prove Charge No. 10. MW5 has stated that during March 2009 Devarajan had approached him for cash. He told him that was not having enough funds and had offered to arrange funds from Vivekanandan who usually lends money to outsiders. According to him, he had told Devarajan that he will get money from Vivekanandan if the petitioner recommends it. The petitioner is said to have made recommendation and Vivekanandan had paid money to be given to Devarajan. MW5 stated that when Devarajan approached him the petitioner was elsewhere. Thus the evidence of MW5 is only supplementing the case of the petitioner that he was just helping Devarajan who was in financial constraint. The version in Ext.M24 the statement said to have been given by the petitioner is that he got money from Vivekanandan and this was paid to Devarajan and this returned after a few days. Even assuming that the petitioner himself paid the amount to Devarajan it could not be treated as proof of connivance of the petitioner with Devarajan in his misdeeds. The Respondent had suspected that the act of the petitioner in helping Devarajan in getting the amount is the result of his connivance with Devarajan. Such suspicion could not take the place of truth. Materials available are not sufficient to establish the charge.

31. The last charge is that one Venkatakrishnan who has been examined as MW6 in the enquiry proceedings had handed over Rs. 6,000/- to Devarajan towards initial deposit for a new account but Devarajan had remitted only Rs. 5,500/- in the account and has misappropriated the balance amount of Rs. 500/-. The charge against the petitioner is that it is on advice by the petitioner that Devarajan remitted a lesser amount in the account and utilized the balance amount for himself. The very charge itself has no legs to stand in so far as the only allegation is that the petitioner had ill-advised Devarajan. There is no case that any part of the amount was appropriated by the petitioner.

32. The evidence given by MW6 totally disproves charge leveled. According to this witness he is an old customer of the Bank and was having good rapport with the petitioner. When he went to the Bank to open SB Accounts in the name of his wife and Mother-in-Law the petitioner was not in the Bank. He had telephoned the petitioner and the petitioner had told him that Devarajan is one who is looking after the account opening formalities. He had entrusted Rs. 6,000/- with Devarajan alongwith the application forms for opening the joint account. However, in the Pass Book only Rs. 5,500/- was shown. He had specifically stated during his evidence that there was no dealing between him and the petitioner. He has not given any money to the petitioner. According to him he having given the money to the petitioner. According to him he having given the money to Devarajan the amount of Rs. 500/- must have been misappropriated by Devarajan only.

33. Even in the charge there is no case that the petitioner had utilized any money belonging to MW6. MW6 himself has stated that the petitioner has nothing to do with the transaction and the entire thing was done by Devarajan only. Even the allegation that the petitioner had ill-advised Devarajan due to his complicity in the affair is not established.

34. Ext.M4 is the report containing the findings of the Enquiry officer. In his report he has not stated the reasons for the finding that the charges are established. What he has stated is that the petitioner was not able to disprove the charges but merely dwelt upon the loopholes in the systems and procedures. It could be seen that the allegations made against the petitioner and the charges were not established in the enquiry proceedings. The report is merely on the basis

of certain unacceptable material placed before the Enquiry Officer. There is no justification for the dismissal of the petitioner from service.

In view of the discussion above the petitioner is entitled to be reinstated in service. An Award is passed as below:

The Respondent shall reinstate the petitioner in service with 75% backwages and all other benefits due to him. Arrears of wages due shall be paid within two months of the publication of the Award. In default, interest is payable on the amount at the rate of 7.5%, from the date of the Award.

The reference is answered accordingly.

AWARD

1. By order No. L-41011/78/2015-IR(B-I) dated 13.10.2016 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub section (1) and sub section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between the Mandal Karyakari Adyaksh, Rail Sewak Sangh, Lucknow and the Chief Factory Manager/Divisional Railway Manager, North Central Railway/Loco Workshop, Charbagh/Lucknow for adjudication.

2. The reference under adjudication is:

“KYA PRABANDHAN, LOCO WORKSHOP, UTTAR RAILWAY, LUCKNOW WA UTTAR MADHYA RAILWAY, ALLAHABAD DWEARA SRI AJAY SINGH, PRADHAN LIPIK (RETD.) KO DATE 10.05.2003 SE 31.01.2013 TAK DUTY PER NA MAANKAR VETAN BHUGTAN NA KARNA NYAYOCHIT EVAM VAIDH HAI? YADI NAHIN TO KAMGAR KIS RAHAT KO PAANE KA PATRA HAI?”

3. After receiving the Schedule reference from the Ministry, notices through registered post were issued to the parties concerned, and they appeared before the Tribunal. Time was sought by the workman to file claim statement.

Thereafter more than six opportunities were given, fresh notice was also issued to the workman but none appeared on his behalf. Learned AR for the opposite party/North Central Railway appeared in the Court.

4. Arguments have been heard. Record has been perused. The matter in issue relates to alleged non payment of the salary to the workman Sri Ajay Singh, retired Head Clerk w.e.f. 10.05.2003 to 31.01.2013, treating him absent from duty.

5. Learned AR for opposite party submits that the workman might not be interested to further proceed with the case or his grievance might have been redressed out side the court.

6. Sufficient opportunity has been provided to the petitioner workman. Yet none is appearing on his behalf in the Court for the last six dates. No claim statement or evidence has been filed by the petitioner workman. Therefore, it seems that the alleged order passed by the management for withholding the salary of the workman w.e.f. 10.05.2003 to 31.01.2013, can not be treated as illegal or improper. Being devoid of merit and in the absence of any evidence, it is inferred that the petitioner workman is not entitled to any relief.

7. Award as above.

This is an Industrial Dispute taken for adjudication on the file under Sub-Section 2A of Section-10 of the Industrial Disputes Act, 1947 (as amended by Act-24 of 2010 w.e.f. 15.09.2010).

This is an Industrial Dispute taken on file under 2(A)(2)(1) of the Industrial Disputes Act, 1947 (as amended by Act-24 of 2010 w.e.f. 15.09.2010).

1. The averments in the Claim Statement filed by the petitioner in brief are these:

The petitioner was appointed as Part-Time Sweeper-cum-Waterman in the Respondent Bank and was posted at Kaludur Branch in 1993. He was promoted to Clerical Cadre in the year 2008 and was posted at Asaveerankudikadu Branch. The petitioner was transferred to Valajanagaram Branch in August 2012. While he was working at this Branch he was suspended with effect from 13.03.2013 for certain alleged acts of misconducts. Thereafter the petitioner was served with a Charge Sheet stating that he had passed plain debit vouchers used for the purpose of withdrawing cash from Savings Bank Accounts of KCC Borrowers without the signature of the Account Holders and made cash payment to another staff member of the same branch and thus acted in a manner prejudicial to the interests of the Bank. The petitioner was not given any reasonable time to answer the charge. He was not permitted to peruse the documents and records available with the Bank to enable him to submit his reply on the charge. Enquiry against the petitioner was completed in 5 sittings. The Enquiry Officer submitted his findings holding that the charge is proved. On the basis of the report of the Enquiry Officer the Disciplinary Authority passed order dismissing the petitioner from service. The petitioner filed appeal before the Appellate Authority. The Appellate Authority modified the punishment to removal from service with superannuation benefits. The order passed by the Disciplinary Authority and the modified order of the Appellate Authority are based on the findings of the Enquiry Officer which is perverse. There is no basis for the allegations made against the petitioner in the Charge Memo. The punishment imposed on the petitioner is without any justification. An Award may be passed holding that the punishment imposed on the petitioner is illegal and unjustified

and directing the petitioner to reinstate the petitioner in service with continuity of service, backwages and other attendant benefits.

2. The Respondents have filed Counter Statement contending as below:

The Respondent is a premier Banking Institution. The employees of the Respondent are expected to exhibit highest level of integrity and utmost care in discharge of their duties. The petitioner who was working as Assistant at Asaveerankudikadu Branch passed cash payment of Rs. 96,000/- and Rs. 93,000/- to Madan, a co-employee on the basis of two plain debit vouchers submitted by him in respect of the accounts of Selvam and Selvammal respectively, on 02.01.2012. These vouchers were not authenticated with the signature of the account holders. They were not presented by the account holders also. The vouchers contained the signature of Madan, the co-employee. The act of the petitioner amounted to major misconduct in terms of Clause-5(j) of the settlement dated 10.04.2002. A Charge Sheet was issued to the petitioner in the matter. He did not submit his explanation within the stipulated time. A domestic enquiry was conducted against the petitioner. The Enquiry Officer submitted report holding that the charge against the petitioner is proved. The domestic enquiry has been conducted in a fair and proper manner. The punishment of removal from service imposed on the petitioner was just and proportionate to the misconduct committed by him. Punishment was modified by the Appellate Authority only on humanitarian grounds. There is no necessity to interfere with the punishment imposed on the petitioner. The petitioner is not entitled to any relief. The petition is liable to be dismissed.

3. Though issue regarding fairness in the enquiry is raised in the Claim Statement, this was not pursued. The petitioner had gone for trial without seeking any order in this respect.

4. The evidence in the case consists of oral evidence of WW1 and documents marked as Ext.W1 to Ext.W23. The Respondents did not adduce any evidence either oral or documentary.

5. **The points for consideration are:**

- (i) Whether the punishment imposed on the petitioner is legal and justified?
- (ii) What, if any is the relief to which the petitioner is entitled?

The Points

6. The petitioner had been dismissed from the service of Respondent Bank by order dated 28.09.2013. At the time of dismissal he was working as a Clerk at Valajanagaram Branch of the Respondent. He was promoted to Clerical post in the year 2008. Prior to that, he was working as General Attendant and still earlier as a Part-Time Sweeper.

7. The dismissal of the petitioner from service is on the basis of the enquiry report in respect of the charge leveled against him by Ext.W4 Charge Sheet. The punishment of dismissal was modified and converted to removal from service with superannuation benefits. The dispute is raised challenging this order.

8. Ext.W4 the Charge Memo issued to the petitioner states that while working as Cash Office at Asaveerankudikadu Branch the petitioner had passed plain debit vouchers used for the purpose of withdrawing cash from the Savings Bank of KCC Borrowers without the signature of the account holders and made cash payment to another staff member of the same branch and thus acted in a manner prejudicial to the interests of the Bank. The petitioner was asked to submit written statement of his defense within 7 days of receipt of the Charge Memo. However, the petitioner has not given any explanation to the Charge Memo.

9. In the enquiry proceedings the Management had produced only two documents, the vouchers that were allegedly passed by the petitioner without the signature of the customer. These vouchers are marked before this Tribunal as Ext.W7 and Ext.W8.

10. The counsel for the petitioner has argued that these two documents were marked in the enquiry proceedings without any proof. He has stated that no witnesses were examined to prove these documents. According to the counsel these documents should not have been relied upon at all for this reason. However, it could be seen on going through the enquiry proceedings that the documents were marked with the full consent of the petitioner. The Enquiry Officer had asked the Defense Representative if he is accepting these documents as the prosecution documents and the Defense Representative has stated that these documents can be marked as prosecution exhibits. It could be seen from the enquiry proceedings that the petitioner or his representative did not raise any objection regarding the authenticity of these documents. Apart from that, during cross-examination also the petitioner has admitted that these are documents that were handled by him in his capacity as the Cash Officer. So the objection raised by the counsel that the Enquiry Officer should not have acted upon these documents is without any basis. The petitioner having admitted these documents, these documents can be relied upon to adjudicate the matter.

11. Exts.W7 and W8 are plain paper vouchers. The case of the Respondent is that these vouchers are normally not used for the purpose of withdrawing cash by the customers. He has done so without obtaining the signature of the account holders and made cash payment to Madan, another Officer of the Bank examined as DW2 in the enquiry proceedings. DW2 has stated during his cross-examination that usually SB Withdrawal Form is used for customers and plain debit voucher is used for official purpose. He has later stated that even though SB Withdrawal Form is normally used for customers the Branch had the practice of using plain debit vouchers also for customers withdrawing the amounts. Thus it could be seen from the admission of DW2 himself that in the normal course only SB Withdrawal Forms were being made available for the use of the customers.

12. Both Exts.W7 and Ext.W8 are of the date 02.01.2012. On examining these two documents it could be seen that the reverse side of the document contains the signature of DW2 only as having received the amount. DW1 has been making all excuses for not verifying the documents to see if the customer had signed these documents. He has stated that he was processing Gold Loan documents, the number of which was almost 800 to 1000 at a time. He has further stated that he even received some award for becoming a topper in the Gold Loans. He was asked by the Accountant to pass vouchers within his powers and open accounts also. He has stated that the customer turn out at the Branch was very heavy at the time. According to him, he used to pass 22-25 vouchers on a daily basis.

13. It could be seen from the evidence of the petitioner that he is not disputing the fact that he has passed the vouchers even without the signature of the customer. He has also admitted that plain debit voucher are only for official purpose and SB Withdrawal Forms are used for withdrawals by customers. He has of course stated that when SB Withdrawal Forms are not available Debit Vouchers are used at the Branch.

14. A perusal of the evidence of the petitioner in the enquiry proceedings would reveal that his only contention regarding the passing of vouchers without the signature of the customer is that he did not notice that the vouchers are without customer's signature at the time. When the admissions made by the petitioner is taken into account there is no reason to believe the case of the petitioner that he has not noticed the absence of signature of the customers in the vouchers. For one thing, it was plain debit voucher rather than an SB Withdrawal Form. He has also admitted during his cross-examination that when a withdrawal form is submitted before him he is to verify the account number, the name of the customer and also the signature of the customer. He has also admitted during his cross-examination that the reverse side of two vouchers contain the signature of DW2 with the endorsement of having received the amount. He has further stated during his cross-examination that he was conversant with the signature of DW2. So his case that he did not notice the absence of the signature of the customer on the reverse side of the vouchers could not be accepted. His statement that he realized only at the time of examination that he knew that the signature is that of DW2 is not convincing. He has stated during his examination that when a withdrawal form is placed before him he even used to check if the customer is there. Still on this particular date he had not only failed to verify if the customer was there but failed to verify the signature itself and handed over the amount to his co-employee who had signed the vouchers.

15. There is also the evidence of DW2, Madan in this respect. Madan seems to have been dismissed from service on the basis of receiving money on Ext.W7 and Ext.W8 vouchers. This witness has stated that the vouchers were given to him by the respective customers. According to him he thought of obtaining the signatures of the customer later. He was not able to obtain the signatures as the customers have already left, he has stated.

16. The accounts from which amounts were withdrawn by Ext.W7 and Ext.W8 were loan accounts to which the Bank had remitted amount. Withdrawals were made using the vouchers containing the signatures of DW2 from these accounts. All the explanations or excuses given by the petitioner that he failed to notice the absence of signature of the customers due to oversight will not hold good.

17. The counsel for the petitioner has stated that misconduct committed by the petitioner is not one that deserves dismissal from service or even removal from service. According to the counsel it would have been sufficient if some minor punishment was imposed giving opportunity to the petitioner to continue in service. The counsel has referred to a few decisions in support of his argument. Reference was made to decision in *INDIAN OVERSEAS BANK VS. PERICHIAPPAN* reported in 2004 1 LLJ 610 in this respect. However, the dictum laid down in this case is not applicable to the facts of the present case. In the above case, punishment was upheld taking into account the gravity of the charges. Another decision cited by the counsel for the petitioner is *MANAGEMENT OF TAMIL NADU STATE TRANSPORT CORPORATION, KUMBAKONAM VS. SHAHUL HAMID AND ANOTHER* reported in 2009 0 SUP (MAD) 4693. In this case the dismissal of the workman was reversed on the basis that the charges found proved are not serious. In the decision in *SEKAR VS. APPELLATE AUTHORITY, CANARA BANK, BANGALORE* reported in 2010 0 SUP (MAD) 2690 also the charges were found not proved on the basis of which the Writ Petition of the workman was allowed and the punishment of dismissal was set aside. Thus the decisions cited on behalf of the petitioner are not of any help.

18. The counsel for the Respondent has referred to the decision of the Apex Court in *STATE BANK OF INDIA AND OTHERS VS. P.J. PAUL* reported in 1999 2 LLJ 514 to argue for the position that likelihood of serious loss

coupled with negligence would amount to gross misconduct. It was a case where the Bank Manager had given advanced unauthorizedly and without observing the lending norms. The order removing the employee from service was upheld by the Apex Court.

19. In the present case by Ext.W7 the petitioner had passed Rs. 96,000/- and by Ext.W8 Rs. 93,000/-. The petitioner has done this without verifying the withdrawal forms properly. He has handed over the money to DW2 as could be seen from the endorsement on the reverse side of these vouchers. The act of the petitioner comes under gross misconduct.

20. The Disciplinary Authority had dismissed the petitioner from service by Ext.W20 order. The Appellate Authority had considered the appeal and upheld the finding of misconduct as per Ext.W20 by Ext.W21 order. However, the punishment was modified to removal from service only on humanitarian grounds so that the petitioner would be able to draw the pension and other benefits. The principle of proportionality of punishment is met more than enough by this modification. There is no scope for further reduction in the punishment. The petitioner is not entitled to any relief.

On the basis of the above discussion the petition is dismissed. An Award is passed accordingly.

By order No. L-20012/103/2014-IR (CM-1) dated 09/10/2014, the central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of section 10 of the Industrial Disputes Act, 1947 referred the following dispute for adjudication to this Tribunal:

SCHEDULE

“Whether the action of the management of Lodna Area of M/S BCCL in not providing compassionate employment to Ms. Fulmati Kumari d/o Late Somra Bhuia is justified? To what relief the dependent of the deceased workman is entitled to?”

2. The case is received from the Ministry of Labour on 20.10.2014. After receipt of reference, both Parties are noticed. The Sponsoring Union files their written statement on 17.05.2015. But after long delay the management files their written statement-cum-rejoinder on 19.05.2016. One witnesses each side examined. Documents of workman marked as W-1 to W-3 and no document of management is marked as exhibit.
3. Short point to be decided in the reference is whether the applicant, who is the daughter of the deceased workman is entitled to job in place of her deceased father who died during service or not.
4. The case of the workman is that Mrs Fulmati Kumari is the only legal heir in the family of late Somra Bhuia. Her name appears in the service exert of the late deceased workman during his life time.
5. Mrs Fulmati Kumari represented herself before the authority concerned for her employment in accordance with the provision of NCWA-VII within 18 months as per the circular of the company. She is fully dependant upon the earning of her deceased father at the time of death.
6. The concerned workman is starving as such she has no other scope to earn her livelihood . The applicant filed her application for getting a job in place of her deceased father and the same was recommended to Head Quarter for appointment. But her claim was regretted by the Head Quarters, hence the dispute arose.
7. Both side examined one witness each and filed documents and marked. The management witness, says that her case was recommended to head Quarters for consideration but was regretted. There is no controversy regarding the identity of the applicant. The argument submitted by the management counsel, as per NCWA a married daughter is not entitled to get job in place of her deceased father.
8. The applicant says , she was a bachelor at the time of applying for the job. Therefore she was eligible and her name was remommended . In this regard recently Chhatishgarh High Court observed that sole dependant daughter of the deceased is entitled for job on compassionate ground.

9. Considering the facts and circumstances of this case, I hold that the action of the management of Lodna Area of M/S BCCL in not providing compassionate employment to Ms. Fulmati Kumari d/o Late Somra Bhuia is not justified, hence the management is directed to take the applicant in job waiving formality.

This is my award.

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Sec.10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. **L-20012/28/2006-IR(CM-I) dt. 28.07.2006.**

SCHEDULE

“Whether the action of the Management of Kooridih Colliery of M/s BCCL to dismiss Sh.Pawan Chandra Mondal from service w.e.f. 8/12.09.2005 is fair and justified? If not, to what relief is the workman entitled?”

Barely a couple of representations by Mr. N.G.Arun, Union Representative on behalf of the workman/petitioner seeking adjournment with assurance an alleged settlement gets underway in between the Union and the Management, no headway further even after serving Regd notices of which last dates back to 4th July, 2017 at the addresses of the workman/Sponsoring Union but in vain. Contrary to it Mr D.K.Verma, LD Advocate for the Management reported his presence on date. The case is about dismissal of the workman seeking reliefs.

Form perusal of the case record, it reflects the fact that the workman / the Union Representative showed reluctance for trial as if they were least interested to get it to final adjudication. The Tribunal is also of the opinion that the settlement is either to have been made or the issue sorted out between both the parties as referred in the beginning by the Ld. Union Representative. The Union or workman prefer keeping mum to get the case to final adjuration, resulting in stagnation on filing WS. Under backdrop of circumstances, it is widely felt despite ample opportunity, the case, to which the Management too, do not have objection, consumed so much time, is no of use holding it up further due to sheer reluctance of the workman/Union and, need not deserve attention. So the case is closed passing as “No Dispute Award” in existence, as of now.

SCHEDULE

“Whether the demand of the Coalfield Mazdoor Union for regularization of Sri Sadhu Charan Das, Munsahi, Gr.III Loading Clerk and consequential benefits of promotion to the post of Asstt. Loading Inspector from the Management of Kargali Washery of M/s CCL is fair and justified? If so, to what relief is the concerned workman entitled and from what date?”

2. Neither the workman /Sponsoring Union is reported to be present on date nor did file the much awaited W.S pending on the part of the Petition/Union since its inception and rolling out as Reference. On perusal what the facts reveals that even after serving more than three formal Regd. Notices dt. 22.10.2007, 20.11.2007, 31.03.2008,

26.11.2010 and 04.07.2017 on the addresses of the Union and Management, as referred in the Order of the reference itself, it all remained unresponsive apart from one fragile attempt to place it before Lok Adalat for early disposal. The case relates to regularization of the workman Shadu Charan Das to the post of Loading Clerk Gr.III with consequential benefits with retrospective date. Mr. D.K.Verma, Ld. Advocate of the Management made appearance on date not for this time too, but all along since its inception.

By a meticulous study of the record concerned what transpired the fact that the petitioner and the Sponsoring Union as well did not show little interest to contest it on merits rather much inclined to go in for seeking adjournments day after day despite having been provided sufficient time to stake claim. The long span of absence of silence speaks about willingness they have to contest, and simultaneously, the Tribunal do not see any violation of the natural justice, if let it discontinue on presumption of non-existence of any dispute whatsoever. As it could also turn out mere wastage of time and energy. Under such circumstance and facts, the case should be wrapped up as No Industrial Dispute any longer owing to sheer disinterestedness of the Union/workman. Accordingly "No Industrial Dispute" Award is passed.

SCHEDULE

“Whether the action of the Management of Mudidih Colliery under Sijua Area of M/s BCCL in dismissing Shri Soren Hari, Ex .M. Loader from the services vide letter dated 10.09.2002 is fair and justified? If not, to what relief the concerned workman is entitled?”

2. By posting another date on 20.07.2017, the case stood adjourned on 29.05.2017 for filing much awaited W.S. on the part of the workman/union. A short while after proceedings Mr.R.R.Ram, Ld. Adv. for the Union by filing a petition abruptly on behalf of the workman expressed workman's unwillingness to contest the case on merits to get to final adjudication. The same was filed later on. The case deals with dismissal of the workman seeking reliefs there under. Though Regd Notice dt. 18.02.2015 went unattended despite having been mailed. Mr.D.K.Verma, Ld Advocate for the Management also represents from Management side.

On maticiouls study of the record concerned one concept has been absolutely clear that the workman's own initiatives over the issue seemed to have paid off as the case stayed scrolling over filing of WS since long despite providing more than ten adjournments. As of now, the status of the case over the same point since inception ,points to the extent of seriousness, the Union/petitioner does have .The continuity of the case does not deserve attention at all any further in the light of the above fact and in natural justice as well. Under such circumstance and facts, the case should be wrapped up as no-existent Industrial Dispute any longer owing to sheer disinterestedness of the Union/workman. Accordingly “No Industrial Dispute” Award is passed.

By order No. L-20012/130/2014-IR (CM-1) dated 29/04/2015, the central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of section 10 of the Industrial Disputes Act, 1947 referred the following dispute for adjudication to this Tribunal:

SCHEDULE

“Whether the dismissal of Smt. Meena Devi, Ex-General Mazdoor of Sudamdih Shaft mine of E.J.Area from service by the management of M/S BCCL vide letter No. SDM/Dismissal/2013/1164 dated 16/18.12.2013 is fair and justified? To what relief the concerned workman is entitled to?”

2. The case is received from the Ministry of Labour on 06.05.2015. After receipt of reference, both Parties are noticed. The Sponsoring Union files their written statement on 10.06.2015. The management files their written statement-cum-rejoinder on 04.11.2015. No witness examined from either side but Documents of workman marked as W-1 to W-12 and document of management are marked as Ext. M-1 to M-10.
3. Short point to be decided in this reference as to whether the workman who has been convicted by a criminal Court but dismissed on the ground of long absence from duty is to be reinstated or not.
4. The case of the workman is that smt meena Devi has been posted as General Mazdoor ,Cat-1 at Sudamdih Shaft Mine in E.J.Area of M/S BCCL under the administrative Control of the management. She is victim of false criminal Case, hence she absented from duty. She had duly sent her application dated 04.06.2011 for grant of her leave for absence from duty addressed to Project Officer Sudamdih Shaft Mine which leave application was never rejected by the management.
5. The concerned workman had filed her appeal against her illegal conviction before the Hon'ble High Court, Ranchi, her appeal was admitted and she was ordered to be enlarged on bail then she reported to her employer to get permission for resumption of her duty but the management issued a chargesheet dated 19.03.2013 under the provision of clause 26.01.01 of the certified standing order of BCCL as the alleged unauthorised absence from duty for more than 10 days.
6. The concerned workman was again chargesheeted by the management with order for her suspension from work with immediate effect from 31.05.2013 on the same charge of absence from duty without leave application for more than 10 days.
7. The concerned workman had explained to the satisfaction of the project Officer, Sudamdih Shaft Mine that she had been falsely implicated in a criminal case against which she had filed her Appeal in the high Court Ranchi and in consideration whereof her appeal had been admitted and she had been enlarged on bail from jail custody, and the management had not rejected her application for leave of absence sent on 04.06.2011 from Dhanbad Mandal Kara addressed to the Project Officer , Sudamdih Shaft Mine, for which the project officer never instituted any Departmental Enquiry in the matter of allegation made in his chargesheet dated 31.05.2013.
8. It is further submitted by the workman that the management indulged itself in not disposing of the disciplinary cases of the concerned workman by completing the course of departmental enquiry nor by allowing the concerned workman to resume her duty by withdrawing the order of suspension nor by paying her dues of subsistence allowance for the period of her suspension per month from 31.05.2013 hence the concerned workman has raised her grievance as an industrial dispute through trade union , The conciliation officer had intervened in the said dispute by giving a formal intimation in writing as notice dated 23.10.2013 to the parties concerned declaring his intention to commence conciliation proceeding w.e.f. 06.11.2013 which was duly attended by the representative of the employers.
9. It is further submitted by the workman that during the pendency of the said conciliation proceeding before the Asstt. Labour Commissioner @ Dhanbad -III in the matter of I.D Case No.1/(71)/2013 E-5 , concerning the alleged industrial Dispute over the illegal dismissal from the service of M/S BCCL of Smt Meena Devi General Mazdoor of Sudamdih Shaft Mine that the management dismissed the concerned workman Smt. Meena Devi General Mazdoor through the letter dated 16/18.12.2013 to herself with immediate effect without express permission in writing of the

concerned conciliation officer before whom the Industrial Dispute had been pending for its settlement since 6.11.2013. for which the management themselves legally liable to be prosecuted and penalised U/S 31 (1) of the I.D.Act. In this regard the conciliation Officer had issued a show cause notice to the General Manager E.J.Area, M/S BCCL after complaint petition dated 27.12.2013 advising him to offer his comments on that letter dated 27.12.2013 of the concerned workman within seven days from the date of receipt of notice. The management had not obtained the said conciliation officer's express permission in writing before issuing order dated 16/18.12.2013.

10. On the other hand the case of the management is that the workman concerned was convicted by Hon'ble Additional Session Judge FTC-III Dhanbad in session Trial No. 508/2003 therefore she was dismissed from the service of the company.

11. It is also submitted by the management that the conviction of the workman concerned is set at rest. The Hon'ble High Court considering the facts the appellant already served half of sentences awarded to her by the Trial Court. She was allowed to grant bail pending appeal. The law obliges, a person convicted of an offence to be so kept out and not to be retain in service therefore the present industrial dispute is pre-mature.

12. The workman concerned started absenting from his duty w.e.f. 01.09.2009 without information and permission of the management, therefore the management issued her charge sheet for commission of misconduct under clause 26.1.1 of certified standing orders. Therefore she has submitted her reply to the aforesaid chargesheet and started that she was under jail custody w.e.f 01.09.2009 to 16.01.2013 in connection which session trail No. 508/2003. The concerned workman was convicted by the Additional Session Judge in Session Trial, therefore the management issued a show-cause notice on 31.05.2013. the workman concerned was charged under section 498A, 306, and 304 B/34 IPC. The charges has been proved against the accused sonu Dhobi and Meena Devi. Hence the workman sentenced under go 7 years R.I U/S 304B of IPC.

13. The aforesaid act of the workman is serious misconduct under clause 26.1.19 of the certified standing order which is duly proved in the sessions trial.

14. Smt Meena Devi the concerned workman subjected the deceased daughter in law to cruelty for non fulfilment of dowry demand. Demand of dowry is a criminal offence involving moral turpitude. Hence the dismissal of the concerned workman is legal and justified.

15. The workman remained absent and she was dismissed on that ground. Subsequently the workman applied for job stating that she was in jail in a dowry death case. On search it is noticed that she was convicted in the Trial Court, and her appeal is pending in Hon'ble High Court. But the workman took the plea that while the dispute before the ALC was going on, the management dismissed her without taking permission from the ALC. On scrutiny of the dispute record, it is seen that the dispute was pending till 3/07/2014. But the dispute raised by the Union on 3/10/2013 and the ALC noticed the management on 21/10/2013. But the management without obtaining the permission of concerned ALC, dismissed her on 16/18.12.2013 i.e during the pending of conciliation. Hence the management is to restore the job of the workman as it is clear violation of section 33 of the I.D Act.

16. Considering the facts and circumstances of this case, I hold that the dismissal of smt. Meena Devi, Ex-General Mazdoor of Sudamdih Shaft mine of E.J.Area from service by the management of M/s. BCCL vide letter No. SDM/Dismissal/2013/1164 dated 16/18.12.2013 is not fair and justified, Hence she is to be restore in the job at once.

This is my award.

By order No. L-20012/33/2008-IR (CM-1) dated 03/03/2008, the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of section 10 of the Industrial Disputes Act, 1947 referred the following dispute for adjudication to this Tribunal:

SCHEDULE

“Whether the action of the management of Lodna Area of M/s. BCCL in not providing dependent employment to Smt Bachi Devi, W/O Late Hitoo Paswan, Surface Trammar is justified and legal ? If not to what relief is the dependent wife of the concerned deceased employee entitled?”

2. The case is received from the Ministry of Labour on 13.03.2008. After receipt of reference, both Parties are noticed. The Sponsoring Union/workman files their written statement on 31.01.2011. But after long delay the management files their written statement-cum-rejoinder on 08.05.2013. One witness examined on behalf of the workman. But no witness examined on behalf of the management. Documents of both side are marked. Documents of workman marked as W-1 to W-9 and document of management is marked as M-1 to M-10 as exhibit.

3. The case of the workman is that after the death of Hitoo Paswan, dependant wife Bachi Devi had produced paper for employment in place of her deceased husband as per provision of NCWA and filed application for job in Lodna Colliery on 08.11.2001 and again on 23.11.2001 alongwith all relevant paper as per direction of the management.

4. It is further submitted by the workman that Bachi Devi is legally married wife of deceased employee Hitoo Paswan and she is issueless. But as per Rule of NCWA employment is to be given to the dependant of deceased employee but the management did not agree with the same for which dependant wife of the deceased is moving here and there. Hence dispute arose.

5. On the other hand the case of the management is that the sponsoring Union have not come up before this Hon'ble Tribunal with clean hand, rather suppressed the material facts and in that view of the matter the present reference does not require any attention by this Hon'ble Tribunal.

6. Hitoo Paswan was appointed in the year 1973 and expired on 14.05.2000. The Date of Birth of Hitoo Pawan is 1948 and date of appointment is 01.01.1973 and died at the age of 52 years. Smt. Bachhi Devi and Smt. Bhaso Devi both have claimed to be the wife of late Hitoo Paswan. Smt. Bachi Devi and Manoj Kumar Paswan have now claimed for employment being the wife and the son of Late Hito Paswan respectively.

7. The Supreintendent of Police report also reveals that Smt. Bhaso Devi is the wife of Hitoo Paswan who had given Birth to Sanju Kumari and Manoj Paswan who are incidentilly one of the claimant for employment in place of

his late father Hitoo Pawan . It is also reported that Smt Bhaso Devi is the Third wife of Late Hitoo Pawan whom he married as per Hindu Customs in the year 1977.

8. Sri Hitoo Paswan did not have any issue with first & second wife being smt. Ramsakhi Devi and Smt. Bachhi Devi respectively . Manoj Kumar Paswan's employment case was also rejected as he is born from the third wife of late Hitoo Paswan whereas first two wives are alive though the case of Manoj Kr. paswan is not covered under the NCWA.

9. Short point to be decided in this reference is whether the applicant who claims to be the wife of the deceased workman and claims to get job in place of her deceased husband as per NCWA is entitled to any relief or not. The representative of the management submitted that the applicant is not the wife of the workman and submits that he may be the 3rd or fourth wife of the deceased workman and as such not entitled to either job or monetary compensation.

10. Admitted facts are that the, workman died during his service and his wife is entitled to either job or monetary compensation. The representative of the applicant widow says, she will be obliged if she will be given monetary compensation as calculated to which the management resisted.

11. In the case after hearing it is ordered to pay monetary compensation to the deceased workman's true wife after proper identification.

This is my award.

SCHEDULE

“Whether the demand of the Bihar Colliery Kamgar Union from the management of CCL, Kargali Washery for reinstatement /regularization of Sh. Vijay Mandal & 29 others workmen (as per list) is just, fair & legal? If so, to what relief are the workmen entitled and from what date?”

List of workmen

1. Vijay Mondal	2. Ramesh Munda	3. Bal Govind Bhuiya
4. Madan Gope	5. Chhotelal Orawn	6. Bhola Mondal
7. Gopal Singh	8. Vijay Bhuiya	9. Chhatardhari Mondal
10. Vishwanath Orawn	11. Basant Mondal	12. Jagdish Saw
13. Rohit Ram	14. Ramchandra Kol	15. Sagar Bhuiya
16. Kharu Chouhan	17. Ranjit Mahli	18. Surdas Munda
19. Subhash Paswan	20. Arjun Munda	21. Shiva Ghatwar
22. Rit Baran Mondal	23. Suresh Kol	24. Manoj Bhuiya
25. Deepal Mondal	26. Puran Tanti	27. Rajendra Chhetri
28. Rameshwar Kahar	29. Raju Karmakar	30. Muni Lal Gope.

2. The case is received from Ministry of Labour on 18.07.2005. The Sponsoring Union/ files written statement on 16.09.2005. But after long delay, the management files their written statement on 05.12.2008. Thereafter rejoinder and documents filed by the parties. One witness examined on behalf of the workmen and two witnesses examined on behalf of the management. Documents of the workman marked as W-1 series.

3. The case of the Union is that Sri Vijay Mondal and 29 other workmen have been working at Kargali Washery continuously with unblemished record of service in the permanent and perennial nature of job within the premises of the washery under the direct control and supervision of the management.

4. It is further submitted by the Union that the concerned workman had been performing the job of removing stone and other impurities from the coal brought from out side through dumper and dumped near bunkers/hopper and they also break lump coal into small size and the same is transported to washery point through conveyor belt.

5. It is also submitted by the union that the concerned workman had been rendering services and producing goods for the benefit of the management and all the workmen had put in more than 240 days attendance in each calendar year and had been working in three shifts as directed by the management and even they are working on Sunday and holidays.

6. It is further submitted by the union that the concerned workman represented before the management several times for their regularization and to get wages as per NCWA and that annoyed the management. Therefore the management without regularizing the concerned workmen stopped them from duty w.e.f. 01.07.2003 hence dispute arose.

7. On the other hand the case of the management is that the sponsoring union is not operating at Kargali Washery hence the sponsoring union has no locus standi to raise an industrial dispute. There is no employer-employee relationship exists between the management of Kargali Washery and the person concerned whose name is mentioned in the list of reference.

8. The management of Kargali Washery has awarded the contract to two contractors, named as Kumar Balram Singh and Kesharmal Agrawal to execute the work through their own employee for removing stones, picking and breaking over size. The aforesaid work were executed by the aforesaid contractor through their own men. The concerned contractor were engaged by the management through genuine contract by placing work order to them for their above mentioned job by above named contractor who used to engage their own men on payment of wages under supervision and control the work being performed by the contractor's supervisors.

9. It is further submitted by the management that the concerned workmen were engaged by the contractors through a genuine contract, they were the workmen of contractor. The payment of wages to the contractor workers was made by

the contractor and record of such payment was witnessed by the LEO (C) Bermo. The management of Kargali washery never supervised the job of contractor's workers. Hence the contractor workers are not entitled to get regularization in the establishment of the principal employer.

10. The present reference case is for regularization of 30 workmen. Both parties filed their written statement and counter and rejoinder. Parties also filed their respective documents and the witness, examined on behalf of the workman and management and contractor.

11. The workman has stated, that he did not get appointment letter. He admitted that he can not file any pay slip that he was working under the management . Cross-examination of Shiv Ghatwar (WW-1) is quoted below:-

“No appointment letter were issued to us. No order of termination was received by the management. We have no gate pass or I.D card of management. We have no pay slip. As per the order of management we were working.

It is not a fact that without gate pass one can not enter into the washery. It is not a fact that we did not work there.”

12. The contractor examined in the case has stated, that, he also did not give any appointment letter to any workman, though he says the workman, works in permanent and perennial work, but unable to say which particular workman completed 240 days in previous calendar year. Attendance register has not been filed but contractor's wage sheet as photocopy filed by the workman which has not been properly proved.

13. WW-1 Shiv Ghatwar stated that without I.D Card or gate pass no one enter into washery. He also stated that, they have no gate pass or I.D Card then how it is possible they worked in the washery. The contractor MW-2 says in chief quoted below:-

XXX

“I am a licensee contractor . I myself engaged workmen concerned to execute the job awarded by the management through contract. I use to pay wages to the workmen concerned and I supervise the job awarded to me . The workmen concerned were under my control. The management never supervise the job of my workmen.”

XXX

14. As per statement of contractor it is established that they were contractor worker, hence there is no relationship exists employer-employee between management of kargali washery and the concerned workmen.

15. As per order of Hon'ble Supreme Court in Steel Authority of India & others Vs National Union Water Front workers & other reported in Lab IC 2001 page 3656, the contractor worker ipso facto are not entitled to get regularization.

16. Considering the facts and circumstances of the case , I hold that the demand of the Bihar Colliery Kamgar Union is not justified . Hence they are not entitled to get any relief.

This is my award.

AWARD

1 By order No. L-12012/98/1989 IR(Bank-I) dated 11.01.1990 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub section (1) and sub section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between the General Secretary, Citi Bank Employees Union, New Delhi (Espousing cause of Sri Ashok Bhasin & Others) and the President, Citi Bank, New Delhi for adjudication.

2. The reference under adjudication is:

“WHETHER THE MANAGEMENT OF CITI BANK NEW DELHI IN PROMOTING SRI ASHOK BHASIN AND SRI ASHOK SAXENA IN SUPERSESSION OF THE SENIORS SH. S.K. TANDON, C.P.KAPUR, ASHOK KUMAR AND SRI RAMESH ANAND AN DEPRIVED THEM A MONETARY LOSS AMOUNTING TO Rs.19953/-, Rs.19953/-, Rs.22233/- and Rs.21777/- was justified? IF NOT TO WHAT RELIEF THE WORKMEN ARE ENTITLED?

3. Initially this case was registered as I.D. No.4/90 in CGIT-cum-Labour Court, New Delhi. Vide letter no. Z-20025/54/2001-CLS-II dated 19.04.2002 the aforesaid case was transferred to this Tribunal for hearing.

4. As per the claim statement dated 8.5.90, the petitioner has stated in brief that the post of Special Assistant is in Clerical Cadre, carrying with it the Special Allowance Post of Rs.524/- with HRA,PF,Gratuity, Bonus etc. and this post has been under the Provisions of Sastry Award which was subsequently modified by Bipartite Settlement. This post and any other post having special allowance is allotted to the senior most employee as per the provisions of Sastri Award, Desai Award read with Section 25(G) of the I.D. Act., which provides that seniority of the employee must not be ignored in the matter of promotion either in status or in emoluments.

5. It has further been stated that the management of Citi Bank in violation of provisions has promoted and posted Sri Ashok Bhasin and Sri Ashok Saxena as Special Assistant thereby caused prejudice to the following employees who are seniors; S/Sri S.K. Tandon, C.P. Kapur, Ashok Kapur and Sri Ramesh Anand.

6. It has been alleged by the applicant that the opposite party management under the garb of settlement with another union rejected the claim on the plea that similar dispute was pending before Hon'ble High Court, Delhi in Civil Writ No. 2806/85 filed by the bank, and the matter was sub judice, although the terms of reference were not the same in the present case and the award of Hon'ble Tribunal was in favour of the workmen rejecting the very contention of the management.

7. The petitioner has stressed that another plea was taken by the management for rejecting the claim of the workmen that the determination of the post of Special Assistant suitability was determined after interview of the senior employee with weightage of qualification, but in fact no interview was conducted by the management neither the management declared them unsuitable, no test was conducted by the management for those employees who had been promoted as such. The action of the management in denying the post of Special Assistant to the above mentioned employees is illegal and bad in the eyes of law and caused monetary loss besides the mental torture which can not be computed. With the aforesaid pleading request has been made by the petitioner to declare the above action of the management in posting of Sri Ashok Bhasin and Sri Ashok Saxena in supersession of the aforesaid employees; Sri S.K. Tandon, C.P. Kapur, Ashok Kapur and Sri Ramesh Anand is unjustified, and further direction has been sought to treat the 4 persons as Special Assistants w.e.f. from the date when Sri Ashok Bhasin and Sri Ashok Saxena were promoted to the post of Special Assistant. Request for payment of allowance with other related benefits viz PF, Gratuity, HRA etc. has also been made.

8. The management/opposite party in its written statement dated 16.10.90 has stated in brief that the Reference being bad in law is not maintainable and the matter in issue has already been adjudicated in I.D. No. 3/79 and that award was challenged by the management before the Hon'ble High Court, New Delhi and the same is pending there. The opposite party has stated that all the workmen employees mentioned in the present Reference have been duly discussed in the said award. The assignment of Special Assistant functions under the 4th Bipartite Settlement dated 17.9.1984 has to be on the basis of suitability only. It has been further asserted that in Citibank as a special case, the settlement was reached by and between the management and the First National Citibank Staff Federation which is an apex body of different employee Association of the Bank, having the representation of the workmen employees of the Bank at Bombay, Calcutta, New Delhi and Madras. The settlement dated 5.12.1988 was agreed upon.

9. The opposite party has stressed that Sri C.P.Kapur, Sri Ramesh Anand, Sri S.K.Tandon and Sri Ashok Bhasin had already been assigned Special Assistants functions even before the above settlement was arrived at, and have been assigned responsibilities higher than Special Assistants, namely "Banking Assistant" carrying an allowance higher than the Special Asstt. Allowance. The assignment of Special Assistant functions under the 4th Bipartite settlement is binding on all the 55 "A" class Banks and their staff members, therefore the workmen can not claim any legal right otherwise. The opposite party has asserted that the provisions of Sastri award and Desai Award stood modified by the various Bipartite settlements, and the management has always taken into account the merit and suitability of all its staff members, seniority alone is not the deciding factors for the employees claiming the post of Special Assistant, prior to the agreement dated 8.12.1988.

10. The opposite party has asserted that the assignment of Special Assistant to Sri Ashok Bhasin and Sri Ashok Saxena was also the subject matter for adjudication in I.D. No.3/79 and it is now consideration before Hon'ble High Court, New Delhi. Moreover when the dispute in I.D. 3/79 arose the petitioner bank employees union was not in existence and the matter referred and considered earlier can not be further adjudicated in any other reference merely because the aforesaid workmen/ employees now claim to be represented by another Union. It can not be accepted that the terms of Reference were not the same. With the aforesaid averments, prayer has been made to reject the claim statement, with the observation that the claim is malafide and has been raised with ulterior motive and has got no merit.

11. Sri Ashok Kapur, Sri R.Anand and Sri S.K. Tandon have filed their affidavits dated 22.11.04, 30.4.2001 and 14.2.96 before the CGIT. The petitioner has filed reply dated 4.12.90, to the preliminary objection raised by the management, referring there in the clause VI, page no.14 of Indian Bank Association Publication, period of so called injustice to the four employees has also been given, reiterating the claim statement filed earlier.

12. Sri S.K. Tandon was cross examined on behalf of the workman. The management witness Sri Rajeshwar Kumar was cross examined on behalf of the petitioner/workmen.

13. On behalf of the management Sri Rajeshwar Kumar Asstt. Vice President of the management filed affidavit dated 18.3.91.

14. Request for stay of proceeding was made by the management vide application dated 29.7.91, on the ground of pending of Writ Petition no. 2806/85, before Hon'ble High Court, New Delhi to which reply dated 24.8.91 has been filed by the petitioner/workmen.

15. On the application dated 19.3.2001 filed on behalf of the petitioner, reply has been filed on behalf of the management. Further through application dated 22.8.2000 prayer was made by the opposite party to adjudicate **"No Dispute Award"**, to which reply dated 20.10.2000 was filed by the workmen. Later on the workman Sri S.K. Tandon and the management moved joint application dated 22.1.2001, requesting therein that Sri S.K. Tandon had agreed to withdraw all his claims therefore his name be kindly deleted from the present dispute.

16. It may be quite pertinent to mention here that order dated 10.5.2001 was passed by the then Hon'ble Judge/Presiding Officer, CGIT, New Delhi, with the following concluding observations;

"In view of the fact and also on the fact that in the case, it has arrived for final hearing I do not find any merit in the applications of the parties for giving no dispute award in the case. The applications are thus rejected. Now fixed for arguments on 31.7.2001."

17. Arguments of the Learned Authorized Representatives of both the parties have been heard at length, and record has been scanned thoroughly.

18. The main contention of the petitioner is that the management of Citibank, New Delhi has superseded the senior employees viz. Sri S.K.Tandon, Sri CP Kapur, Sri Ashok Kapur and Sri Ramesh Anand, while out of way promotion was granted to Sri Ashok Bhasin and Sri Ashok Saxena. It has also been alleged that the above four employees have thereby been deprived of the promotion due to them, causing monetary loss of Rs.19953, Rs.19953/-, Rs.22233/- and Rs.21777/- respectively. The management has denied this allegation and emphatically asserted that the matter has already been discussed in the award adjudicated in I.D.3/79 against which Writ Petition has also been filed which is pending before Hon'ble High Court, New Delhi. Further it has been stressed that the promotion was as per Rules and in accordance with the Bipartite Settlement, moreover when the earlier I.D. 3/79 was being considered, "Citibank Employees Union" was not in existence and all employees were represented by other union. The management has also submitted that the relevant Sastri Award and Desai Award have been modified by the 4th Bipartite Settlement, and more over the aforesaid four employees had already been assigned Special Assistant functions even before the said Settlement with the Federation was arrived at.

19. Learned AR for the petitioner has referred the following Rulings;

1. (2010), 8, SCC, Meghmala and others Vs G.Narsimha Reddy & others page 383.
2. (1996), 3, SCC, Shrisht Dhawan Vs Shah Bros page 310.

11. AIR 1978 Hon'ble Supreme Court page 202.

20. Order passed by Hon'ble High Court, New Delhi in CM No. 476/01 Citibank vs Citibank Employees Union & Others, Writ Petition 14470/06, CM(M) 476/01 and 775/01 have also been referred by the Learned AR for the petitioner.

21. Learned AR for the management stressed that the aforesaid pronouncements of Hon'ble Supreme Court and Hon'ble High Courts, do not support the ground taken by the petitioner in the present case. Further the management relies upon the following citations;

1. 2003(001) SCW,2625 Hon'ble Supreme Court.

2. WP (C) No. 2113/94, Baldev Saran Vs IRC Corpn. Hon'ble Delhi High Court, judgment dated 07.03.2013.
 3. CW 3426/01, judgment dated 02.12.2003 Hon'ble High Court, New Delhi.
 4. AIR 1978, Hon'ble Supreme Court, page 202.
22. Taking strong objection to the submissions made by the management, learned AR for the petitioner asserts that the aforesaid citations referred by the opposite party, do not apply to the facts and circumstances of the case.
23. Following noteworthy points have emerged in the case:-
1. Sri Ashok Kapur personally has not adduced himself for evidence. It has been strongly pleaded by the management during the argument. Why Sri Ashok Kapur has not come in the Witness Box, it has not been duly explained by the petitioner.
 2. Perhaps there has not been any election in the said union during the period of 18 years or so. Whether Sri Ashok Kapur is still, Vice President of the said union and for how many years he could have been continued. It has not been elaborated by the petitioner.
 3. Sri S.K.Tandon in his cross examination dated 15.02.1996 has asserted that Sri Ashok Kapur and Sri Ramesh Anand have taken Voluntary Retirement but he does not know whether their account has been settled or not. He has further stated that he became Special Assistant in 1985 alongwith Mr. CP Kapur, Mr Ashok Kapur, Mr. SK Tandon and Mr. Ramesh Anand.
- Learned authorized representatives for both the parties, have stated during the course of arguments, that no "Stay Order" of any Hon'ble Court is effective in this case.
24. Learned AR for the petitioner has submitted that the writ petition filed before Hon'ble High Court, New Delhi has been dismissed as withdrawn, moreover inconsistent pleas have been taken by the management before the CGIT and Hon'ble High Court, New Delhi and the so called agreement/settlement arrived at by the management has been against the orders of Hon'ble High Court, New Delhi. Learned AR for the management has strongly refuted this argument.
25. Whether any supersession was done by the management, ignoring the Rules and provisions of the Bipartite Settlement, is to be proved in letter in spirit by the petitioner. But neither Sri Ashok Kapur has adduced his evidence, nor other three employees referred in the schedule have genuinely proved the allegations leveled against the management. Another serious charge has been made by the petitioner that bank has made secret payment to other employees so as to induce them from coming forward before this Tribunal in order to elaborate the true facts. The management while replying to this charge has submitted that the settlement amount if any paid to Sri Ramesh Anand or any other employee, is not against the settlement norms, neither any Rule has been violated by the bank.
26. In 2003 (001), SCW, AK Bindal and another Vs Union of India and others page 2625, Hon'ble Supreme Court has made following important observations;

"..... This shows that a considerable amount is to be paid to an employee ex gratia besides the terminal benefits in case he opts for voluntary retirement under the Scheme and his option is accepted. The amount is paid not for doing any work or rendering any service. It is paid in lieu of the employee himself leaving the services of the company or the industrial establishment and forgoing all his claims or rights in the same. It is a package deal of give and take. This is why in business world it is known as "Golden Handshake". The main purpose of paying this amount is to bring about a complete cessation of the jural relationship between the employer and the employee. After the amount is paid and the employee ceases to be under the employment of the company or the undertaking, he leaves with all his rights and there is no question of his again agitating for any kind of his past rights, with his erstwhile employer including making any claim with regard to enhancement of pay scale for an earlier period. If the employee is still permitted to raise a grievance regarding enhancement of pay scale from a retrospective date, even after he has opted for Voluntary Retirement Scheme and has accepted the amount paid to him, the whole purpose of introducing the Scheme would be totally frustrated.

The contention that the employees opted for VRS under any kind of compulsion is not worthy of acceptance. The petitioners are officers of the two companies and are mature enough to weigh the pros and cons of the options which were available to them. They could have waited and pursued their claim for revision of pay scale without opting for VRS. However they, in their wisdom thought that in the fact situation VRS was a better option available and chose the same. After having applied for VRS

taken the money it is not open to them to contend that they exercised the option under any kind of compulsion.....”

27. The package deal of “Give and Take”, generally known in the business work **“GOLDEN HANDSHAKE”** has been very beautifully elaborated by Hon’ble Supreme Court.

28. The management witness Sri Rajeshwar Kumar, in para 5 of his affidavit dated 18.3.1991 has asserted that S/Sri S.K.Tandon, CP Kapur, Ashok Kapur and Ramesh Anand, earlier designated as Special Assistant, have later been designated as Banking Assistant and they carry higher allowance than what is payable to Special Assistant, under settlement dated 5.12.1988. This witness has not been comprehensively confronted on this point in cross examination conducted by the learned AR for the petitioner.

29. The management has emphasized that suitability being the criterion for selection of the employees for assignment of Special Assistant duty is, has been duly accepted by all the Unions and management of the Bank industry in the country vide 4th Bipartite settlement dated 17.09.1984.

30. After having heard the intellect arguments of both the parties at length, in the light of the record available before the court and taking into account the principle laid down by Hon’ble Supreme Court and Hon’ble High Courts, hereinabove, it is inferred that the four workmen viz Sri S.K.Tandon, Sri C.P.Kapur, Sri Ashok Kapur and Sri Ramesh Anand have not been unduly superceeded and they have not been deprived of genuine promotion in comparison to Sri Ashok Bhasin and Sri Ashok Saxena. The aforesaid four workmen, are not entitled to any relief, as pleaded in the claim statement dated 08.05.1990.

31. Award as above.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-41012/28/2008-IR(B-I) dated 16.12.2008 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the Divisional Railway Manager, Western Railway, Kothi Compound, Rajkot in imposing the penalty of removal from services w.e.f. 01.12.2000 on Shri Virambhai S/o Shri Rambhai Parmar is legal and justified? If not, to what relief the workman concerned is entitled to?”

1. The reference dates back to 16.12.2008. The second party submitted the statement of claim Ex. 4 on 27.09.2010 but the first party despite service did not prefer to submit the written statement. Therefore, after giving dozens of opportunities to file written statement by the first party, the reference was ordered to proceed ex-parte on 29.03.2016. The second party submitted his affidavit Ex. 8 in support of his statement of claim Ex. 4.
2. The Divisional Secretary, Paschim Railway Karmachari Parishad in the statement of claim alleged that the workman Virambhai Rambhai had been serving as Shed Messenger at Legal Shed under the Divisional Railway Manager, Rajkot with a satisfactory performance. He was granted 11 days leave w.e.f. 16.04.1999 by the competent authority but due to serious health, he went to Civil Hospital, Nadiad where he was admitted for medical treatment from 27.04.1999 to 01.12.1999. He has further alleged that he was discharged from the hospital on 01.12.1999 to resume his duties. He went to Railway Hospital for seeking fitness and Railway Medical Officer give him a fitness certificate no. 878514 on 04.12.1999. He further alleged that due to serious illness, he lost mental balance and no other relative being available; he could not inform the railway authority regarding his absence.
3. He has further alleged that on 24.06.1999, railway authority on a standard form no. 5 under letter no. E/308/1/1260404 prepared by AME (DC), Ahmedabad passed the following order under railway service conduct rules 3.1 (i) (ii) (iii) which is reproduced as under:

“Description of Imputation - After availing sanctioned leave from 16.04.1999 to for 11 days you are 27.04.1999 to till date without any information remaining unauthorised absence you have violated Railway Service Conduct Rules 3.1(i) (ii) (iii). Before this for unauthorised absence you have given S.F. 5 No. E/308/1/20120 dated 17.03.1999, had been served even though there is no improvement hence it is proved that you are in habit of remaining unauthorised absence.

Hence you are responsible (1) from 27.04.1999 to till today continuing unauthorised absence and violated Railway Service Conduct Rules 3.1 (i) (ii) (iii) for unauthorised absence.”
4. He has further alleged that aforesaid provisions mentioned in the S.F. No. 5 applies where the employee does not maintain absolute integrity, devotion to duty and acts unbecoming of a railway service.
5. He has challenged the aforesaid order of removal on the ground that he was seriously ill for which he had undergone medical treatment and the punishment authority without applying the mind, passed the order of removal of his service.
6. Thus he has prayed for quashing the order of removal as mentioned in the reference with immediate effect since the date of the medical fitness that is 04.12.1999.
7. It is noteworthy that the first party despite service did not prefer to submit the written statement, therefore, on 19.03.2016, the tribunal ordered to proceed ex-parte against the first party.
8. The second party workman submitted his affidavit Ex. 8 on 10.07.2017 reiterating the averments made in the statement of claim Ex. 4.
9. I have gone through the record and believing the statement on oath made in the affidavit, the order of removal passed by the punishment authority Divisional Railway Manager, Western Railway, Kothi Compound, Rajkot does not stand in the eye of the law. Thus the order of removal deserves to be quashed.
10. Thus in the light of the aforesaid observation, the action of the Divisional Railway Manager, Western Railway, Kothi Compound, Rajkot in imposing the penalty of removal from services w.e.f. 01.12.2000 on Shri Virambhai S/o Shri Rambhai Parmar is illegal and unjustified.
11. Further the Divisional Railway Manager, Western Railway, Kothi Compound, Rajkot or any other authority whosoever is authorised to deem with the matter is directed to reinstate the aforesaid workman with immediate effect with continuity of services with a lump sum of Rs.500000/- for the period of absence till date.
12. The award is passed accordingly.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-41011/1/98-IR(B-I) dated 13.11.1998 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the Asstt. Electrical Engineer, M.G., Western Railway, Ahmedabad in removing Shri Babulal Badhaji, Cleaner (TL), MG, Ahmedabad from service w.e.f. 12.11.1994 on the charges vide charge-sheet No. E/EL/308/DAR/BB dated 04.01.1994 was legal and justified? If not, to what relief the concerned workman is entitled to?”

1. The reference dates back to 13.11.1998. After service of the notice by registered post, the second party Paschim Railway Karmachari Parishad submitted his statement of claim Ex. 3 on 04.02.2002 alleging that the workman Babulal Badhaji was serving as Cleaner (TL), MG at Ahmedabad in Western Railway under the Asstt. Electrical Engineer, M.G., Ahmedabad since last 20 years with full satisfaction of administration, performing his duty well but he was removed from service by the Asstt. Electrical Engineer, M.G., Ahmedabad on 12.11.1994 vide letter no. E/EL/308/DAL/BB dated 12.11.1994 under the guise of unauthorised absence. He was served with a charge-sheet on 04.01.1994 but no opportunity to defend himself was given to him. The truth is that he was sick and was under the medical treatment of a private doctor at Kadi. The action of the railway administration was against the principle of natural justice and humanity, therefore, be declared null and void with a relief of reinstatement of service with full consequential benefits.
2. The first party submitted the vakalatpatra of advocate M.A. Kadri, H.B. Shah and Janak R. Pandya on different dates that are 11.03.1999, 21.02.2000 and 30.12.2009 respectively. But neither of the aforesaid advocates preferred to submit the written statement, therefore, the reference was ordered to proceed ex-parte on 09.03.2016 against the first party.
3. On 05.05.2017, one Hemant Kumar submitted the affidavit Ex. 20 reiterating the averments made in the statement of claim but it is noteworthy that the workman Babulal Badhaji did not come forward to submit his affidavit or oral evidence in support of statement of claim. Therefore, in the absence of the evidence of the workman himself, the action of the punishment authority cannot be declared null and void.

4. Thus in the absence of the evidence of the workman himself in the light of the principles/spirit of the Evidence Act, the reference is disposed of with the observation as under: “the action of the Asstt. Electrical Engineer, M.G., Western Railway, Ahmedabad in removing Shri Babulal Badhaji, Cleaner (TL), MG, Ahmedabad from service w.e.f. 12.11.1994 on the charges vide charge-sheet No. E/EL/308/DAR/BB dated 04.01.1994 appears to be legal and justified.”

5. No relief can be granted.

6. The award is passed accordingly.

AWARD

Passed on this 24th day of July 2017

1. As per letter dated 31-3-99 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No. L-12012/244/98/IR(B-II). The dispute under reference relates to:

“Whether the termination of service of Shri Pradeep Kumar, Ex-temporary sub staff of Rajnandgaon Branch of Bank of India w.e.f.27-11-97 by the management of the Bank is justified? If not, what relief the workman is entitled?”

2. After receiving reference, notices were issued to the parties. Ist party submitted statement of claim at Page 3/1 to 3/4. Case of Ist party is that he was engaged on 12-3-92 as sweeper cum peon. He was paid Rs.1200 per month. He was continuously working till 26-11-97. In the evening of 26/11, he was orally informed not to attend duty on next day. It is reiterated that he was not shown any circular and orally terminated his service in violation of principles of natural justice. Management adopted policy of hire and fire. He was not served notice of termination, retrenchment compensation was not paid to him, any kind of disciplinary proceeding was not initiated against him. His services were terminated in violation of Section 25-F of ID Act. Employees junior to him were in service. That he is employee under Section 2 of ID Act. Dispute is covered under Section 2-A of ID Act. On such ground, workman prays for his reinstatement with backwages.

3. 2nd party filed Written Statement opposing claim of Ist party workman at Page 18/1 to 18/5. 2nd party raised preliminary objection that workman was not appointed following recruitment rules, he is not covered as workman under ID Act. Bank has its rules and regulations in the matter of appointments. Workman was not sponsored through Employment Exchange. Workman was not appointed following rules and regulations. Workman was engaged on daily wages. Daily wagger has no right to hold the post. Daily wagger is not obliged to report on duty on next date. His engagement seized at end of the day. That the Branch Manager due to exigency of work in the Bank engaged persons for doing casual nature of work. Such daily wagers are compensated with minimum wages prescribed. Workman had not continuously worked more than 240 days. Inparawise reply also, management has reiterated about grounds that Bank has not issued appointment letter. Workman was not appointed against vacant post following recruitment rules. Management denies that workman was paid Rs.1200 per month. Amount was paid by Branch Manager in his personal capacity. That workman might have been intermittently engaged on the basis of exigencies. Workman is not covered under Section 2(s) of ID Act. Management prays for rejection of claim.

4. Ist party filed rejoinder reiterating his contentions in statement of claim.

5. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) “Whether the termination of service of Shri Pradeep Kumar, Ex-temporary sub staff of Rajnandgaon Branch of Bank of India w.e.f.27-11-97 by the management of the Bank is justified?”	In Negative
(ii) If not, what relief the workman is entitled to?”	As per final order.

REASONS

6. The term of reference pertains to legality of termination of services of workman. Workman filed his own affidavit and affidavit of evidence of witness Madhaorao, ShankarlalMandavi corroborating his evidence. Workman in his evidence has stated that he was engaged as peon on 12-3-92. He was continuously working as such till 27-11-97. He worked more than 240 days during each of the year. His services were terminated without notice, retrenchment compensation was not paid to him. His services were not regularized. In his cross examination, workman says he was engaged by Branch Manager M.M.Khan. He had given application for the job post was not advertised. His name was not sponsored through Employment Exchange. He was engaged on daily wages. He was paid wages for his working

days. Payment of wages was made by Branch Manager. He was unable to tell for how many days he worked in the year 1992. He was unable to tell his working days during 1992 to November 1997. Workman admitted that when regular employees was on leave, he used to be engaged. Work of cleaning, drinking water was taken from him. Workman denies that before opening branch, work of cleaning sweeping was carried for two hours. Appointment letter was not issued to him. Witness Madhav in his affidavit of evidence corroborated evidence of workman that workman was continuously working from 1994 to 1997. In his cross examination, said witness says that he had seen workman working till year 1994. From reply given to Question put to the witness, it doesnot shatter from his evidence that workman was working from 1992 to 1997. In cross examination of this witness, nothing is brought that he donot see workman working after 1994.

7. Witness Shankarlal in his affidavit has stated that workman was working from 1992 to 1997. In his cross examination, said witness said he himself was working as peon in 2006. Initially his name was sponsored through Employment Exchange. Ist party workman was engaged by M.M.Khan Branch Manager. Name of Ist party was not sponsored through Employment Exchange. In his further cross examination, this witness says he could not tell how many days he was on leave during 1992 to 1997. He could not tell how many days he worked during the year 1992 to 1997. He could not tell how many days he worked during the year 992 to 1997. Any ordinary person could not tell his working days asked in such manner. It cannot be ground for rejecting his evidence that workman was continuously working during 1992 to 1997.

8. Management's witness Nabarun Chatterjee supported contentions in Written Statement filed by workman. His evidence is by way of denial that workman not worked more than 240 days, he was not paid Rs.1200 per month. In his cross examination, witness of management says he is not acquainted with workman. He doesnot know workman worked during 1992 to 1997 or he had worked more than 240 days during each of the year. At fag end of his cross examination, witness says he has no knowledge regarding services of Ist party workman. If evidence of Ist party workman and his witnesses is carefully considered, evidence of management's witness cannot be preferred to evidence of workman and his witnesses. Management's witness has absolutely no knowledge about working of Ist party. Document Exhibit W-1 also corroborates evidence of workman. Said letter given by Branch Manager shows information that the workman was engaged in leave vacancy since March 1992. Moteshwari bai earlier engaged was engaged since 1994, she attained age of 85 years. Branch Manager has recommended name of Ist party workman in her place. Besides above, application for production of documents was submitted by Ist party regarding attendance, payment vouchers, list of other workman engaged circulars issued by the management etc. Management claimed that payment vouchers, attendance was not maintained. Such working by the management that engaging workman as casual labour intermittently without maintaining such record deserves evidence of workman and its witnesses to be believed.

9. Shri A.K.Shashi for management arguing that burden of proof lies on workman relies on ratio held in case between-

Surendranagar District Panchayat versus Dahyabhai Amarsingh reported in 2005(8)SCC-750. Their Lordship held dealing with Section 25-F, B of ID Act held that facts must be proved by workman to claim protection under Section 25-F. that there exists relationship of employer and employee, he is a workman under Section 2(s) of ID Act, establishment in which he is employed is an industry, that he has put in not less than one year of continuous service burden of proof lies on workman, it is for workman to adduce evidence apart from examining himself or filing an affidavit to prove the said factum. Such evidence may be in form of receipt of salary or wages for 240 days or record of his appointment or engagement for that year to show that he has worked with the employer for 240 days or cross examination of a co-worker.

Workman has filed affidavit of two co-workers. He has established all 4 conditions discussed above. Workman has discharged his burden of continuously working more than 240 days during each of the year.

10. Evidence on record shows that services of workman were terminated without notice, retrenchment compensation was not paid to him. Termination of workman is in violation of Section 25-F of ID Act as such illegal. For above reasons, I record my finding in Point No.1 in Negative.

11. Point No.2- In view of my finding in Point No.1 termination of services of workman is illegal, questions remains for consideration whether workman is entitled for reinstatement with backwages. Evidence on record shows that workman was working from March 1992 to November 1997 for about 5 years 8 months. Shri A.K.Shashi for management submits that workman is not entitled for reinstatement.

12. Reliance is also placed on ratio held in case between-

Post Master General Kolkata and others versus Tutu Das (Dutta) reported in 2007(5)SCC-317. Their Lordship dealing with entitlement for regularization held that irregular appointees by Government. Government circular directing regularization in contravention of statutory rules held no regularization is permissible in exercise of executive power under Article 162 of the constitution. Regularization of similarly situated person held the same doesnot create

an entitlement to regularization on ground of equal treatment under Article 14. Ist party workman was not issued appointment orders. There is no question of his regularization on the basis of circular issued by the Government.

13. Shri A.K.Shashi also relies on ratio held in case between

Indian Drugs & Pharmaceuticals Ltd. versus workmen Indian Drugs and Pharmaceuticals Ltd. reported in 2007(1)SCC-408. Their Lordship held Court cannot create a post where none exists, not issue directions to absorb or regularize temporary employees nor continue them in service nor pay them salaries of regular employees as these are purely executive or legislative functions. Supreme Court cannot arrogate to itself powers of the executive or legislature.

The terms of reference doesnot pertain to regularization rather term of reference pertain to legality of the termination of services of Ist party workman. In view of my finding in Point No.1 termination of services of workman is found illegal for violation of Section 25-F of ID Act. Therefore question is if termination of services of Ist party is found illegal, whether workman is entitled for reinstatement with backwages. On above point, learned counsel for Ist party Shri Soni relies on judgment in

Writ Petition No. 14719/2016 – MP High Court, Jabalpur. His Lordship considering ratio held in Hindustan Tin Works Vrs Employees 1979(2)SCC-80 and that workman had worked more than 240 days termination of his services was in violation of Section 25-F of ID Act. The reinstatement awarded by Tribunal was not interfered.

14. Shri A.K.Shashi on above point relies on ratio held in case between

Bhavnagar Municipal Corporation and others versus JadejaGovubhaChhanubha and another reported in 2015(2)SCC(L&S)-513. Their Lordship held illegality in termination order on account of non-payment of retrenchment compensation doesnot necessarily result in reinstatement. Compensation may be awarded in lieu of reinstatement. On facts considering that respondent had worked only for 18 months three decades earlier was past 50 years of age and transport department in which he was working had wound up, a sum of Rs.2,50,000 was awarded as compensation.

In present case, 2nd party Bank is not woundup. Workman worked more than 5 years before termination of his service. Age of Ist party workman shown in his affidavit of evidence is 43 years in the year 2013. His present age is around 47 years. Though workman claims that he was unemployed cannot be believed, how he survives. Considering judgment in Bhavnagar itself, relief of reinstatement with 50 % backwages deserves to be allowed to the workman. Accordingly I record my finding in Point No.2.

15. In the result, award is passed as under:-

- (1) The termination of service of Shri Pradeep Kumar, Ex-temporary sub staff of Rajnandgaon Branch of Bank of India w.e.f. 27-11-97 by the management of the Bank is not proper and legal.
- (2) Termination of workman is set-aside. Management is directed to reinstate workman with continuity of service with 50 % backwages.
- (3) Amount as per above order shall be paid to workman within 30 days from the date of notification of award. In case of default, amount shall carry 9 % interest per annum from the date of award till its realization.

AWARDPassed on this 5th day of July 2017

1. As per letter dated 4-2-09 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D. Act, 1947 as per Notification No.L-12011/97/2008-IR(B-II). The dispute under reference relates to:

“Whether Shri Ram Singh Ahirwar S/o Shri Bansilal is entitled for payment of difference of wages w.e.f. 28-8-96 to 9-5-97 as per the Bipartite Settlement? If yes, what relief he is entitled to get?”

2. After receiving reference, notices were issued to the parties. Ist party submitted statement of claim. Case of workman is that he was engaged as sub staff/ peon by Branch Manager Madhu Pandey on 22-8-96. He was continuously working for more than 240 days, he was working 8 hours in a day . He was paid wages Rs.55 per day, wages were increased to Rs.65/-. He was paid Rs.10 additional amount for going to clearing house. After he claimed regular appointment, bonus and revised pay scales, he was terminated without notice. Dispute raised by him challenging termination R/31/00 is pending. That he was working from 22-8-96 to 9-5-97. He was not paid revised pay as per 6th Bipartite settlement. The pay scales were revised by bipartite settlement. He was not paid wages as per revised pay scales under 5th Bipartite Settlement. State Bank of India, Karur Vaishya Bank, Bank of Maharashtra have paid difference of wages to temporary peon/ daily wage employees. Management not paid revised pay as per bipartite settlements and violated the settlements which is punishable under Section 29 of ID Act. On such ground, workman is praying difference of wages as per bipartite settlement with interest.

3. 2nd party filed Written Statement opposing claim of workman. Preliminary objection is raised that Shri R.Nagwanshi so called General Secretary of Daily Wage Bank Employees Union is not competent to represent the workman, he is representing workman in R/149/90, 6/97, 238/98, 17/98, 96/07. 2nd party has also pleaded that Shri R.Nagwanshi is directed to file comprehensive affidavit w.r.t. Union or office bearer and produced documents. 2nd party denies that workman worked from 22-8-96. Management denies that the workman worked more than 240 days during every year and worked 8 hours per day. Management denied claim for difference of wages for the period 22-8-96 to 9-5-97.

4. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) “Whether Shri Ram Singh Ahirwar S/o Shri Bansilal is entitled for payment of difference of wages w.e.f. 28-8-96 to 9-5-97 as per the Bipartite Settlement?”	In Negative
(ii) If not, what relief the workman is entitled to?”	Workman is not entitled to any relief.

REASONS

5. Point No.1- The term of reference pertains to difference of wages as per Bipartite settlement claimed by workman. Workman filed his affidavit of evidence. In affidavit, he has stated that he was working as casual worker from 9-11-88 to 28-2-90 in corporate office Bhopal from 1-5-90 to 21-8-96 at Habibganj. He was directed to work at Arera colony from 22-8-96. His services were terminated without notice on 9-5-97. R/31/00 is pending. Arrears were deposited in Saving Account No. 4489/23, bonus Rs.1246, 142 was paid in his Saving Account. He was paid wages Rs.55 which were increased to Rs.65/-. He was paid additional amount Rs.10 for going to clearing house. From his evidence, documents Exhibit W-1,2, 2/1 to 2/2 admitted in evidence. In his cross-examination, workman says from 21-8-96 to 10-5-97, he was working in Arera Colony branch. That during 9-11-88 to 28-2-90, he was working on daily wages in Regional Office, Bhopal. Notification about vacant post was issued. He submitted application, its copy is not produced on record. Appointment letter was not given to him. Order in writing was not given to him for working in Arera colony branch from 1-3-90. Order in writing was not given to him for working in Arera colony from 21-8-96. He was working in said branch as per oral directions. He was not appointed following selection process. He denies that he was engaged as per exigency of work. In Arera colony, he was paid wages at end of month. He was paid for his working days preparing vouchers. he was not paid monthly wages. He denied that he did not work 8 hours in a day. He denies that he not worked for 240 days.

6. Management filed affidavit of evidence of Shri Arun Kumar supporting whole contentions in Written Statement. Management's witness says he was not posted in Habibganj branch. He knows that workman was working in Arera colony branch as per information given by staff members. Workman never worked under him. He claims ignorance what work workman was doing and about payment of wages. Documents about payments made to workman are not produced in the case. He claims ignorance about instructions about payment to be made to casual labours. He admits that affidavit of his evidence is filed as per information received from Bank employees. He had not seen any documents w.r.t. workman. He denies that workman was deliberately not given revised pay as per Bipartite settlement. Documents produced by workman Exhibit W-2/1 is letter dated 3-7-09 given by Regional Manager, W-2/2 is information given to workman under RTI Act shows that workman was engaged as casual labour from 1988 to 1997. Management produced Exhibit M-1 pertains to policy and procedure to be adopted for recruitment to the post in subordinate cadre. Evidence shows that workman was not appointed following recruitment process.

7. Shri R.K.Dhote learned counsel for Ist party on the point relies on ratio held in case between

Chief General Manager versus Rajnoo reported in 2017-LLR-641. In para-19 their Lordship observed that one of the ground raised by Petitioner is delay of 5 years in raising the dispute which as per petitioner disentitles the workman from any relief is taken note of and rejected at the outset.

The facts of present case are not comparable. Dispute is raised after 12 years. Workman had challenged termination in R/31/00. No explanation is given why present dispute is raised after 9 years even after R/31/00.

8. Management has produced 5th Bipartite settlement. Para-15 at Page 368 pertains to modified service condition of part time employees with notifications sub staff working upto 3 hours per week to be paid Rs.60 per month working more than 3 hours to be paid Rs.175 per month working 6 to 13 hours 1/3rd of scale wages proportionate to casual increment. Working 13 to 9 hours in a week 1/2 of scale wages. That 19 to 30 hours 3/4th scale wages, beyond 20 hours work- full scale wages. Clause 8 of 5th Bipartite settlement is silent w.r.t. daily wage employees. Workman was not appointed as regular employee following selection process neither he was engaged as part time employee. Workman was engaged on daily wage basis. Therefore he is not entitled to revised pay under 5th Bipartite Settlement.

9. Copy of award in R/31/00 is submitted for perusal. Termination of workman was found illegal in violation of Section 25-F of ID Act. Compensation Rs.2 Lakh was awarded to him.

10. Learned counsel for workman Shri Dhote relies on ratio held in case between-

P.Virudhachalam and others versus management of Lotus Mills and others reported in 1998-LLR-240. Ratio held in above cited case pertains to binding effect of settlement arrived at during conciliation proceedings and not delay in raising dispute.

Reliance is also placed in case between Mysore Stoneware Pipes and Potteris Ltd versus State of Karnataka reported in 1998-LLR-567. His Lordship considering dispute pertaining to termination of their services was raised after 9 years. State Government referred dispute to the Labour Court for adjudication. Employer challenged order of reference by the Government on the ground that there has been inordinate delay in raising the Industrial Dispute. State Government could not have declined to make a reference.

The facts of present case are different. Dispute is raised after 19 years and even after 9 years of R/31/00. The dispute raised by workman is also not tenable on account of delay. Point No.1 is answered accordingly in Negative.

11. In the result, award is passed as under:-

- (1) The workman Shri Ram Singh Ahirwar S/o Shri Bansilal is not entitled for payment of difference of wages w.e.f. 28-8-96 to 9-5-97 as per the Bipartite Settlement?
- (2) Workman is not entitled to any relief.

AWARD

Passed on this 5th day of July 2017

1. As per letter dated 10-2-2009 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D. Act, 1947 as per Notification No.L-12011/130/2008-IR(B-II). The dispute under reference relates to:

“Whether Shri Jaisingh Solanki S/o Shri Krishnan Bahadur Solanki is entitled for payment of difference of wages as per the Bipartite Settlements? If yes, to what relief he is entitled to get?”

2. After receiving reference, notices were issued to the parties. Workman submitted statement of claim through General Secretary, Daily Wage Bank employees Union. Case of Ist party workman is that he was engaged by Branch Manager Sharadlal as peon/ substaff on November 1989. He was working 8 hours every day. He completed 240 days continuous service. He was paid wages Rs.18. wages were increased to Rs.20,30,40,50,60, 70, 80& 90 per day. After he claimed for bonus and revised pay scale. His services were terminated in violation of Section 25-F of ID Act. Dispute raised by him w.r.t. termination. Ist party workman claims difference of wages from November 1989 to April

2004 as per 5th to 8th bipartite settlement. Workman also submits that difference of wages are paid by State Bank, Karur Vaishya Bank, Bank of Maharashtra to temporary daily wage peon. 2nd party has violated settlements which is punishable under ID Act. On such ground, he claims difference of wages.

3. 2nd party filed Written Statement opposing claim of Ist party. Preliminary objection is raised that the Union is not functioning in the Bank. Ist party workman was not employed in Bank, he was not member of so called Union. Union has no locus-standi. Reference is not maintainable. It is further submitted that workman raised dispute claiming employment bearing R/103/07 is pending. Workman raised another dispute for difference of wages only with a view of cause harassment and pressure on the management. That terms of reference is contrary to the facts of the case. Claimant was not appointed by Bank. There was no employer employee relationship. Reference is misconceived. That appointments in the Bank are covered by statutory rules and regulations. Ist party workman was intermittently engaged on need basis. He was not empanelled for appointment in sub staff against permanent vacancy. He was paid daily wages on day of his engagement as pr existing rates. Workman accepted daily wages without any objection. He is not entitled to pay scale prescribed with regular employees. Workman was not appointed after selection process. The engagement was of casual nature. That Para 495 is applicable to permanent employees. Claimant was not appointed by Bank. He is not employee of the Bank Ist party was sanctioned loan of Rs.15000 under scheme of Government of India. He had defaulted in payment of instalments. After demand notice for recovery of outstanding dues, dispute s raised. 2nd party reiterates above contentions in parawise reply in the Written Statement. 2nd party submits that workman is not entitled to wages as per bipartite settlement as he is not regular employee of the Bank. On such ground, 2nd party prays for rejection of claim.

4. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether Shri Jaisingh Solanki S/o Shri Krishnan Bahadur Solanki is entitled for payment of difference of wages as per the Bipartite Settlements?	In Negative
(ii) If not, what relief the workman is entitled to?"	Workman is not entitled to any relief.

REASONS

5. The term of reference pertains to difference of wages as per bipartite settlement to workman Jaisingh Solanki. Ist party workman filed affidavit of his evidence. In affidavit of evidence, workman submits that from November 89 to April 2004, he was continuously working in Dena Bank, Station Road, Ratlam on daily wages. That he was paid wages under voucher. After one Rajendra filed proceeding workman was discontinued. He was paid wages Rs.18 to 19 per day. In his cross examination, he says he was employed by Branch Manager, appointment order was received by him. It is not produced in the case. He was engaged on daily wages. He was paid wages for his working days. Initially he was paid Rs.18 per day. Even when he was not working, he was paid wages by the officer. Initially his signatures were obtained on payment vouchers. his name and working days used to be written in payment voucher till Mr. Lad was Branch Manager. After other Manager came in the Bank, his signatures were obtained on payment voucher. Branch Manager was preparing payment voucher in his own name and used to make him payment. In his further cross examination says that Branch Manager Sharad Lal was not paying him wages when he was not working. That he denied that he had taken loan of Rs.50,000 for grossery shop and furniture. He denies that after his discontinuation, he was running grossery shop. Workman has produced certified copies of proved documents in R/103/07 are admitted at Exhibit W-1 to 6.

6. Management filed affidavit of evidence of Dr. Sandeep Kumar Srivastava supporting whole contentions in Written Statement filed by management that workman was not bank employee, employer employee relationship doesnot exist between parties. Workman was engaged for doing casual nature of job. He not completed 240 days continuous service. That claim of workman for gratuity was rejected by Appellate Authority. Management's witness in his cross examination says presently he doesnot know workman. He was not posted in Ratlam branch during November 89 to April 04. He had not seen record in the Bank. He was unable to tell what procedure was followed for engaging workman on daily wages. Manageme3nt's witness admits that employee working for 30 days is entitled for bonus. Said evidence is not relevant as present dispute pertains to difference of wages as per bipartite settlement and not bonus.

7. Management has produced Exhibit M-1 copy of order passed by Appellate Authority in the matter of gratuity claimed by workman. Claim of workman for gratuity was rejected. Documents Exhibit M-2 to M-26 produced by 2nd party regarding loan transaction. Exhibit M-27 produced by management is copy of award in R/103/07 is produced for

perusal. Termination of workman was found illegal for violation of Section 25-F, compensation Rs. One Lakh was awarded to the workman. Workman has not produced copy of 5th to 8th Bipartite settlement. Documents produced at P-1 to P-4 cannot be said complete bipartite settlement. Workman has failed to establish that he is entitled to wages under 5th to 8th Bipartite settlement. For above reasons, I record my finding in Point No.2 in Negative.

8. In the result, award is passed as under:-

- (1) Workman Shri Jaisingh Solanki S/o Shri Krishnan Bahadur Solanki is not entitled for payment of difference of wages as per the Bipartite Settlements.
- (2) Workman is not entitled to any relief.

AWARD

Passed on this 10th day of July, 2017

1. As per letter dated 14-2-2011 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No. L-12011/69/2010-IR(B-II). The dispute under reference relates to:

“Whether Shri Jagdish Parihar is a workman within the provisions of Industrial Disputes Act? Whether the applicant services were terminated in violation of Section 33 of Industrial Disputes Act 1947? If yes, then what relief he is entitled for? Whether the applicant is entitled for regularization in the services of non-applicant? If yes, then the benefits if any, he is entitled for?”

2. After receiving reference, notices were issued to the parties. Ist party workman submitted statement of claim through General Secretary, Daily Wage Bank Employees. Case of workman is that his services are terminated in violation of Section 33 of ID Act. That he was engaged in Kaythabbranch of the Bank as daily wage peon from 23-11-83 to 1990. He was again engaged on 23-11-93 after his representation dated 27-11-91. He had requested documents from Branch Manager as per letter dated 16-4-96. He was already re-engaged as per his representation dated 27-11-91. His signatures were obtained on blank papers. Said blank paper was used for typing the contents and sending information to head office. In the year 994-95, he was paid bonus Rs.491/-. On 25-11-08, he had raised dispute for regularization/ conciliation was fixed on 24-3-09. His services were terminated on 4-3-09 without notice violating Section 25-F & Section 33 of ID Act. Above contents are reiterated by workman. He further submits that he was granted advance of Rs.1000 from staff account repayable in 10 instalments. It is reiterated that after conciliation proceedings were fixed on 24-3-09, his services were terminated on 4-3-09 violating Section 33 of ID Act. On such ground, workman submits that termination of his service is illegal. He prays for his reinstatement with backwages.

3. 2nd party filed Written Statement opposing claim of workman. Preliminary objection is raised that the reference is not tenable. Dispute doesnot lie against Managing Director as he is not appointing or Disciplinary Authority of Ist party. The so called Union is not functioning in the Bank. Union has no locus to raise the dispute. That claimant is not workman. His claim for regularization is not legal as the claimant was never employed in the Bank. The terms of reference are reproduced. 2nd party further submits that Bank has its recruitment policy. Workman was not appointed following selection rules. He was not sponsored through Employment Exchange. Workman was not appointed in the Bank. Employer employee relationship doesn't exist. There is no dispute between parties. The circulars, Bipartite Settlement governs service condition of employees of Bank including Desai Award, casual laburs, badly engaged from local area depending upon availability of workers. Such daily wagers are paid wages. Their services ends at end of day. Engagement of claimant during 23-11-83 to 1990 is denied. Termination of claimant in violation of Section 33 of ID Act is denied. That for carrying smooth customer service, the persons engaged are paid fair amount at prevailing rate by Branch Manager. However he is not Appointing Authority. The reservation policy for SC ST OBC is required to be followed by the Bank. Daily wager has no right to the post. Claimant accepted engagement on daily wages with open eyes. His disengagement doesnot amount to retrenchment. Benefit of Bipartite Settlement are applicable to regular employees. Claimant was intermittently engaged on daily wages. Dispute is raised after lapse of 21 years. Claimant had applied for loan and sanction loan of Rs.49000/-. It is denied that claimant was engaged as peon. All adverse contentions of Ist party are denied. It is denied that Bank has violated provisions of ID Act. 2nd party also submits that claimant was not member of daily wage Bank Employees Union. Shri R.Nagwanshi General Secretary is not authorized to represent the workman. On such ground, 2nd party prays for rejection of claim.

4. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether Shri Jagdish Parihar is a workman within the provisions of Industrial Disputes Act?	In Affirmative
(ii) Whether the applicant services were terminated in violation of Section 33 of Industrial Disputes Act 1947?	In Negative
(iii) Whether the applicant is entitled for regularization in the services of non-applicant?	In Negative
(iv) If not, what relief the workman is entitled to?"	Workman is not entitled to any relief.

REASONS

5. Point No.1- As per order of reference whether claimant is workman has been referred for adjudication. Claimant workman claims that he was engaged as daily wage peon. Above contentions of claimants are not denied in Written Statement filed by management rather the management also contented that claimant was engaged intermittently as per need of work. He was paid daily wages. Workman is defined under Section 2(s) of ID Act.

“Workman” means any person (including an apprentice) employed in any industry to do any manual, unskilled, skilled, technical, operational, clerical or supervisory work for hire or reward, whether the terms of employment be express or implied, and for the purposes of any proceeding under this Act in relation to an industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection with, or as a

consequence of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute but does not include any such person-

- i. who is subject to the Air Force Act, 1950
- ii. who is employed in the police service or as an officer or other employee of a prison
- iii. who is employed mainly in a managerial or administrative capacity
- iv. who being employed in a supervisory capacity, draws wages exceeding Rs.10000/- per mensem or exercises, either by the nature of the duties attached to the office.

6. In Written Statement filed by management, any ground are not pleaded that claimant is taken out of scope of Section 2(s) as working daily wage peon is manual unskilled work. Evidence of claimant that he was engaged as peon on daily wages is not shattered. For above reasons, I record my finding on Point No. in Affirmative.

7. Point No.2- The term of reference order pertains to whether services of claimant are terminated in violation of Section 33 of ID Act. Workman filed affidavit of evidence supporting contentions in statement of claim. In his cross-examination, he says he does not recollect date of submitting application to ALC. He did not remember the date of order of reference sent by Government. When R/54/11 was referred, he was not in service. When he submitted application before ALC, he was not in service. The order of reference in present case is dated 14-2-2011. As per pleadings of claimant, his services were terminated on 4-3-09 long before the order of reference was made by the Government and cognizance of reference is taken.

8. Section 33 of ID Act provides-

“During pendency of any proceeding before the Labour Court or Industrial tribunal in respect of an industrial dispute, the employer shall not in regard to the matter connected with the dispute, change conditions of service prejudicially to such workmen. Section 33(2)(a) provides- Alter in regard to any matter not connected with the dispute, the conditions of service applicable to that workman immediately before the commencement of such proceeding.

When service of claimant workman was terminated, any proceeding was not pending before this Tribunal rather as per pleadings, during pendency of conciliation proceeding before RLC, services of claimant were terminated on 4-3-09. The documents produced Exhibit W-2 to 4, letter dated 23-1-09 issued by RLC, management was directed not to violate Section 33 of ID Act is clear that services of claimant workman were terminated during pendency conciliation proceeding. Services of claimant were not terminated during pendency of present reference. Therefore Issue No.2 is answered in Negative.

9. Point No.3- In support of his claim, Ist party submitted copy of judgment in case between-

Jaipur Zila Sahakari Bhoomi Vikas Bank Ltd. versus Ram Gopal Sharma and others reported in 2002-SCC(L&S)-279. Their Lordship held conditions of Section 33(2)(b) are mandatory. If the authority grants approval, it follows that the order of discharge or dismissal have never been passed.

The facts of present case are not comparable. In above case, after conducting enquiry, approval for dismissal of employee was sought. Besides it as discussed above, the claimant's services were not terminated during pendency of present reference rather his services were terminated during pendency of conciliation proceedings. Therefore violation of Section 33 is not established before this Tribunal. The cognizance of violation could not be taken by Tribunal as service conditions/ dismissal of workman had not occurred during pendency of present reference. The term of reference also pertains to claim for regularization of workman. In case violation of section 33 is established, complaint under Section 33 requires to be decided as reference. Workman has already raised dispute R/54/11 challenging termination of his service.

10. So far as evidence of management's witness Ram Prakash Ojha filed affidavit of evidence supporting whole contentions in Written Statement filed by management. In his cross, witness claims ignorance about workman raising 3 disputes before ALC. He also claims ignorance about termination of services of claimant on 4-3-09. Evidence on record in present case does not show that workman was continuously working, any rule is not brought to notice that claimant is entitled for regularization as main contention w.r.t. termination of services in violation of Section 33-A of ID Act is not established in the case. Therefore claim for regularization of the workman also cannot be granted. For above reasons, I record my finding in Point No.3 in Negative.

11. Point No.4- In view of my finding in Point No. 2, 3 workman is not entitled to any relief. Accordingly I record my finding in Point No.4.

12. In the result, award is passed as under:-

- (1) The claimant is workman under Section 2(s) of ID Act.
- (2) The services of workman are not terminated in violation of Section 33 of ID Act. Workman is not entitled for regularization in service.
- (3) Workman is not entitled to any relief.

AWARD

Passed on this 5th day of July, 2017

1. As per letter dated 5-2-09 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No.L-12011/99/2008-IR(B-II). The dispute under reference relates to:

“Whether Shri Ram Singh Ahirwar S/o Shri Bansilal is entitled for payment of difference of wages w.e.f. 1-3-90 to 21-8-96 as per the Bipartite Settlement? If yes, what relief he is entitled to get?”

2. After receiving reference, notices were issued to the parties. Ist party submitted statement of claim. Case of workman is that he was engaged as sub staff/ peon by Branch Manager S.P.Surana on 1-3-90. He was working 89

hours every day. He completed 240 days continuous service during each of the year. He was paid wages Rs.35 per day, wages were increased to Rs.45/-. After he claimed regular appointment, bonus and revised pay scales, he was terminated without notice. Dispute raised by him challenging termination R/31/00 is pending. That he was working from 1-3-90 to 21-8-96. The pay scales were revised by bipartite settlement. He was not paid wages as per revised pay scales under 5th Bipartite Settlement. State Bank of India, Karur Vaishya Bank, Bank of Maharashtra have paid difference of wages to temporary peon/ daily wage employees. Management not paid revised pay as per bipartite settlements and violated the settlements which is punishable under Section 29 of ID Act. On such ground, workman is praying difference of wages as per bipartite settlement with interest.

3. 2nd party filed Written Statement opposing claim of workman. Preliminary objection is raised that Shri R. Nagwanshi so called General Secretary of Daily Wage Bank Employees Union is not competent to represent the workman. Union is not functioning in the Bank. Shri Ram Nagwanshi is dismissed from service. He is not competent to represent workman. 2nd party has also pleaded that Shri R. Nagwanshi is directed to file comprehensive affidavit w.r.t. Union or office bearer and produced documents. 2nd party further submits that in R/31/00, workman had claimed he was appointed on 9-11-88 and continuously worked till 10-5-97. Whereas in present case, he claims he was appointed in Zonal office of UCO Bank on 1-3-90 by Manager M.P. Surana. That workman had not worked for 8 hours in a day. It is denied that workman completed 240 days working during any of the year. Workman was not appointed by Bank following recruitment rules and regulations. It is submitted that workman is not entitled to difference of wages claimed by him. Workman was neither temporary sub staff. Revised pay under Bipartite settlement cannot be claimed by workman as he was not appointed in regular vacancy following recruitment policy. That engagement of 1st party workman was on daily wages as per need. It is denied that workman was appointed from 1-3-90 and worked till 21-8-96. He is not employee in subordinate cadre. Workman is not entitled to scale wages as per bipartite settlement. 2nd party prays for rejection of claim.

4. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Shri Ram Singh Ahirwar S/o Shri Bansilal is entitled for payment of difference of wages w.e.f. 1-3-90 to 21-8-96 as per the Bipartite Settlement?	In Negative
(ii) If not, what relief the workman is entitled to?"	Workman is not entitled to any relief.

REASONS

5. Point No.1- The term of reference pertains to difference of wages as per Bipartite settlement claimed by workman. Workman filed his affidavit of evidence. In affidavit, he has stated that from 9-11-88 as casual worker, he was orally engaged in Regional Office, Bhopal as casual workers. From 1-3-90, he was directed to work as casual labour in Habibganj branch. He was working in said branch till 22-8-96. He was paid wages Rs.35,40,45 per day. Documents Exhibit W-1/1 to 44, Exhibit W-2/1 to 2/2 are admitted in his evidence. In his cross-examination, workman says vouchers were supplied to him by Daftary. He admits that payment was made to him under different vouchers Exhibit W-1/1 to 44. From 1-3-90 to 21-8-96, he worked in Habibganj branch. There was no advertisement issued by Bank. He not submitted application. He was not interviewed for selection. Order in writing was not given to him for working in Habibganj branch. He was working in Habibganj branch as per oral directions. Shri D.K. Parwanews Regional Manager, he was paid Rs.40 per day in Habibganj branch at end of month. He was not paid monthly wages. He denied that he not worked 8 hours in a day, he not completed 240 days working during any year.

6. Management filed affidavit of evidence of Shri Chinmy Sahu supporting whole contentions in Written Statement. Exhibit M-1/ to /2 are admitted in evidence. Management's witness in his cross says he joined Bank service in 2006. From 30-5-16, he is posted at Habibganj branch. Workman did not work under him. He was unable to tell what work workman was doing, how much pay was paid to him. He admits that peon working in the Bank is covered in sub staff cadre. He denies that for appointment in sub staff cadre, advertisement is not required. He was unable to tell at what rate workman was paid wages. Documents P-1 to P-2 produced by workman cannot be said complete bipartite settlement, same are not proved by valid evidence. Documents vouchers Exhibit W-1/1 to /44 shows payment to staff. Exhibit W-1 to 11 shows payments made to workman. During the period 5-2-94 to 6-4-94 in vouchers Exhibit W-1 to 44 name of workman is written. Payments are made to workman till 26-1-94. Exhibit M-1 produced by management relating to policy and procedure adopted for recruitment of subordinate staff. Evidence of workman is clear that he was not appointed following recruitment selection process.

7. Shri R.K.Dhote learned counsel for Ist party on the point relies on ratio held in case between

Chief General Manager versus Rajnool reported in 2017-LLR-641. In para-19 their Lordship observed that one of the ground raised by Petitioner is delay of 5 years in raising the dispute which as per petitioner disentitles the workman from any relief is taken note of and rejected at the outset.

The facts of present case are not comparable. Dispute is raised after 19 years. Workman had challenged termination in R/31/00. No explanation is given why present dispute is raised after 9 years even after R/31/00.

8. Management has produced 5th Bipartite settlement. Para-15 at Page 368 pertains to modified service condition of part time employees with notifications sub staff working upto 3 hours per week to be paid Rs.60 per month working more than 3 hours to be paid Rs.175 per month working 6 to 13 hours 1/3rd of scale wages proportionate to casual increment. Working 13 to 9 hours in a week 1/2 of scale wages. That 19 to 30 hours 3/4th scale wages, beyond 20 hours work- full scale wages. Clause 8 of 5th Bipartite settlement is silent w.r.t. daily wage employees. Workman was not appointed as regular employee following selection process neither he was engaged as part time employee. Workman was engaged on daily wage basis. Therefore he is not entitled to revised pay under 5th Bipartite Settlement.

9. Copy of award in R/31/00 is submitted for perusal. Termination of workman was found illegal in violation of Section 25-F of ID Act. Compensation Rs.2 Lakh was awarded to him.

10. Learned counsel for workman Shri Dhote relies on ratio held in case between-

P. Virudhachalam and others versus management of Lotus Mills and others reported in 1998-LLR-240. Ratio held in above cited case pertains to binding effect of settlement arrived at during conciliation proceedings and not delay in raising dispute.

Reliance is also placed in case between Mysore Stoneware Pipes and Potteris Ltd versus State of Karnataka reported in 1998-LLR-567. His Lordship considering dispute pertaining to termination of their services was raised after 9 years. State Government referred dispute to the Labour Court for adjudication. Employer challenged order of reference by the Government on the ground that there has been inordinate delay in raising the Industrial Dispute. State Government could not have declined to make a reference.

The facts of present case are different. Dispute is raised after 19 years and even after 9 years of R/31/00. The dispute raised by workman is also not tenable on account of delay. Point No.1 is answered accordingly in Negative.

11. In the result, award is passed as under:-

- (1) The workman Shri Ram Singh Ahirwar S/o Shri Bansilal is not entitled for payment of difference of wages w.e.f. 1-3-90 to 21-8-96 as per the Bipartite Settlement.
- (2) Workman is not entitled to any relief.

4. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether Shri Ram Singh Ahirwar S/o Shri Bansilal is entitled for payment of difference of wages w.e.f. 9-1-1988 to 28-2-1990 as per the Bipartite Settlement?	In Negative
(ii) If not, what relief the workman is entitled to?”	Workman is not entitled to any relief.

REASONS

5. Point No.1- The term of reference pertains to difference of wages as per Bipartite settlement claimed by workman. Workman filed his affidavit of evidence. In affidavit, he has stated that from 9-11-88 to 28-2-90, he was orally engaged in Regional Office, Bhopal as casual workers. On 1-3-90, he was directed to work as casual labour in Habibganj branch. He was not paid revised pay scales. From his evidence, document Exhibit W-1 is admitted in evidence. In his cross-examination, workman says that in his affidavit, it is wrongly written that he was working in zonal office. In 1988, no advertisement was received for recruitment in Arera colony branch. On demand of Manager, he submitted application. He has not stated about those facts in his affidavit of evidence. He was not selected after interview. Appointment letter was not given to him. He was paid Rs. 25 per day. Wages were paid at end of the week. Wages were paid for his actual working days. He denies that he was engaged as per need. He denies that he not worked 8 hours in a day. He denies that he had worked 240 days in Regional Office. He was paid less wages than other employees. He claims ignorance whether he is employee of subordinate cadre. He was not appointed as regular employee.

6. Management filed affidavit of evidence of Shri Arun Kumar Patra supporting whole contentions in Written Statement filed by management. That there was no vacancy of subordinate cadre. Shri Ram Singh was not appointed in subordinate cadre/ peon in UCO Bank, Zonal Office on 9-11-88. Workman did not work during the period 9-11-88 to 28-2-90. Affidavit is also devoted on the point that workman was engaged according to need and exigency of the Bank. He was free to attend duty or not to attend duty which were purely casual in nature. That Attendance/ Muster roll of workman as not maintained. Workman was not engaged as temporary sub staff. Workman was not paid wages as per scale pay. From evidence of management's witness, documents M-1, M-2 are admitted. In his cross-examination, management's witness says he joined Bank service on 22-8-84. He worked for 2 months in Arera Branch in 2015. Workman did not work under him. He claims ignorance what work workman was doing and payments made to him. Rules about rates of wages paid in Arera branch is not available. Management's witness claims ignorance whether within one year of termination of his services, he complained about wages paid to him. During his service tenure, casual labour were not paid revised pay scale as per Bipartite Settlement. He claims ignorance whether Bank has paid difference of wages to casual labours.

7. 2nd party has also raised point of delay in raising dispute. Difference of wages are claimed for the period 9-1-88 to 28-2-90. Dispute is raised in the year 2009 after 19 years. On the point Shri Bhattacharjee learned counsel for management relies on ratio held in case 2000-SCC-283.

8. Shri R.K. Dhote learned counsel for Ist party on the point relies on ratio held in case between—

Chief General Manager versus Rajnool reported in 2017-LLR-641. In para-19 their Lordship observed that one of the ground raised by Petitioner is delay of 5 years in raising the dispute which as per petitioner disentitles the workman from any relief is taken note of and rejected at the outset.

Workman was engaged on daily wage basis. Therefore he is not entitled to revised pay under 5th Bipartite Settlement.

10. Copy of award in R/31/00 is submitted for perusal. Termination of workman was found illegal in violation of Section 25-F of ID Act. Compensation Rs.2 Lakh was awarded to him.

11. Learned counsel for workman Shri Dhote relies on ratio held in case between-

P. Virudhachalam and others versus management of Lotus Mills and others reported in 1998-LLR-240. Ratio held in above cited case pertains to binding effect of settlement arrived at during conciliation proceedings and not delay in raising dispute.

AWARD

Passed on this 4th day of July, 2017

1. As per letter dated 8-9-12 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No.L-12011/72/2011-IR(B-II). The dispute under reference relates to:

“Whether the demand of the Union for payment of bonus for the period from November 1989 to April 2004 in respect of Shri Jaisingh Solanki is just and proper? If yes, what relief the workman concerned is entitled to?”

2. After receiving reference, notices were issued to the parties. Workman submitted statement of claim through General Secretary, Daily Wage Bank Employees Union. Case of workman is that he was engaged as peon on daily wages in November 1989 by Branch Manager of 2nd party. Wages were increased to Rs. 22, 36, 40, 50, 60, 70, 80, 90 per day. He worked more than 240 days during each of the year. On demand for bonus,. He was orally terminated in

April 2004. He was not served with notice, retrenchment compensation was not paid to him. He worked under various Branch Managers. He claims bonus as per Section 8 of Payment of Bonus Act for the period Nov-89 to April 2004.

3. 2nd party filed Written Statement opposing claim of workman. 2nd party submits that workman is in habit of raising dispute one after another causing harassment to the management. Workman initially raised dispute 103/07 challenging his termination. R/16/09 is raised claiming difference of wages. Union is not in existence. There is no employer employee relationship. Workman was not appointed by the Bank. Branch Manager has no authority to appoint any person in the Bank service. Workman was not appointed following recruitment rules of the Bank. Workman was intermittently engaged for casual nature of job as per exigency. Workman had not worked for 240 days during any of the year. Workman was paid daily wages for his engagement as per existing rates. Workman accepted wages without any objection. Daily wages are not entitled to get scale wages. Ist party workman was not continuously engaged during November 89 to April 2004.

4. 2nd party submits that loan of Rs.50,000 was sanctioned to him. That workman had filed proceeding under PG Act claiming that he was continuously working for 10 years. The Controlling Authority allowed his relief in favour of workman in PGA-9/08. Said order was set-aside by the Appellate Authority. Workman had opened Saving Account at Ratlam branch. He failed to pay instalments of outstanding loan against him. On recommendation of Branch Manager, loan was sanctioned for grossery shop. 2nd party has referred to various documents about sanction of loan, proposal for loan under Prime Minister Rozgar Scheme. 2nd party reiterates that Ist party was intermittently engaged for few days for casual nature of job. Workman has enclosed jurisdiction of this Tribunal. 2nd party prays that reference is not tenable. Workman is not entitled to bonus. Reference be answered in its favour.

5. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether the demand of the Union for payment of bonus for the period from November 1989 to April 2004 in respect of Shri Jaisingh Solanki is just and proper?	In Negative
(ii) If not, what relief the workman is entitled to?"	Workman is not entitled to any relief.

REASONS

6. Point No.1- The term of reference pertains to claim for bonus for the period November 89 to April 2004 by workman. Claim of workman is opposed by management.

7. Workman filed affidavit of his evidence, workman has stated that he was working as peon on daily wages from November 89 to April 2004. He was paid wages Rs.18 per day. Wages were increased upto Rs.90. From evidence of workman, documents Exhibit W-1 to 37 are admitted in evidence. In his cross, workman denies that documents W- 10 were taken for payment by clerk in Bank. Those documents are not written in his handwriting. Copy of those documents were given to him by Daftary working in the Bank, he did not recollect his name. In his further cross-examination, workman says that by end of week, he was paid wages Rs.90 per day. Documents W-11 to 37 not bear his signature. His name is not written in those documents. That he was engaged in the Bank by Branch Manager Mr. Lad. He did not remember whether he had received appointment order. he did not remember about the documents sent through Employment Exchange w.r.t. loan transaction. He further says he had not taken loan for earning the shop. He did not repay loan amount as he was disengaged by Bank and not started grossery shop.

8. Management's witness Dr. Sandeep Kumar filed affidavit of his evidence supporting whole contentions in Written Statement of the management. As Ist party workman has not worked for 240 days, he was not appointed as per recruitment rules. Claim for gratuity by workman was rejected by Appellate Authority. Management's witness in his cross claims ignorance how claim was made to Ist party workman. Management's witness confirmed Exhibit W-1 to 4 Bipartite Settlement were revised after every 5 years. Management's witness claims ignorance whether workman was paid wages as per bipartite settlement and denied voucher P-1 to 8 shown to him. Management's witness was unable to tell why pay for the post of peon was not paid to the workman.

9. Documents Exhibit W- 10 pertains to monetary transaction with Bank of India. Name of workman is not appearing in those documents. Documents W-11 to 37 shows payment of amount for engagement of workers from 25-1-03 to 14-2-04. From those documents, it is clear that wages were paid to some person. Evidence of management's witness is silent any other person was engaged on daily wages in the Bank. Therefore documents Exhibit W-11 to 35 corroborates evidence of workman that he was working during above said period.

10. Documents produced by management Exhibit M-1 is order passed by Appellate Authority under PG Act. Claim for gratuity of workman was rejected by Appellate Authority. Exhibit M-2 is copy of saving Account of Ist party workman. Exhibit M-3 to 26 are documents pertaining to loan advance of Rs.50,000 to Ist party workman. Exhibit 27 is circular dated 17-11-88 matter of restrictions on appointment of part time in the Bank.

11. As per documents W-11 to 37, evidence of workman that he worked in the Bank is corroborated. From those documents, it is clear that workman worked for more than 30 days in the Bank from January 03 to Feb-04. Under Section 8 of Payment of Bonus Act, employee working more than 30 days in a year is eligible for payment of bonus.

12. Learned counsel for 2nd party Shri A.K.Shashi submits that reference is highly belated. Workman is claiming bonus for the period 1989 to April 2004. Dispute is raised in the year 2012 is not tenable on account of delay. In support of above argument, reliance is placed in case between-

Nedungadi Bank Ltd versus K.P.Madhavankutty and others reported in 2000-I-LLJ-56. Their Lordship dealing with power to make reference to achieve above purpose cannot be exercised at any time say after delay of 7 years and there being no industrial dispute existing or apprehended.

Similar view is taken in Judgment in Writ Petition No. 6232/2014 by Bombay High Court, bench Nagpur. Shri A.K. Shashi also relies on case between Chandrappagol A.G versus Assistant Executive Engineer, Ghataprabha Right Bank Canal Construction reported in 2004-II-LLJ-460. His Lordship dealing with Section 10 of ID Act and exercise of powers held dispute seize to exist on account of delay. Government can reject the claim on account of delay. Labour Court can also reject such disputes.

Considering dispute is raised after 8 years, reference is not tenable. Claim of workman for bonus cannot be upheld. For above reasons, I record my finding in Point No.1 in Negative.

13. In the result, award is passed as under:-

- (1) The claim of Union for payment of bonus is not proper and justified on account of delay.
- (2) Workman is not entitled to any relief.

AWARD

Passed on this 10th day of July, 2017

1. As per letter dated 13-6-2011 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No.L-12011/7/2011-IR(B-II). The dispute under reference relates to:

“Whether Shri Jagdish Parihar is a workman within the provisions of Industrial Disputes Act, 1947? Whether his services were terminated without following the provisions of law in an illegal manner? What relief he is entitled to?”

2. After receiving reference, notices were issued to the parties. Ist party claimant filed statement of claim through General Secretary, Daily Wage Bank Employees Union. Case of Ist party is he was engaged by Branch Manager, District Ujjain Shri A.G.Maskrain as daily wage peon on 23-1-93. He was paid wages Rs.60 per day which were increased to Rs.90 and additional payment Rs.20 per day for filing water, Rs.30 per month for washing towels. The payment was made on reimbursement basis to the Branch Manager. He was working six days in a week. Claimant further submits that Branch Manager was drawing amount under bogus bills of kerosene and was making payment to him. That his services are terminated in violation of Section 25-G.N of ID Act. Policy of last come first go was not followed. He was continuously working from 23-11-93 to 4-3-09 after termination of his services, other persons were engaged. Workman was not re-engaged. Management has committed violation of Section 25 H of ID Act. That his services were terminated on 4-3-09 without notice. He was not paid retrenchment compensation. He had worked more than 240 days during each of the year. Termination of his services is illegal. He is covered as employee under Section 25 B of ID Act. On such ground, workman prays for reinstatement with backwages.

3. Management of 2nd party Bank filed Written Statement opposing claim of workman. 2nd party reiterates that the reference is not tenable. Government has made reference mechanically. Considering the facts not in existence that claimant is not workman under Section 2(s) of ID Act, employment in Bank is proceeded by Bank following the formalities calling names from Employment Exchange of eligible candidates conducting interviews and following selection process. Bank has recruitment policy for appointment in all categories, sub-staff calling candidates from Employment Exchange and selection by Committee. Ist party has not disclosed anything with regard to his employment with the management. No documents in that regard are produced. Service conditions of Bank are governed by Bipartite Settlement. Bank has to follow reservation policy for SC ST OBC claimants were not engaged by Competent Authority Regional Manager. That daily wagger has no right to hold the post. The persons who were engaged on daily wages intermittently due to increase of work or absence of regular employee are paid wages by Branch Manager. Said amount is reimbursed to him as per rules. Claimant is not appointed by Competent Authority who was not continuously working. His engagement for few days on daily wages. Claimant also used to supply kerosene for generator in the branch. He was given minor repair work. He was also doing job of washerman. 2nd party reiterates that engagement on daily wages claimed was not obliged to report for duty on next date. That in case candidates are given appointments through back door entry, it would be violative of Article 14,16 of the constitution. Daily wagger is not an employee, he is not entitled to protection of ID Act. On such ground, 2nd party prays for rejection of claim.

4. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether Shri Jagdish Parihar is a workman within the provisions of Industrial Disputes Act, 1947?	In Affirmative
(ii) Whether his services were terminated without following the provisions of law in an illegal manner?	In Negative
(iii) If so, to what relief the workman is entitled to?”	Workman is not entitled to any relief.

REASONS

5. The term of reference pertains to whether claimant is covered as workman under Section 2(s) of ID Act. In his statement of claim, claimant has pleaded that he was engaged as peon on daily wages. 2nd party in its Written Statement also contends that claimant was intermittently engaged on daily wages. Workman is defined under Section 2(s) of ID Act.

“Workman” means any person (including an apprentice) employed in any industry to do any manual, unskilled, skilled, technical, operational, clerical or supervisory work for hire or reward, whether the terms of employment be express or implied, and for the purposes of any proceeding under this Act in relation to an industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection with, or as a consequence of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute but does not include any such person-

- i. who is subject to the Air Force Act, 1950
- ii. who is employed in the police service or as an officer or other employee of a prison
- iii. who is employed mainly in a managerial or administrative capacity
- iv. who being employed in a supervisory capacity, draws wages exceeding Rs.10000/- per mensem or exercises, either by the nature of the duties attached to the office.

In Written Statement filed by management, any ground are not pleaded that claimant is taken out of scope of Section 2(s) as working daily wage peon is manual unskilled work. Workman in his evidence has stated that he was engaged as peon initially in 1st spell from 23-11-83 to 1990 and in 2nd spell from 23-11-93 to 4-3-09. In his cross examination, he says he was working during leaving period of regular employees. For above reasons, I record my finding on Point No. in Affirmative.

6. Point No.2- 2nd part of reference pertains to termination of services of Ist party violating the law. Ist party workman in his affidavit of evidence says in 1st spell he was engaged as peon from 23-11-83 to 1990 and in 2nd spell from 23-11-93 to 4-3-09. He worked under various Branch Managers. He was paid Rs.1000 from staff fund repayable in 10 instalments. After Branch Manager Ram Prakash Ojha came on transfer, he was engaged as sweeper during the leave period. He was also doing work of cleaning towels but he was paid from bogus bills of kerosene drawn by Branch Manager. That he worked more than 240 days during each of the year. His services were terminated in violation of Section 33 of ID Act. Said point is separately decided in R/12/11. From evidence of claimant, documents Article A-1 to 3 were referred in his evidence are not proved by valid evidence. In his further cross, workman says Exhibit W-6 is not bearing signature of any officer. Said document was prepared by him for his memory. Exhibit W-6 was not prepared on the basis of any document. In his cross, he admits during 1983 to 1990, he was called for work during leave period of regular employees. He denies that he not submitted application for service. He received interview call and he was also interviewed. He has not produced any documents in that regard. He denies that he not submitted application for service. He received interview call and he was also interviewed. He has not produced any documents in that regard. He denies that he not received interview call. He was engaged by Branch Manager Mr. Rawat acquainted with him. After 1990, he was working in the branch from March 93 during tenure of Branch Manager Mr. Mukrene. Appointment letter was not given to him. Branch Manager was of his earlier acquaintance. During 94-95, he worked 240 days, he was paid bonus of Rs.49. during 93 to March 09, he worked in Bank but he was unable to tell his working days during respective years. He claimed that he could tell about working days after looking to the record but any record was not brought by him. He admits that demands were made to him for repair work under voucher, generator was operated in the branch. He was supplying kerosene for generator. He was paid for it under voucher. He was doing work of washing towels, its payment were also made to him by separate voucher. He denies that he had not worked in the Bank.

7. Management's witness Ojha submitted affidavit supporting contentions of management in Written Statement. In his cross examination, management's witness says he is acquainted with claimant. During 1983 to 1990, he was not posted in Kaytha branch. He was working in said branch during 21-5-08 to 26-6-09. That rules pertaining to engagement of local persons in the branch on daily wages are not produced. Names of candidates were not called from Employment Exchange, public advertisement was not issued. Rules regarding reimbursement to Branch Manager are not produced. Casual employees were paid wages at Collector rate, its particulars are not produced. Management's witness admitted documents Exhibit W-16 to 56. One Bhagwan Singh Chouhan and Heeralal were working as sub staff in the branch. In their absence, casual labour were engaged. He claims ignorance about asking supply of kerosene from

Bhagwan Singh and Heeralal. Management's witness says that workman was not served notice of termination. He was not paid retrenchment compensation.

8. Turning to the documents, Exhibit W-1 by Branch Manager for appointment of claimant as peon. Exhibit W-2 shows claimant Jagdish was engaged as badly peon. Exhibit W-3 shows claimant had worked as temporary peon since Nov.-1983 till 21-2-84. Exhibit W-4 shows that claimant had passed HSc. examination. He appeared for BA exams. Claimant was recommended for absorption as badly peon. Exhibit W-5 is identical to Exhibit W-4. Directions were given to fill up vacancy of part time peon. Exhibit W-6 letter by Regional Manager engagement of badly sepyo was to be stopped other than badly peon empaneled. Exhibit W-7 to 10 shows engagement of daily wage employees on half pay basis. Exhibit W-1 is letter dated 16-4-96 forwarding application of claimant. Term of reference pertains to whether services of Ist party are terminated violating law indicates to violation of provisions of ID Act. For violation of Section 25-F of ID Act, it is necessary for workman that he completed more than 240 days continuous service preceding 12 months of his termination. The documents produced at Exhibit W-16 to 56 donot bear seal or signature of Bank officers. The payments are made towards supply of kerosene, washing towels and payment of wages. On scrutiny of those documents, it cannot establish that workman was continuously working more than 240 days during the period March 08 to March 09. Payment of kerosene charges in name of different persons cannot support the evidence of Ist party workman in above regard. Evidence of workman that he was submitting bogus bill of kerosene cannot be accepted. From evidence of workman and documents discussed above, it is not established that workman had worked more than 240 days preceding termination of service. In this regard, Shri A.K.Shashi for management relies on ratio held in case between-

Surendranagar District Panchayat Versus Dahyabhai Amarsingh in 2006 Supreme Court Cases (L&S) 38. In said case, Lordship of the apex Court held that burden of proof lies on the workman. It is for the workman to adduce evidence apart from examining himself or filing an affidavit to prove the said factum. Such evidence may be in form of receipt of salary or wages for 240 days or record of his appointment or engagement for that year to show that he has worked with the employer for 240 days or examination of a co-worker."

Burden of proof lies on workman. It is for workman to adduce evidence apart from examining himself or filing affidavit to prove said factor. Such evidence may be in form of receipt of salary or wages to show that he has worked for more than 240 days or more or examination of a co-worker. Ist party has not examined co-worker. Workman has failed to establish he was working continuously for 240 days. Evidence is not convincing.

9. Shri A.K.Shashi also relies on ratio held in case between

Bank of Baroda Kota versus Presiding Officer, CGIT Cum Labour Court, Kota and another reported in 2011-I-LLJ-462(Raj). Their Lordship held workman serving in different branches of Bank. Such service held couldnot be clubbed to reckon continuous service of 240 days unless he was appointed by one and same authority.

On the point of burden of proving 240 days continuous service, ratio held in case between Bhavnagar Municipal Corporation and others versus JadejaGovubhaChhanubha and another reported in 2015(2)SCC(L&S) 513. Their Lordship held burden to prove such continuous service lies on the workman.

Evidence of claimant workman doesnot prove his continuous working more than 240 days. He is not entitled to protection of Section 25-F of ID Act. Therefore I record my finding in Point No.2 in Negative.

10. Point No.3- In view of my finding in Point No.2 workman has failed to establish termination of his service in violation of provisions of ID Act, workman is not entitled to any relief. Shri A.K.Shashi w.r.t. relief of reinstatement with backwages claimed by workman submits that badlis are not entitled to regularization or protection of ID Act relying on ratio held in case between-

Karnataka State Road Transport Corporation and another versus S.G.Kotturappa and another reported in 2005-II-LLJ-161 and judgment by Apex Court in I.A.No.2/2016. Copy of award in R/2/92 submitted for perusal. Detailed discussion of those citations and award is not required in view of my finding in Point No.2,3.

11. In the result, award is passed as under:-

- (1) The claimant is workman under Section 2(s) of ID Act.
- (2) Workman is not terminated in violation of provisions of ID Act.
- (3) Workman is not entitled to any relief.

AWARDPassed on this 3rd day of August 2017

1. As per letter dated 24-11-2009 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No.L-12011/94/2009-IR(B-II). The dispute under reference relates to:

“Whether the action of the management of General Manager Union Bank of India, Arera Hills, Bhopal MP in dismissing the services of Shri Rajendra Prasad Shukla, Ex-Chief Cashier/ Clerk, UBI Sagra Branch, Distt. Rewa (MP) w.e.f. 10-4-06 is legal and justified? What relief are the workman entitled to?”

2. After receiving reference, notices were issued to the parties. Ist party workman submitted statement of claim. Case of workman is that he was initially appointed as peon. Considering his satisfactory work, he was promoted to the post of Head Cashier cum clerk. Prior to termination of his service, he had put in 28 years service. Service record was satisfactory. While working as Head cashier at Sagar branch, he was served with chargesheet as per order dated 29-8-05, various misconduct and acts were alleged against him. Main charge pertains to gross negligence on his part due to which the Bank was likely to enter loss. Committing act to the prejudice of interest of Bank, willful insubordination, orders of the superiors were alleged against him. That Enquiry Officer was appointed. Enquiry Officer submitted his findings on 17-1-2006 holding charges against workman were proved. On the basis of findings of Enquiry Officer, Disciplinary Authority imposed punishment of dismissal against him. Appeal preferred was dismissed on 15-1-07. Ist party workman submits that punishment of dismissal imposed against him is illegal. That Enquiry Officer was prejudiced against him. Enquiry was conducted in violation of principles of natural justice. Documents on which the charges were alleged were not supplied to him. He suffers prejudice in his defence. The findings of Enquiry Officer are perverse and contrary to the record. The findings of Enquiry Officer is silent about loss caused to the Bank. Even

assuming that workman committed irregularity while working as cashier, no loss is caused to the Bank. The acts alleged to have been committed cannot constitute misconduct. That he worked with honesty as per instructions of the higher officer. He was made scape goat, punishment of dismissal is illegal. On such ground, workman prays for his reinstatement with backwages.

3. 2nd party filed Written Statement opposing claim of workman. 2nd party submits that the contentions of Ist party in his statement of claim are false, fabricated and illegal. That Central Government has referred the dispute for adjudication is misconceived. That services of workman Rajendra Prasad Shukla were dismissed for the acts committed by him which is misconduct under Para 19 of Bipartite settlement. Workman committed acts prejudicial to the interest of Bank involving gross negligence on his part. Bank suffered serious loss because of negligence of workman. Charges are proved in Enquiry Proceedings. That in banking business, absolute devotion diligence, integrity and honesty needs to be preserved by every bank employee in particular dealing with the cash. That workman Rajendra Prasad has acted not only in fraudulent manner committing an act prejudicial to the interest of the bank and negligence involving the bank in serious loss is covered under Para 19 of Bipartite Settlement dated 19-10-66.

4. Workman Shri Rajendra Prasad was initially recorded as peon. He was promoted as Head Cashier cum clerk. Workman was posted at Sagra branch has committed irregularities, omission, negligence. Workman did not submit reply to memo dated 8-12-04. Chargesheet was issued to workman, reply submitted by workman was found unsatisfactory. That Vijay was appointed as Enquiry Officer and G.V.Joshi as Management Representative. Charges against workman pertain to misuse of suspense account, out station cheques for collection for his own personal gains and doing acts prejudicial to the interest of the bank committing misconduct by negligence of duty sustaining loss to the bank and for violating the orders of higher authorities and also for absence from duty and unbecoming of a bank employee, he was placed under suspension. Enquiry was conducted during 16-11-05 to 13-12-05. Enquiry Officer submitted his report on 17-1-06 holding that the charges were proved against workman. After issuing showcause notice dated 3-3-06, Disciplinary Authority imposed punishment of dismissal. The defence Representative had appeared in enquiry and enquiry was adjourned time to time on his request. It is reiterated that evidence of 2 defence witnesses was recorded. Enquiry was conducted as per the rules. Considering gravity of proved misconduct, punishment of dismissal against workman doesnot call for interference. It is further pleaded that enquiry conducted against workman if found vitiated, management be given chance to prove misconduct. 2nd party prays for rejection of claim.

5. As per order dated 30-6-16, enquiry conducted against workman is found illegal. Management was granted permission to prove misconduct.

6. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether the management of 2 nd party proves misconduct against workman?	In Negative
(ii) Whether the punishment of dismissal imposed against workman is proper and legal?	In Negative
(ii) If not, what relief the workman is entitled to?"	As per final order.

REASONS

7. Point No.1- As per order dated 30-6-16, enquiry conducted against workman was found vitiated. Management was allowed opportunity to prove misconduct.

8. Management filed affidavit of evidence of witness Shri S.K.Chanda. before dealing with the evidence, it would be convenient to consider what charges are alleged against workman. Said entry was adjusted by depositing Rs. 15000 in SB Account No. 238 by depositing the cash amount in the SB Account and then debiting said amount and crediting the Suspense Account OSC, such entry was got adjusted. Affidavit is further devoted that amount Rs.10,000 was deposited in SB Account No. 2153 of workman, voucher was signed by Bank Manager mentioning date 5-10-02 in OSC Register. 10. Management's witness in his cross examination says he retired on 31-3-17. He never worked at Sagra branch. He doesnot know whether workman was first appointed in 1981. He did not remember whether workman was supplied with chargesheet, whether any complaint was received. He conducted preliminary enquiry and submitted his report to the management. He conducted preliminary enquiry on report of the Branch Manager. Management's witness was unable to tell whether powers of Branch Manager were limited for sanctioning loan upto Rs. 7 lakh. Management's witness was unable to tell whether in Sagra branch, one Branch Manager, one peon and sweeper were posted. In 2002-03, he was working as Sr. Manager. The inspection of Sagra branch was conducted time to time. Management's witness was unable to tell whether he personally conducted inspection of said branch. OSC register was maintained for taking entries of cheques received from outside upto Rs. 15000/-. Management's witness denies that even if no balance was in account of the customer, payment upto Rs.15000 could be sanctioned. Branch Manager has power to sanction payment up to Rs.15000 if record of account holder is found satisfactory for period of six months. Management's witness was unable to tell who was maintaining register during the year 2002-03. After payment was made of amount of cheque received from outside, the entry used to be encircled. Management's witness admits that adjustment of payment made to Ramvati Shankar Prasad and workman was adjustment was made. The payments made from their accounts were irregular. Management's witness said that before making payment credit voucher is to be prepared, sanction by Branch Manager and Head cashier. When amount is credited, signature of Branch Manager on credit voucher is not required. Though evidence of management's witness is devoted about taking entries in various accounts and irregular adjustment of various accounts, management has not produced any of the documents.

11. Evidence of workman on affidavit is by way of denial. In his cross-examination workman admits his date of birth is 10-8-58. He was working as Head cashier. He received chargesheet Exhibit M-2. In absence of any documents, charges/ misconduct alleged against workman w.r.t. deposit of various amounts in SB Accounts and its irregular adjustment in OSC cannot be established.

12. Shri S.Pandey for management submitted written notes of arguments pertaining to factual aspect of the case conducting enquiry and allowing opportunity to the workman. However evidence of management's witness without producing concerned documents, the charge against workman cannot be proved. For above reasons, I record my finding in Point No.1 in Negative.

13. Point No.2- In view of my finding in Point No 1 charge/ misconduct alleged against workman are not proved, learned counsel for workman Shri A.K.Shashi w.r.t. relief to be granted relies on ratio held in case between-

Deepali Gundu Surwase versus Kranti Junior AdhyapakMahavidyalaya and others reported in 2013(10)SCC-324. Their Lordship dealing with wrongful illegal termination held High Court denying fullbackwages on reinstatement was illegal. Tribunal's order for reinstatement with full backwages was restored.

Shri A.K.Shashi also relies on ratio held in case between Union of India versus H.C.Goel reported in AIR-1964-SCC-364. In Para 27 of the judgment, their Lordship observed though we fully appreciate the anxiety of the appellate

to root out corruption from public service, we cannot ignore the fact that in carrying out the said purpose, mere suspicion should not be allowed to take the place of proof even in domestic enquiry it may be that the technical rules which govern criminal trials in courts may not necessarily apply to the disciplinary proceedings but nevertheless the principle that in punishing the guilty scrupulous care must be taken to see that the innocent are not punished, applied as much to regular criminal trials as to disciplinary enquiries held under the statutory rules.

Reliance is also placed in case of Swati Singh versus State of Rajasthan reported in AIR-1986-SC-995. In view of my finding in Point No.1 charges alleged against workman are not proved, the detailed discussion is not necessary.

14. Workman in his cross examination has given his date of birth 1958 about one year period is left for his superannuation as charges are not proved, punishment of dismissal is illegal, workman deserves to be reinstated with continuity of service with backwages. Accordingly I record my finding in Point No.2.

15. In the result, award is passed as under:-

- (1) The action of the management of General Manager Union Bank of India, Arera Hills, Bhopal MP in dismissing the services of Shri Rajendra Prasad Shukla w.e.f. 10-4-06 is not proper and legal.
- (2) The order of dismissal of workman is quashed. Management is directed to reinstate workman with continuity of service with full back wages.
- (3) Amount as per above order shall be paid to workman within 30 days from the date of notification of award. In case of default, amount shall carry 9 % interest per annum from the date of award till its realization.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-12012/73/2007-IR(B-II) dated 28.11.2007 referred the dispute for adjudication to the Central Govt. Industrial Tribunal-cum-Labour Court, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Bank of Baroda, Baroda in terminating the services of Shri Rohit Vipinbhai Narsinhbhai w.e.f. 31.03.2000 is legal, proper and just? If not, to what relief the concerned workman is entitled?”

1. The reference dates back to 28.11.2007. After service of notice to the parties, the second party workman submitted his statement of claim Ex. 6 alleging that he was appointed as Peon by the first party bank, Bank of Baroda in the year 1989. Since then, he had been serving continuously as Peon with different branches of Bank of Baroda at Ranoli, Por and Chhanni in the district of Baroda as per the requirement of the bank and his conduct was assessed as satisfactory during the whole serving period. He had been lastly serving at Chhanni branch of Bank of Baroda where his services were terminated on 17.09.1998 without giving any lawful justification or reason. He served for whole 1 year continuous service preceding the termination of service on 17.09.1998, therefore, the bank was required to comply the conditions precedent with the said termination under Section 25 F of the Industrial Dispute Act. No retrenchment compensation or notice pay as provided in Section 25 F of the Industrial Dispute Act was paid to him. Thus the order of termination was violative of Section 25 F of the Industrial Dispute Act. He has further alleged that the bank also contravened the provisions of the Section 25 F of the Industrial Dispute Act as no seniority list was prepared and displayed while terminating his services. He has further alleged that the workmen junior to him were permitted to continue to serve, thus the action of the bank was also violative of the provisions of the Section 25 G and H of the Industrial Dispute Act. He has further alleged that while terminating his services, he was told that whenever his services will be required, he will be called for employment but the same promise was not fulfilled by the bank. Thus the action of the bank was also violation of the Section 25 H of the Industrial Dispute Act. Thus he has prayed for the following reliefs:

- a. To declare that the action of the first party bank in terminating my services from 31.03.2000 is illegal, void, not justified and inoperative.
- b. The first party bank may be directed by the Hon. Court to reinstate me on original post of Peon in their services with full back wages and continuity of services and with other attendant benefits.
- c. Any other relief as the Hon. Court may deem fit and proper in the circumstances of the case may be granted.
- d. The Hon. Court may also direct the first party bank for paying me Rs. 10000/- (Rupees ten thousand only) towards the cost of this reference.

2. Despite sending the statement of claim Ex. 6 to the first party by the tribunal by registered post on 20.01.2009, the first party did not prefer to appear and to submit the written statement/reply. Thereafter, a further notice was issued to the first party to appear and file written statement on 08.04.2011 but the first party refrained to appear and submit the written statement, therefore, on 13.10.2016, the tribunal ordered to proceed ex-parte against the first party Bank of Baroda and the case was listed on 18.01.2017 and 01.02.2017. On 01.02.2017, advocate Shri Mashahar without filling the vakalatpatra, sought time to inquire and to submit the written statement but to no result. In the meantime, the second party workman Rohit Vipinbhai Narsinhbhai submitted his affidavit Ex. 12 along with the certificate issued by the Bank of Baroda showing that he worked for 24 days from 01.08.1989 to 22.11.1990, thus 12 days each in the year 1989 and 1990. He further submitted the certificate issued by the Bank of Baroda showing he worked for 13 days in 1991, 18 days in 1992, 86 days in the year 1993 and 21 days in the year 1995. He has also submitted the copies of the payment vouchers.

3. The second party submitted also submitted the written argument reiterating the contentions made in the statement of claim.

4. I have considered the evidence and arguments of the second party workman. He has challenged the order of termination on the ground that order of termination being violative of Section 25 F, G and H of the Industrial Dispute Act. Section 25 F of the Industrial Dispute Act provides the conditions precedent to retrenchment to workman. It says that no workman employed in any industry who has been in continuous service for not less than 1 year under an employer, shall be retrenched by that employer until

- (a) the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice has expired, or the workman has been paid in lieu of such notice, wages for the period of the notice;
- (b) the workman has been paid, at the time of retrenchment, compensation which shall be equivalent to 15 days average pay for every completed year of continuous service or any part thereof in excess of 6 months; and
- (c) the notice in the prescribed manner is served on the appropriate government or such authority as may be specified by the appropriate government by notification in the official gazette.

5. Here, I would like to prefer to refer the provisions of Section 25 B of the Industrial Dispute Act, which deems with the definition of continuous service.

Definition of continuous service – For the purposes of this Chapter, -

- (1) A workman shall be said to be in continuous service for a period if he is, for that period, in uninterrupted service, including service which may be interrupted on account of sickness or authorised leave or an accident or a strike which is not illegal, or a lock-out or a cessation of work which is not due to any fault on the part of the workman;
- (2) Where a workman is not in continuous service within the meaning of clause (1) for a period of one year or six months, he shall be deemed to be in continuous service under an employer –
 - (a) For a period of one year, if the workman, during a period of twelve calendar months preceding the date with reference to which calculation is to be made, has actually worked under the employer for not less than –
 - (i) One hundred and ninety days in the case of a workman employed below ground in a mine; and
 - (ii) Two hundred and forty days, in any other case;
 - (b) For a period of six months, if the workman, during a period of six calendar months preceding the date with reference to which calculation is to be made, has actually worked under the employer for not less than –
 - (i) Ninety-five days, in the case of workman employed below ground in a mine; and
 - (ii) One hundred and twenty days, in any other case -----.

6. The second party workman has alleged that the bank has violated the provisions of Section 25 F, G and H of the Industrial Dispute Act while the second party workman has failed to prove that he ever worked for 240 days in any of the years while serving in the bank. It is noteworthy that in the year of termination of service in the year 1998, he has not submitted any document which may show that he worked for 240 days in the year 1997 or 1998. It is also noteworthy that he served the bank from 1989 to 1998 but he has failed to prove that he would have worked for more than 240 days in any of the year during 1989 to 1998. Thus on the basis of the provision of the Section 25 B of the Industrial Dispute Act, the second party workman cannot be said to be a workman, therefore, no question of violating the provisions of Section 25 F, G and H of the Industrial Dispute Act arises. Thus the prayer sought by the second party does not hold water under the provisions of the Industrial Dispute Act and the prayers sought are liable to be rejected.

7. Thus in the light of the aforesaid reasons, the reference is disposed of with the observation as under: “the action of the management of Bank of Baroda, Baroda in terminating the services of Shri Rohit Vipinbhai Narsinhbhai w.e.f. 31.03.2000 is legal, proper and just.”

8. The award is passed accordingly.

AWARD

Passed on this 4th day of July, 2017

1. As per letter dated 22-7-97 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section-10 of I.D.Act, 1947 as per Notification No.L-12012/242/96/IR(B-II). The dispute under reference relates to:

“Whether the action of the management of Central Bank of India in terminating the services of Shri Pradip Kumar Sen w.e.f. 3-3-96 instead of regularizing him is legal and justified? If not, to what relief the said workman is entitled and from what date?”

2. After receiving reference, notices were issued to the parties. Ist party workman submitted statement of claim at Page 2/1 to 2/2. Case of workman is that he was appointed as peon in 2nd party Bank in February 1992. He worked with

devotion on 3-3-96, his services were terminated illegally without assigning any reasons. He was not involved in any kind of misconduct. That he completed more than 240 days continuous service during each of the year. His services are terminated in violation of Section 25 N, F,G of ID Act. Termination of his service amounts to unfair labour practice. Action of management is in violation of principles of natural justice. On such ground, workman prays for his reinstatement with backwages.

3. 2nd party filed Written Statement at Page 6/1 to 6/3 opposing claim of workman. 2nd party denied that workman was appointed as peon in February 1992. It is denied that Ist party workman worked with devotion. It is denied that he completed 240 days continuous service. As per 2nd party management, workman was working in canteen. He used to prepare and serve tea for employees in the Bank. During leave period of regular peon, he was engaged intermittently. The working days as full time and part time during the year 1992 to 1996 are shown in Para-2 of Written Statement. It is denied that services of Ist party were terminated on 3-3-96. There was no question of his termination. Violation of Section 25 is denied on ground that workman not completed 240 days continuous service. Allegation of unfair labour practice is also denied. 2nd party denies that workman is unemployed after termination of his service. On such ground, 2nd party prays for rejection of claim.

4. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether the action of the management of Central Bank of India in terminating the services of Shri Pradip Kumar Sen w.e.f. 3-3-96 instead of regularizing him is legal and justified?	In Negative
(ii) If not, what relief the workman is entitled to?"	As per final order.

REASONS

5. The term of reference pertains to legality of termination of services of workman and denial of regularization. 2nd party has denied claim of workman. Ist party filed affidavit of his evidence supporting his whole contentions in statement of claim that he was appointed as peon in 1992. His services were terminated on 3-3-96. He was continuously working in the Bank. He was terminated without notice, retrenchment compensation was not paid to him. Employees junior to him are retained in service. 2nd party remained absent and failed to cross examine workman. Perusal of record shows 2nd party has taken care for prosecuting the dispute under reference by engaging Advocate Rajhiv Jain, Anil Jain on 10-8-05. Advocate Suresh Dwivedi was engaged by management on 6-9-99. Notices were issued to management. Management did not participate in reference proceeding, no evidence is adduced by management. Considering unchallenged evidence by workman, it is established that Ist party workman was continuously working for more than 240 days during each year. His services are terminated without notice. Retrenchment compensation not paid to him, termination of workman is in violation of Section 25-F of ID Act. For above reasons, I record my finding in Point No.1 in Negative.

6. Point No.2- In view of my finding in Point No.1 termination of services of workman is illegal, workman was working about 4 years, question arise for my consideration is whether workman is entitled for reinstatement with backwages. In his statement of claim as well as in affidavit of evidence, workman has not shown his age. It is difficult to understand whether what is age of Ist party workman, how much period of service is left with him. Learned counsel for workman Shri G.K.Chibba pointed out my attention to judgment in Writ Petition No. 20237/2014 by MP High Court & Writ Petition 141/2014 by MP High Court reinstatement without backwages was allowed considering ratio held in case of Tapash Kumar Paul versus BSNL & Deepali Gundu Sarwase case. Considering ratio held in both case, reinstatement with 25 % backwages would be appropriate. Accordingly I record my finding in Point No.2.

7. In the result, award is passed as under:-

- (1) The action of the management of Central Bank of India in terminating the services of Shri Pradip Kumar Sen w.e.f. 3-3-96 instead of regularizing him is not proper and legal.
- (2) 2nd party is directed to reinstate workman with 25 % backwages.

Amount as per above order shall be paid to workman within 30 days from the date of notification of award. In case of default, amount shall carry 9 % interest per annum from the date of award till its realization.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-41011/47/2014-IR(B-I) dated 27.05.2014 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the demand of the Paschim Railway Karmachari Parishad, Ahmedabad for promotion of Shri Kishor M. and Om Prakash R. with retrospective effect along with consequential benefits of Material Collector Gr. II w.e.f. 28.11.2006 by the management of Chief Works Manager, Engineering Workshop, Western Railway, Sabarmati, Ahmedabad is legal, just and proper? If so, what relief the workmen concerned are entitled for and what directions are necessary in the matter?”

1. The reference dates back to 27.05.2014. The second party submitted the statement of claim Ex. 5 alleging that the second party workmen namely Kishor M. and Om Prakash R., Material Collector Gr. II appeared in department trade test vide Notification No. E/1130/1985 dated 17.11.2006 for promotion to the post of Material Collector Gr. II. The test/examination was held on 28.11.2006 but the result was not declared. It is further alleged that after repeated representations and reminder, the first party replied vide its letter dated 26.03.2011 informing that the examination sheets are being missing and not traceable, therefore, on 19.07.2011, the examination process was cancelled but no FIR was registered into the theft of the examination sheets. It is further alleged that on 16.08.2011, a test for Material Collector Gr. II was again held and interview held on 26.08.2011. The result of it was declared on 29.08.2011 wherein they were declared successful. Thus it can be said that they would have been also successful in the test held on 28.11.2006. These posts were vacant since 28.11.2006 but the benefit of the promotion was not given w.e.f. 28.11.2006. Therefore, they have prayed that the promotion benefits w.e.f. 28.11.2006 be ordered by the tribunal.
2. The first party Chief Works Manager, Engineering Workshop, Western Railway, 'D' Cabin, Sabarmati, Ahmedabad vide its written statement Ex. 7 admitted the aforesaid facts of examination taken by it as alleged by the second party but submitted that as the workmen cleared the examination in 2011 and were placed on promotion panel vide letter OO No. 175 dated 29.08.2011, therefore, promotion benefits from the date of 28.11.2006 cannot be granted.
3. On the basis of the pleadings, the following issues arise:
 - i. Whether the workmen are entitled for the promotion benefits of the post of Material Collector Gr. II w.e.f. 28.11.2006?
 - ii. To what relief, if any, the workmen are entitled?
4. The burden of proof of the aforesaid issues lies on the workman Om Prakash R. who has reiterated the averments made in the statement of claim in his affidavit Ex. 9. None responded for the second party to cross-examination the aforesaid workman, therefore, the cross-examination by the first party was closed on 20.04.2017. Today on 04.08.2017, none on behalf of the first party came forward to cross-examine the workmen and also produce their evidence for rebutting the charges of the workmen. Therefore, in the absence of the first party, the reference is disposed of.
5. It is noteworthy that the first party in his written statement Ex. 7 has reiterated that an examination was held for the post of Material Collector Gr. II on 28.11.2006 but due to unavoidable circumstances, the examination was cancelled. While the second party has alleged and stated on oath that the examination was cancelled due to missing of examination sheets but no FIR was registered into it. The first party has not given any explanation to this effect. It is also not denied by the first party that the post of Material Collector Gr. II had not been vacant since 28.11.2006. It has also not been denied that these workmen did not appear in the examination held on 28.11.2006 but it has been admitted that they succeeded in the examination held on 16.08.2011 and the interview held on 26.08.2011. It has not been explained in the written statement as to why the junior employees to these workmen were given the promotion benefits w.e.f. 26.08.2011.
6. Thus in the light of the evidence of the second party as discussed above, the second party workmen are entitled the promotion benefits of the post of Material Collector Gr. II w.e.f. 26.08.2011.
7. Thus the reference is disposed of with the observation that the demand of the Paschim Railway Karmachari Parishad, Ahmedabad for promotion of Shri Kishor M. and Om Prakash R. with retrospective effect along with consequential benefits of Material Collector Gr. II w.e.f. 28.11.2006 by the management of Chief Works Manager, Engineering Workshop, Western Railway, Sabarmati, Ahmedabad is legal, just and proper.
8. The first party is directed to pay all the dues of promotion benefits of the post of Material Collector Gr. II to both the workman w.e.f. 26.08.2011 within 60 days from the publication of this award.

SCHEDULE

“Whether Shri Ahmed N. Makda who is reported to have been designated as ‘Senior Officer’ but working as Acting Branch Manager, is a workman as per provisions of Section 2 (s) of the I.D. Act, 1947? If so, whether the action of the management of the Memon Co-operative Bank Ltd., Surat through its officers in terminating the services of Mr. Ahmed N. Makda by way of dismissal vide order dated 11.08.1997 is legal, justified, proper and proportionate to the gravity of the charges allegedly to have been committed by Shri Makda? If not, to what other directions are necessary in the matter?”

1. The reference dates back to 10.08.1999. The second party submitted the statement of claim on 29.10.1999 along with number of documents and application for interim relief Ex. 14. The first party submitted the written statement Ex. 13 on 28.04.2000. The case was listed for evidence of the second party but since the filing of the written statement by the first party, the second party failed to lead his evidence. Therefore, on 05.04.2017, a fresh notice was issued to both the parties to apprise them the pending of the reference in this tribunal and also to lead evidence but the notices sent by the registered post received back with a remark that the addressee has left their place without instruction. Thus the parties are not traceable and the reference is not possible to be decided on merit.

2. Thus the reference in the absence of the evidence of both the parties, is disposed of with the observation as under: “the action of the management of the Memon Co-operative Bank Ltd., Surat through its officers in terminating the services of Mr. Ahmed N. Makda by way of dismissal vide order dated 11.08.1997 is legal, justified, proper and proportionate to the gravity of the charges allegedly to have been committed by Shri Makda.”

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-41011/10/2013-IR(B-I) dated 03.06.2013 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the demand of the union Paschim Railway Karmachari Parishad, Mumbai for reinstatement in service of S/Shri (1) Wasim Ahmed, (2) Navneet Kumar Pandey, (3) Shakeel Ahmed, (4) MahendraPratapTripathi, (5) Dinesh Kumar Singh and (6) Manoj Kumar Singh is legal, proper and just? If so, to what relief the concerned workmen are entitled to?”

1. The reference dates back to 03.06.2013. The second party union Paschim Railway Karmachari Parishad submitted the statement of claim Ex. 5 alleging that the workmen namely (1) Wasim Ahmed, (2) Navneet Kumar Pandey, (3) Shakeel Ahmed, (4) Mahendra PratapTripathi, (5) Dinesh Kumar Singh and (6) Manoj Kumar Singh were appointed and permitted to join as per the directions of the Railway Board as Ad-hoc/Substitute employee on 27.06.1995, 27.06.1995, 19.06.1995, 19.06.1995, 18.05.1995 and 27.06.1995 respectively at Valsad Electric Loco Shed after undergoing medical fitness. All these workmen were charged by way of lodging FIR for producing fabricated records in order to secure appointment as Khalasi. In the said case, Additional Chief Metropolitan Magistrate 46th Court, Mazgaon, Mumbai acquitted all the aforesaid workmen for the said charge but the first party without waiting the judgement of the court, terminated their services. But despite the favourable directions, the said workmen were not taken into service.
2. Despite service on the first party by way of Registered Post, the first party did not prefer to submit the written statement. Therefore, on 06.01.2017, the case was ordered to proceed ex-parte against the first party.
3. All the aforesaid second party workmen submitted their affidavits Ex. 7, 8, 9, 10, 11 and 12 as their examination-in-chief reiterating the averments made in the statement of claim submitted by the second party union. None for the first party approached the tribunal to cross-examine them. Thus the tribunal has no option but to believe the affidavits submitted by the workman. Their evidence is unrebutted, therefore, believable.
4. It is noteworthy that the workmen appear to have been removed from service on a criminal charge of fabricating the eligibility documents for obtaining the service and the first party did not dare to rebut the aforesaid evidence of not fabricating the documents of eligibility for obtaining service.
5. Thus the reference is disposed of with the observation as under: “the demand of the union Paschim Railway Karmachari Parishad, Mumbai for reinstatement in service of S/Shri (1) Wasim Ahmed, (2) Navneet Kumar Pandey, (3) Shakeel Ahmed, (4) MahendraPratapTripathi, (5) Dinesh Kumar Singh and (6) Manoj Kumar Singh is legal, proper and just.”
6. The first party, The General Manager, Western Railway, Mumbai is directed to appoint the aforesaid workmen in the place of their initial appointment within 60 days from the date of publication of this award.
7. The award is passed accordingly.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-41011/08/2011-IR(B-I) dated 03.06.2011 referred the dispute for adjudication to the Central Govt. Industrial Tribunal-cum-Labour Court, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Chief Works Manager, LCW Workshop, Western Railway, Dahod in not giving appointment to Shri NalinkumarDineshbhaiMakwana his selection, is legal and justified? To what relief the union is entitled?”

1. The reference dates back to 03.06.2011. After service of the notices to the parties, the second party submitted the statement of claim Ex. 3 on 07.10.2011 alleging that he was recruited as Apprentice by the Chief Workshop Manager of the first party LCW Workshop, Western Railway, Dahod. He was subjected to all kind of medical tests and interview and clearing all these formalities, he underwent for 3 years course of Apprenticeship and after completion of the same, he was given appointment letter to be posted at Kapurthala and he went to Kapurthala to resume the duty. But he was not allowed to resume his duty at Kapurthala as he was found medically unfit because he could not clear 1500 meters race with in the prescribe limit. He came back to Dahod where he was also not permitted to resume his duties. He has further alleged that when he was appointed as Apprentice, at that point of time, he underwent all the required tests including medical test. At Dahod, he moved an application before the Chief Works Manager, Dahod on 03.04.2009 for permission to join where he was asked to contact the General Manager, Western Railway, Mumbai. He further alleged that he moved an application before the General Manager, Western Railway, Mumbai but to no result.

Thus he has prayed for appointment on the post of Group D w.e.f. 10.04.2009 with back wages and consequential benefits.

2. Both the first parties, The Chief Works Manager, LCW Workshop, Western Railway, Freelandgunj, Dahod (Gujarat) and The General Manager, Western Railway, Churchgate, Mumbai were served by the registered post notice but they did not prefer to submit their written statement. It is also noteworthy that the second party also sent the copy of the statement of claim Ex. 3 to both the first parties and even after submitting the vakalatpatra Ex. 5 of Shri N.J. Acharya on behalf of the first party, the written statement was not preferred to be submitted by the first party. Thus the reference was ordered to proceed ex-parte against the first party as the first party despite giving them half a dozen of opportunities, failed to appear and submit the written statement.

3. The second party submitted the affidavit Ex. 7 of the workman Nalinkumar Dineshbhai Makwana along with the documents concerning the conciliation proceedings wherein he reiterated the averments made in the statement of claim. It is noteworthy that the first party did not contest the reference in the tribunal. Thus the affidavit Ex. 7 is un rebutted; therefore, the prayer sought by the second party workman is fit to be allowed.

4. Thus in the light of the aforesaid observations, the reference is finally disposed of with the observation as under: “the action of the management of Chief Works Manager, LCW Workshop, Western Railway, Dahod in not giving appointment to Shri Nalinkumar Dineshbhai Makwana his selection, is illegal and unjustified.”

5. The first party is directed to permit the second party workman Nalinkumar Dineshbhai Makwana to join on the Group D post within 60 days from the publication of the award.

6. The award is passed accordingly.

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-41011/15/2009-IR(B-I) dated 07.03.2011 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Western Railway, Kota in not giving compassionate appointment to Shri Jagdish S/o Shri Sukhdev, Ex.-Gateman is legal and justified? To what relief the union/applicant is entitled?”

1. The reference dates back to 07.03.2011. The second party workman submitted his statement of claim Ex. 4 on 27.12.2013 alleging that the workman Sukhdev completed 20 years of service with the first party employer The Divisional Railway Manager, Western Central Railway and during the service of his employment, he expired. His legal heirs submitted an application for giving compassionate appointment in place of the deceased employee but the said application was not favourably considered. Therefore, the second party union Western Central Railway Karamchari Parishad raised a dispute. The first party employer appeared in the conciliation proceedings where objections were raised that the legal heir namely the wife of the deceased workman wanted employment to her youngest son, which is not acceptable under the terms and conditions of the Railway Manual. But the said contention is illegal and contrary to the rules because the first party employer has issued a circular letter dated 22.08.2010 wherein it has been clarified that any member of the deceased's family is entitled for the compassionate appointment. It has been further submitted the General Manager, Western Railway dated 07.01.1997 has also granted relaxation of age relief in case of compassionate appointment. Thus he has prayed for compassionate appointment of Jagdish son of deceased employee Sukhdev.
2. The first party submitted the written statement Ex. 6 on 04.12.2015 raising the objections that it is not an Industrial Dispute under Section 2 K of the Industrial Dispute Act. Only the High Court has the jurisdiction over the matter being the equitable relief and the same is barred by delay and laches. It has been further submitted that Jagdish was born on 10.02.1997, therefore, he was minor at the time of demand for compassionate appointment and the same cannot be granted.
3. The second party workman submitted the affidavit Ex. 8 of Jagdish on 02.07.2016 but the advocate for the first party did not respond to cross-examine him. The affidavit reveals that Sukhdev died on 31.01.1984 and he has admitted that he was born on 10.02.1979 and he was 5 years old at the time of death of his father. His mother moved an application for compassionate appointment on 10.02.1997 and 24.11.1998 when he attained the age of majority with no objection of his other elder brothers. It has also been admitted by the witness that at the time of the death of his father, his mother was offered appointment on compassionate ground in place of her deceased husband but she waited till the time, his youngest son attained majority. The circumstances reveal that the wife of the deceased was not in need of

compassionate appointment at the time of the death of her husband. Now she wants to take advantage of the provision of compassionate appointment in favour of her youngest son which does not appear to be equitable.

4. However, as the first party has not responded and contested the reference by rebutting the evidence of the second party, therefore, it would be proper to direct the first party to dispose of the application on compassionate ground within 30 days from the date of the publication of the award by a reasoned and speaking order.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-41012/11/2001-IR(B-I) dated 07.06.2001 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Western Railway in terminating the services of Shri Jivan Chuna vide order dated 11.10.1993 is justified? If not, what relief the concerned workman is entitled?”

1. The reference dates back to 07.06.2001. The second party submitted the statement of claim on 04.08.2005 alleging that the second party workman had been serving as a Safaiwala/Sweeper since last 16 year w.e.f. 24.01.1977. He having satisfied the requirements of the regularisation was placed in the time scale of Rs. 750-940 (KP) on the regular post under Cartage and Wagon Department, Mehsana in terms of DRM (E), Rajkot no. EM/615/5/15 dated 10.08.1990, copy of the same is annexed herewith. He has also completed 240 working days preceding to the termination order on 11.10.1993 vide order EM/615/5/15 dated 11.10.1997 serving a notice saying that he remained on unauthorised absence for 170 days w.e.f. 08.09.1990 to 10.09.1993. He made an appeal to the DRM, Rajkot who rejected the appeal vide order no. EM/615/5/15 dated 04/07.05.1994. He moved a further representation on 29.05.1994 through Schedule Caste/Schedule Tribe Association, same was also rejected vide order no. EM/615/5/15 dated 16.08.1994. He has challenged the aforesaid rejection of the representation on the following ground:

- A. The applicant submit that notice of termination of service, its Para 1 and 2 clearly shows that the termination is by way of punishment and casts stigma upon the applicant. The applicant submits that his service is termination without any enquiry and show cause notice to him. Thus it is contrary to the principal of natural justice.
- B. There is total non-application of mind on the part of the respondent in passing an order of Annexure A3 to A/5. Annexure A/2 provides that the applicant has completed 240 days service. In the others in Annexure A3 to A5 says that he has not work for 120 days in a year. Both the statement is contradictory to each other. The applicant submits that he was to entitle to beginning show cause notice hearing even if it is true that he has not been granted temporary status. The applicant submits that infect he has completed 240 days and had acquired Temporary Status by operative of law.
- C. The applicant also submits that Section 25 F of the Industrial Dispute Act is not follow as none of pre-condition is followed. He was not given one month's notice. Retrenchment compensation was also not paid.

Thus he has challenged the order of termination of his service being violative of the principles of natural justice, article 14 and 16 of the Constitution of India and Section 25 of the Industrial Dispute Act. He has prayed for quashing of the impugned termination order no. EM/615/5/15 dated 11.10.1997 with full back wages and consequential benefits.

2. The second party workman has also filed the photo copies of all the aforesaid orders.
3. The first party submitted the vakalatpatra of Shri Janak R. Pandya and Shri H.B. Shah on 19.01.2010 and 26.12.2011 respectively but neither of them preferred to submit the written statement on behalf of the first party despite seeking time for several times. Therefore, the second party was permitted to be examined on 29.04.2011 and 26.12.2011 wherein he has reiterated the averments made in the statement of claim but he has admitted in his statement on oath Ex. 9 that he was retrenched from the service on 11.10.1993 on account of absence from duty. No enquiry was ordered. He was not given any notice or notice pay. In his cross-examination, he has denied that he was a Safai Karamchhari and was terminated for absence of duty for 170 days but he has relied on the documents submitted along with the statement of claim. The documents no. E/MD/615/T dated 16/18.10.1989 reveals that he was engaged as Casual/Substitute Safaiwala to meet the existing shortage on 24.01.1977. The order no. EM/615/5/15 dated 11.10.1993 which has been submitted along with the statement of claim reveals that the workman was engaged in the capacity of substitute vide Memo No. EM/615/5/15 (temporary) dated 10.08.1990 and he worked for 777 days and remained unauthorisedly absent for 170 days during the period from 08.09.1990 to 10.09.1993. The letter also reveals that he had completed 240 days working in the calendar year of 1992, the permissible compensation allowance (i.e. 15 days salary for completed 240 days working in the calendar year as per the provisions of the Industrial Disputes Act 1947, which works out to the tune of Rs. 755/- (Rupees Seven Hundred and Fifty Five Only). Pay Rs. 375/- + DA Rs. 345/- + HRA Rs. 35/- = Rs. 755/- will be paid to you on if before the completion of the notice period. (i.e. one month after the service of notice to you).
4. The letter no. EM/615/5/15 dated 04/07.01.1994 submitted by the second party workman which was issued by DRM (E), Rajkot reveals that he has been served notice for termination from Rly. Service vide no. EM/615/5/15 dated 11.10.1993 and due compensation under Section 25 F of the I.D. Act was arranged to you but you refused to accept the same as advised under CWS_MSH's letter no. E/7 dated 16.11.1993 in the present of (S/Shri K.C. Oza CWS/MSH, Chhaganbhai T, MEC, Rajkot).
5. The first party neither submitted the written statement nor submitted any evidence; therefore, the tribunal was having no option but to dispose of the reference on the basis of the evidence of the second party workman. The documentary evidence submitted by the second party workman reveals that he was a Casual/Substitute Safaiwala (sweeper) who worked for a long period and he also worked for 240 days in the every year but the termination letter no. EM/615/5/15 dated 11.10.1993 reveals that he remained unauthorisedly absent for 170 days from 08.09.1990 to 10.09.1993, therefore, he was retrenched from service after paying him the due retrenchment compensation. This letter has been submitted by the workman himself but he has not submitted any contrary evidence by way of any document or otherwise that he did not remained absent for 170 days during the aforesaid period. The burden to prove this fact was lying on him.
6. During 3 years, unauthorised absence of 170 days is unreasonable as not being sought on medical grounds or other necessary grounds. This is noteworthy that annexure to statement of claim reveals that he was not a regular employee. He was substitute Safaiwala i.e. Casual Worker; therefore, such a long absence cannot be justified by any provisions of law. Thus in the light of the aforesaid discussions, the termination was just and reasonable and does not violate the principles of natural justice as well as the provisions of the Section 25 F, G and H of the Industrial Dispute Act.
7. Thus the prayer sought by the second party workman cannot be granted, hence rejected.
8. The award is passed accordingly.
